(57) **CLAIM**  
I claim the ornamental design for an automobile window shade, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of the automobile window shade wherein the cross-hatch shading represents a surface colored black.  
FIG. 2 is a rear view of the automobile window shade wherein the shading represents a reflective silver surface.  
FIG. 3 is a right side view of the automobile window shade.  
FIG. 4 is a left side view of the automobile window shade.  
FIG. 5 is a bottom view of the automobile window shade; and, FIG. 6 is a top view of the automobile window shade.  
The broken lines in FIGS. 1 and 2 are seams.  
The shading in the Figures depict the colors black and silver.
