(57) **CLAIM**

The ornamental design for a package for feminine hygiene products, as shown and described.

**DESCRIPTION**

FIG. 1 is a front, top and right side perspective view of the first embodiment of a package for feminine hygiene products, showing my new design. The back view is a mirror image of the front view;

FIG. 2 is a right, top and back side perspective view thereof, the left side is identical to the right side shown and without the dash-dot line;

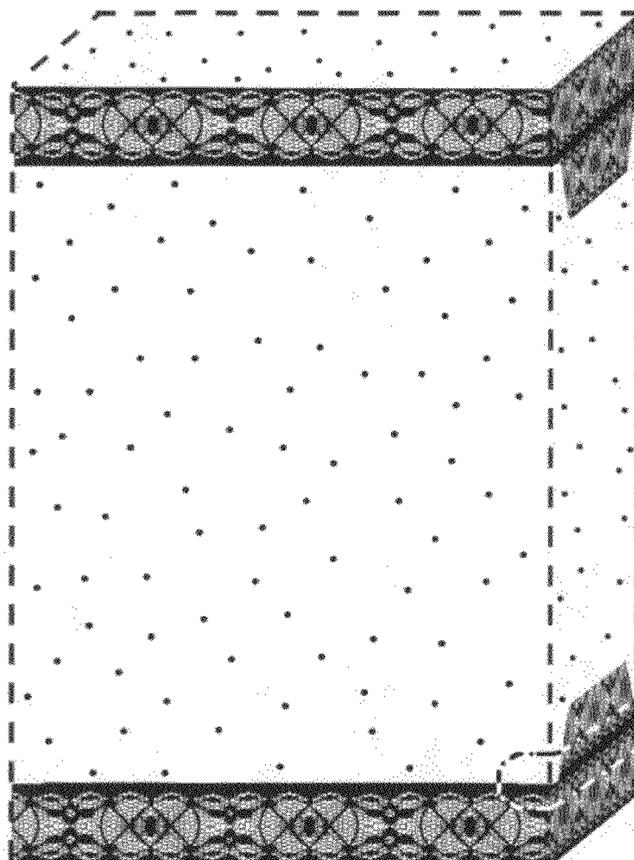

FIG. 3 is a front, top and right side perspective view of the second embodiment of a package for feminine hygiene products, showing my new design. The back view is a mirror image of the front view, and the left side view is the same as the right side view and without the dash-dot line;

FIG. 4 is a front, top and right side perspective view of the third embodiment of a package for feminine hygiene products, showing my new design. The back view is a mirror image of the front view; and,

FIG. 5 is a right, top and back side perspective view thereof, the left side is identical to the right side shown and without the dash-dot line.

The evenly spaced dashed lines represent unclaimed environment and form no part of the claimed design. The dash-dot line represents a perforation and is included in the claim. The white and black lace areas and the dotted areas represent surface contrasts.
