(57) **CLAIM**

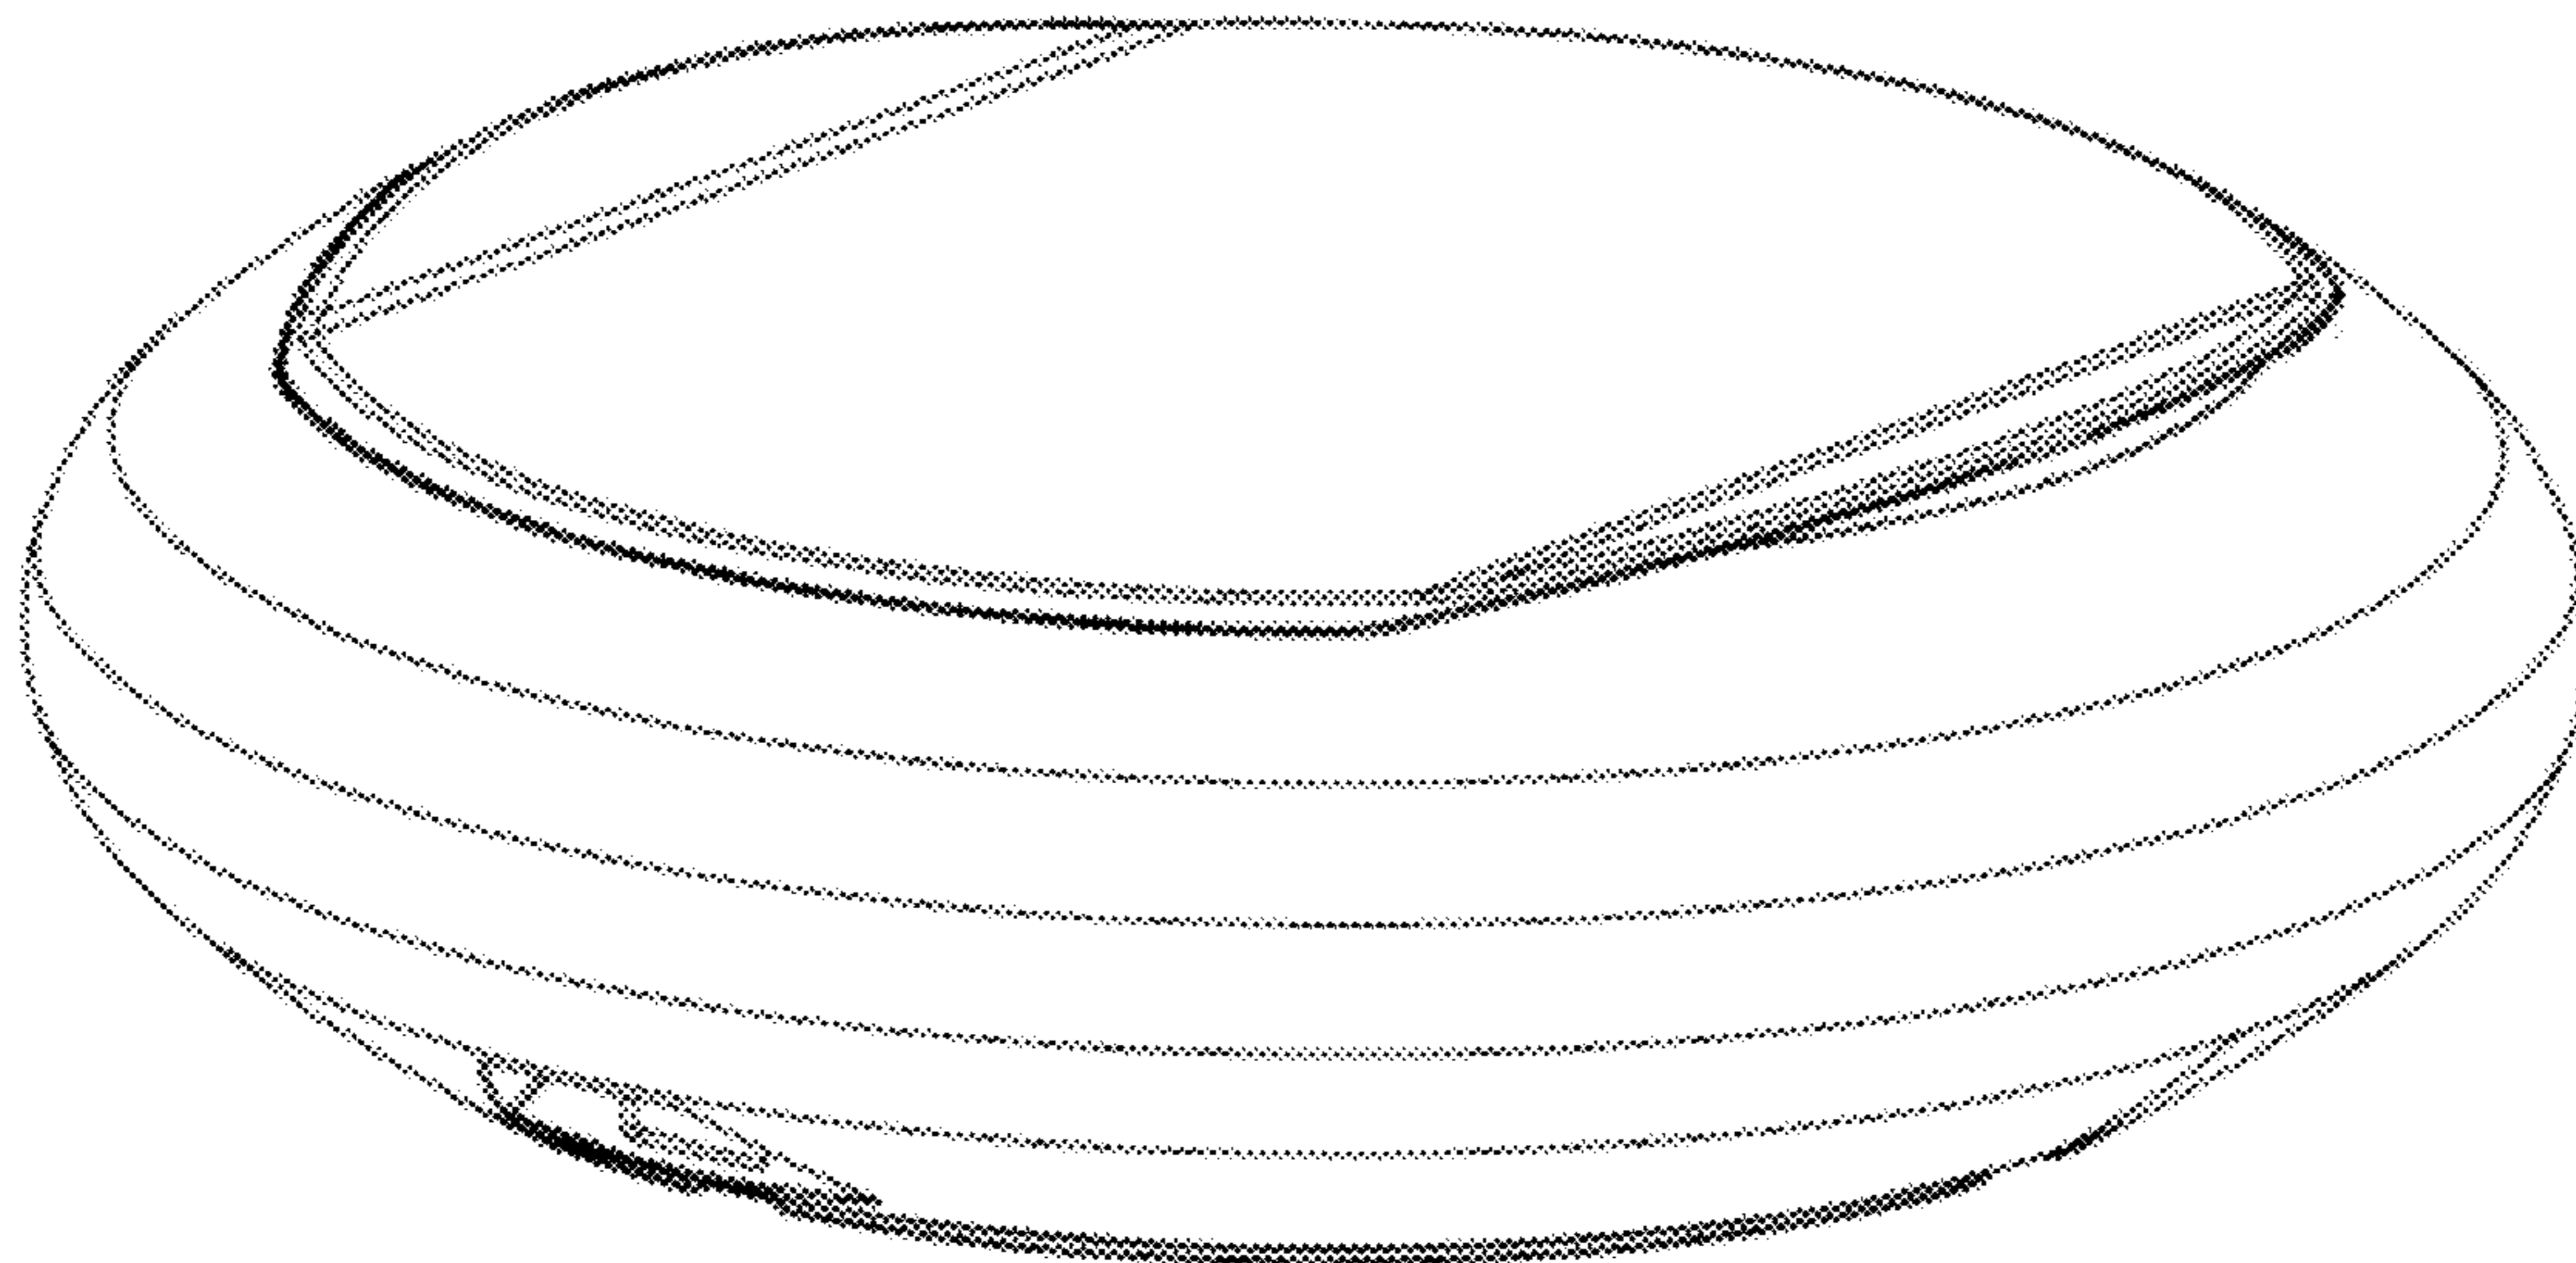

What is claimed is the ornamental design for a mobile device charger, as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view of a mobile device charger. FIG. 2 is a top plan view thereof. FIG. 3 is a front side elevational view thereof; and, FIG. 4 is a right side elevational view thereof, the left side elevational view being identical thereto.

Any features shown in dotted, dashed, and/or broken lines do not form part of the claimed design. Any surface shading is used solely to show the character and/or contour of the surface represented.
