(57) **CLAIM**

The ornamental design for a portion of display screen with graphical user interface for visualizing data, as shown and described.

DESCRIPTION

The single FIGURE is a front elevation view of a portion of display screen with graphical user interface for visualizing data showing my new design.

The broken line of the display screen and the broken line showing certain words and features in the drawing are for illustrative purposes only and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
