(57) **CLAIM**

The ornamental design for a lock and release aid for an electrical connector, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, and right side perspective view of a lock and release aid for an electrical connector showing our new design;

FIG. 2 is a top plan view thereof;

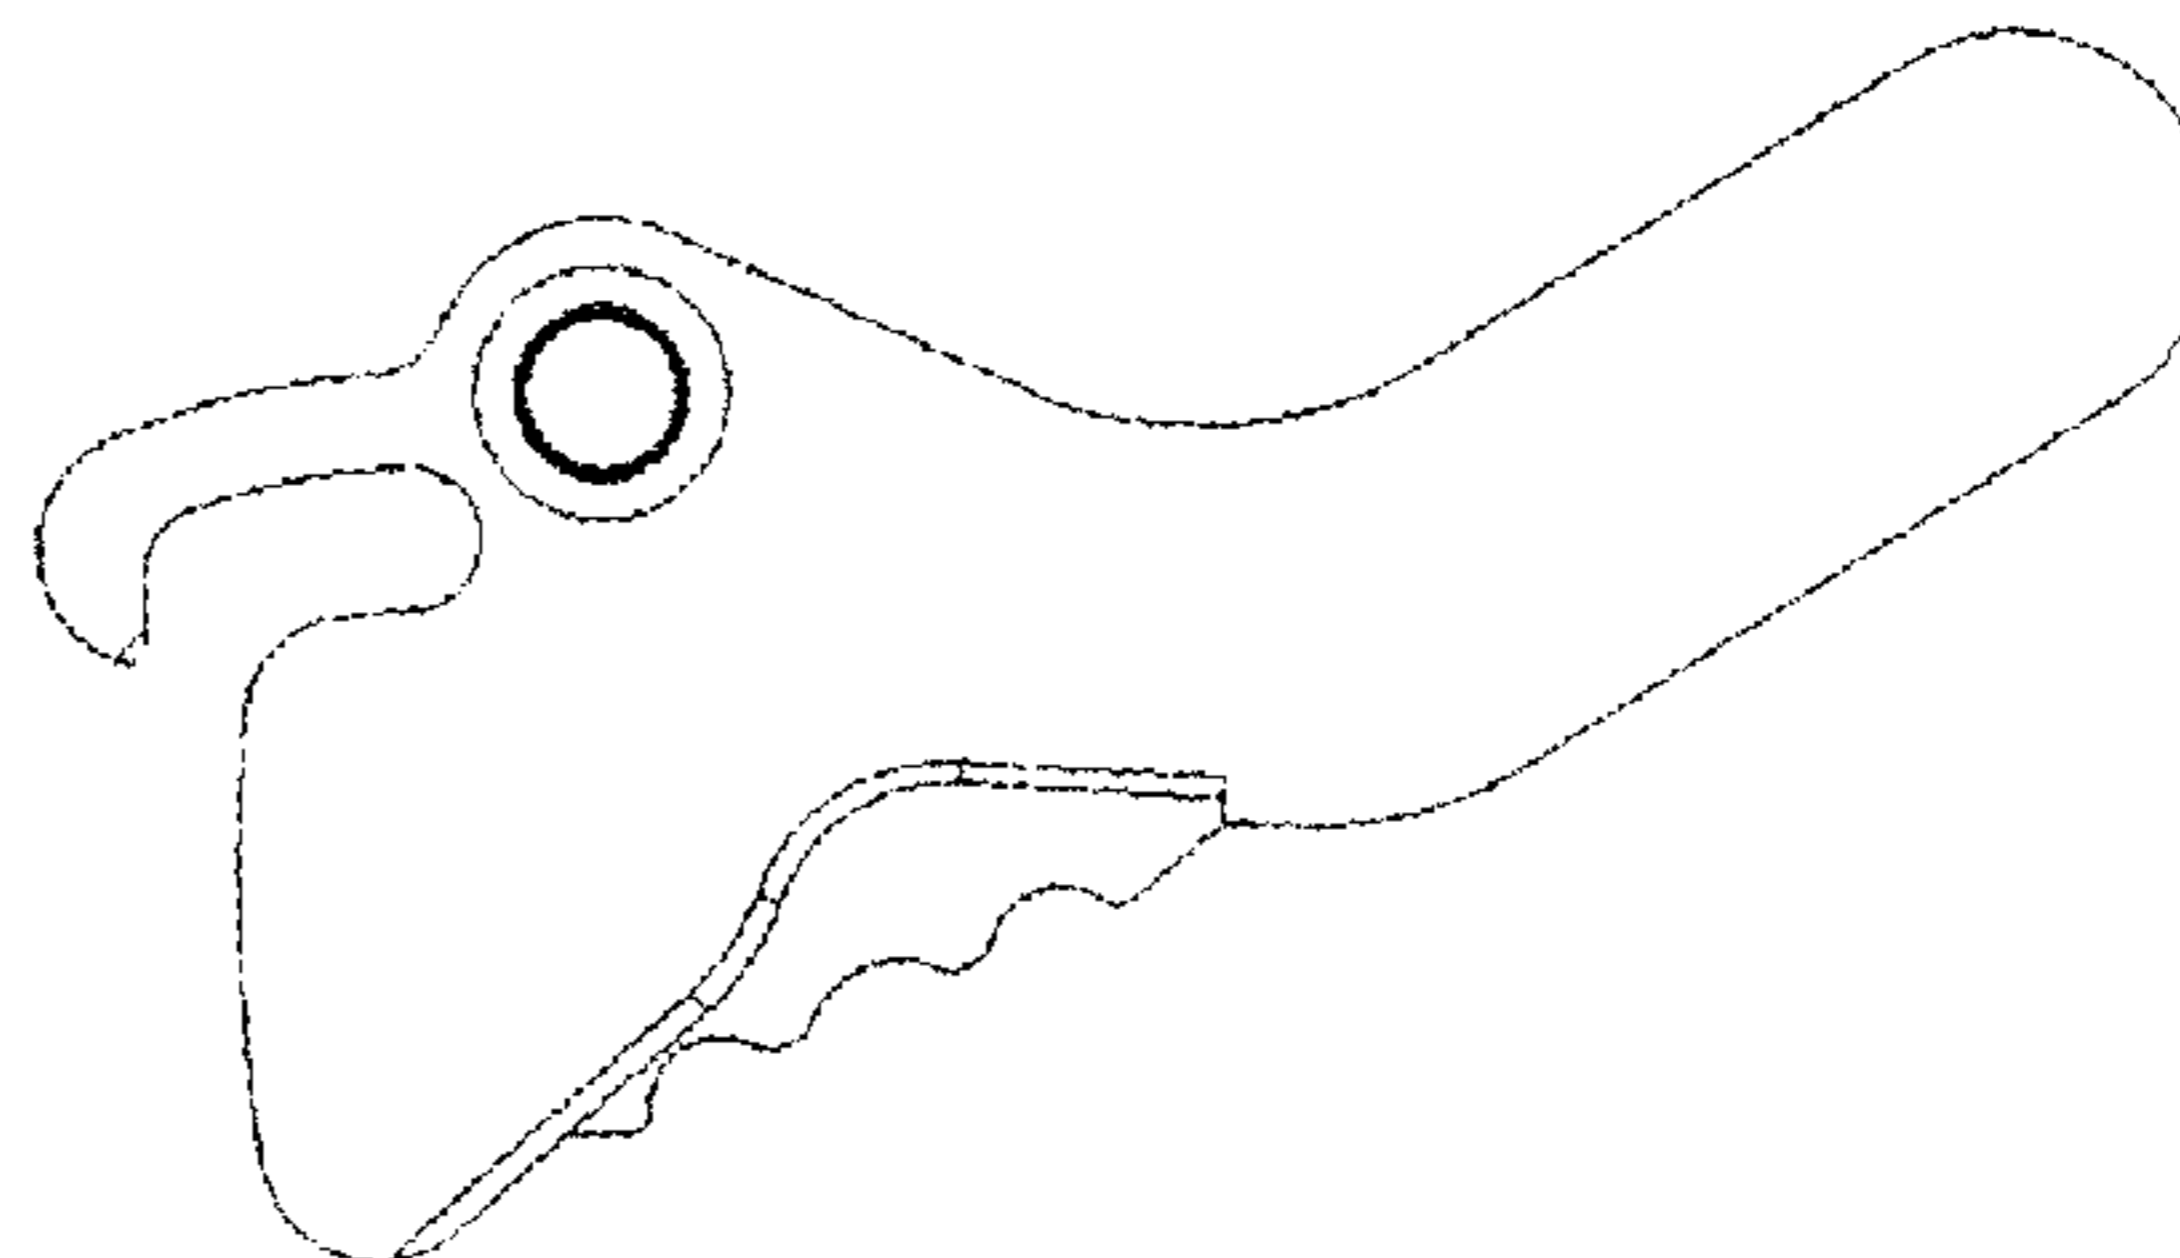

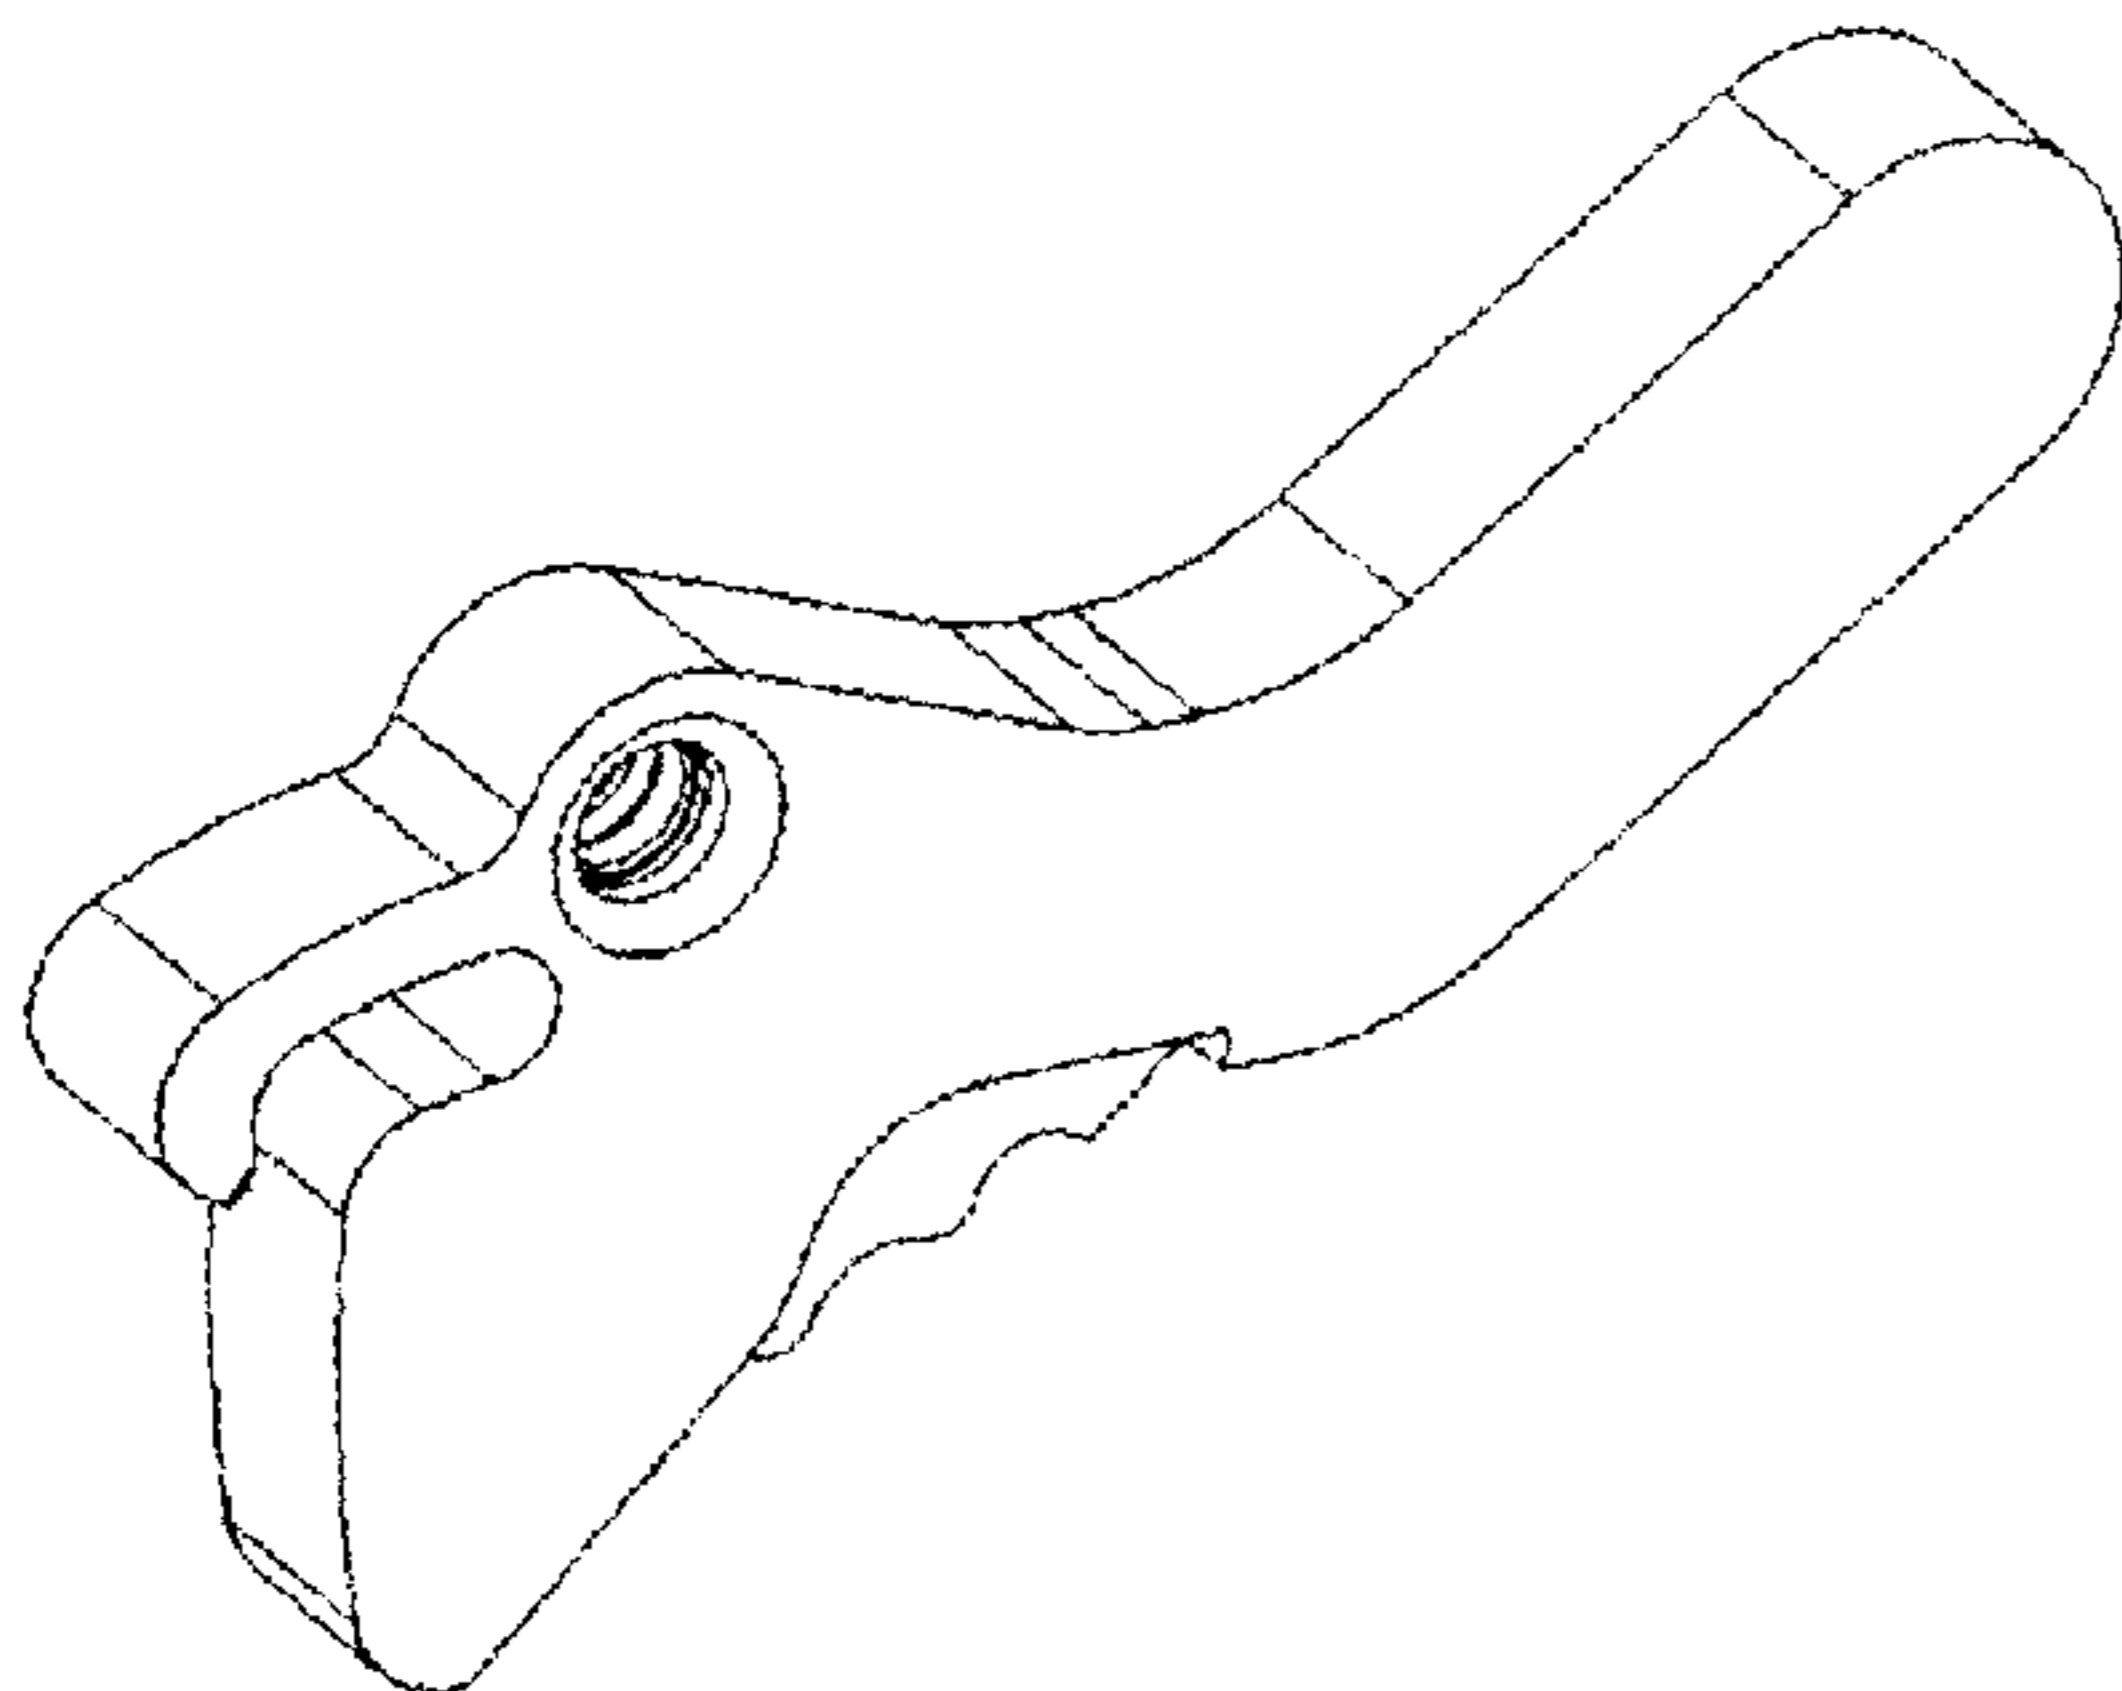

FIG. 3 is a right side elevational view thereof, the left side view being a mirror image of the right side view;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a front elevational view thereof; and,

FIG. 6 is a bottom plan view thereof.
