(57) **CLAIM**

The ornamental design for a blower for medical and industrial applications, as shown and described.

**DESCRIPTION**

FIG. 1 is a right side view of the blower for medical and industrial applications according to the presently disclosed invention;

FIG. 2 is a front view of the blower of FIG. 1;

FIG. 3 is a left side view of the blower of FIG. 1;

FIG. 4 is a rear view of the blower of FIG. 1;

FIG. 5 is a perspective view of the blower of FIG. 1 showing the front, bottom, and right sides thereof; and,

FIG. 6 is a perspective view of the blower of FIG. 1 showing the rear, top, and left side thereof.

The portions of the blower for medical and industrial applications shown in broken lines form no part of the claimed design.
