(57) **CLAIM**

The ornamental design for a protective cover for an electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a protective cover for an electronic device;

FIG. 2 is a top view of the protective cover for an electronic device;

FIG. 3 is a side view of the shorter, lower side of the protective cover for an electronic device;

FIG. 4 is a side view of the shorter, upper side of the protective cover for an electronic device;

FIG. 5 is a side view of the longer, left side of the protective cover for an electronic device;

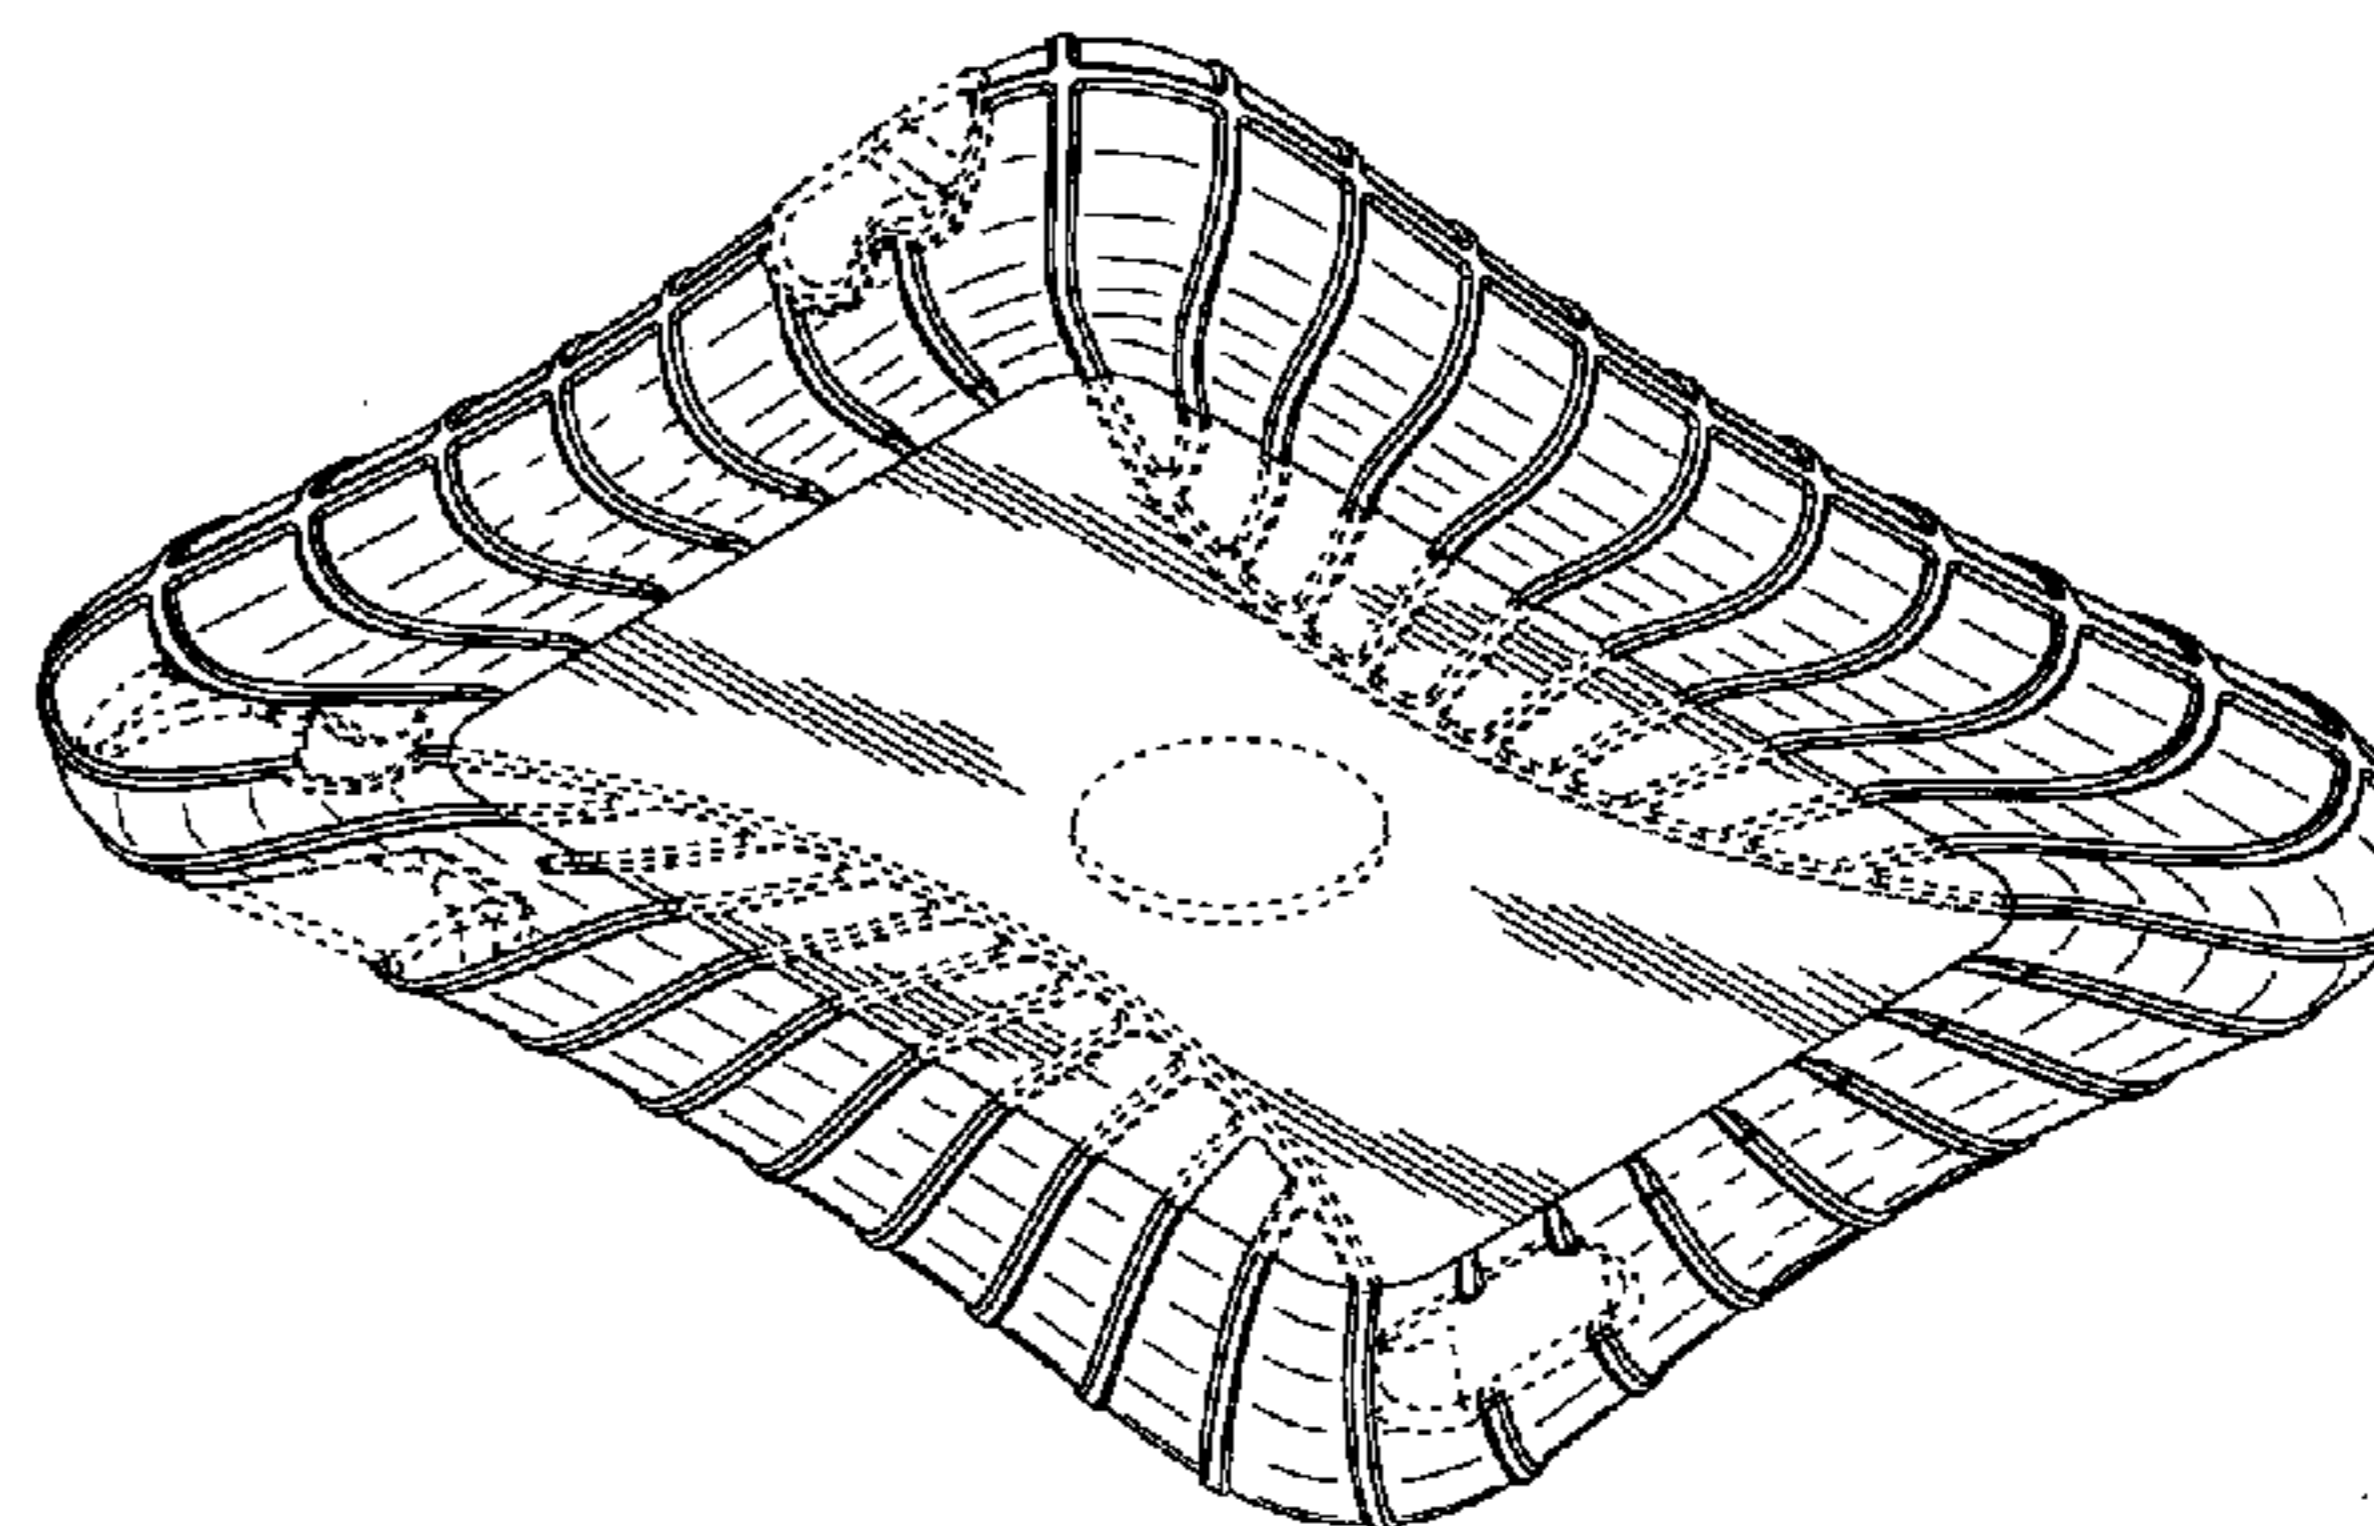

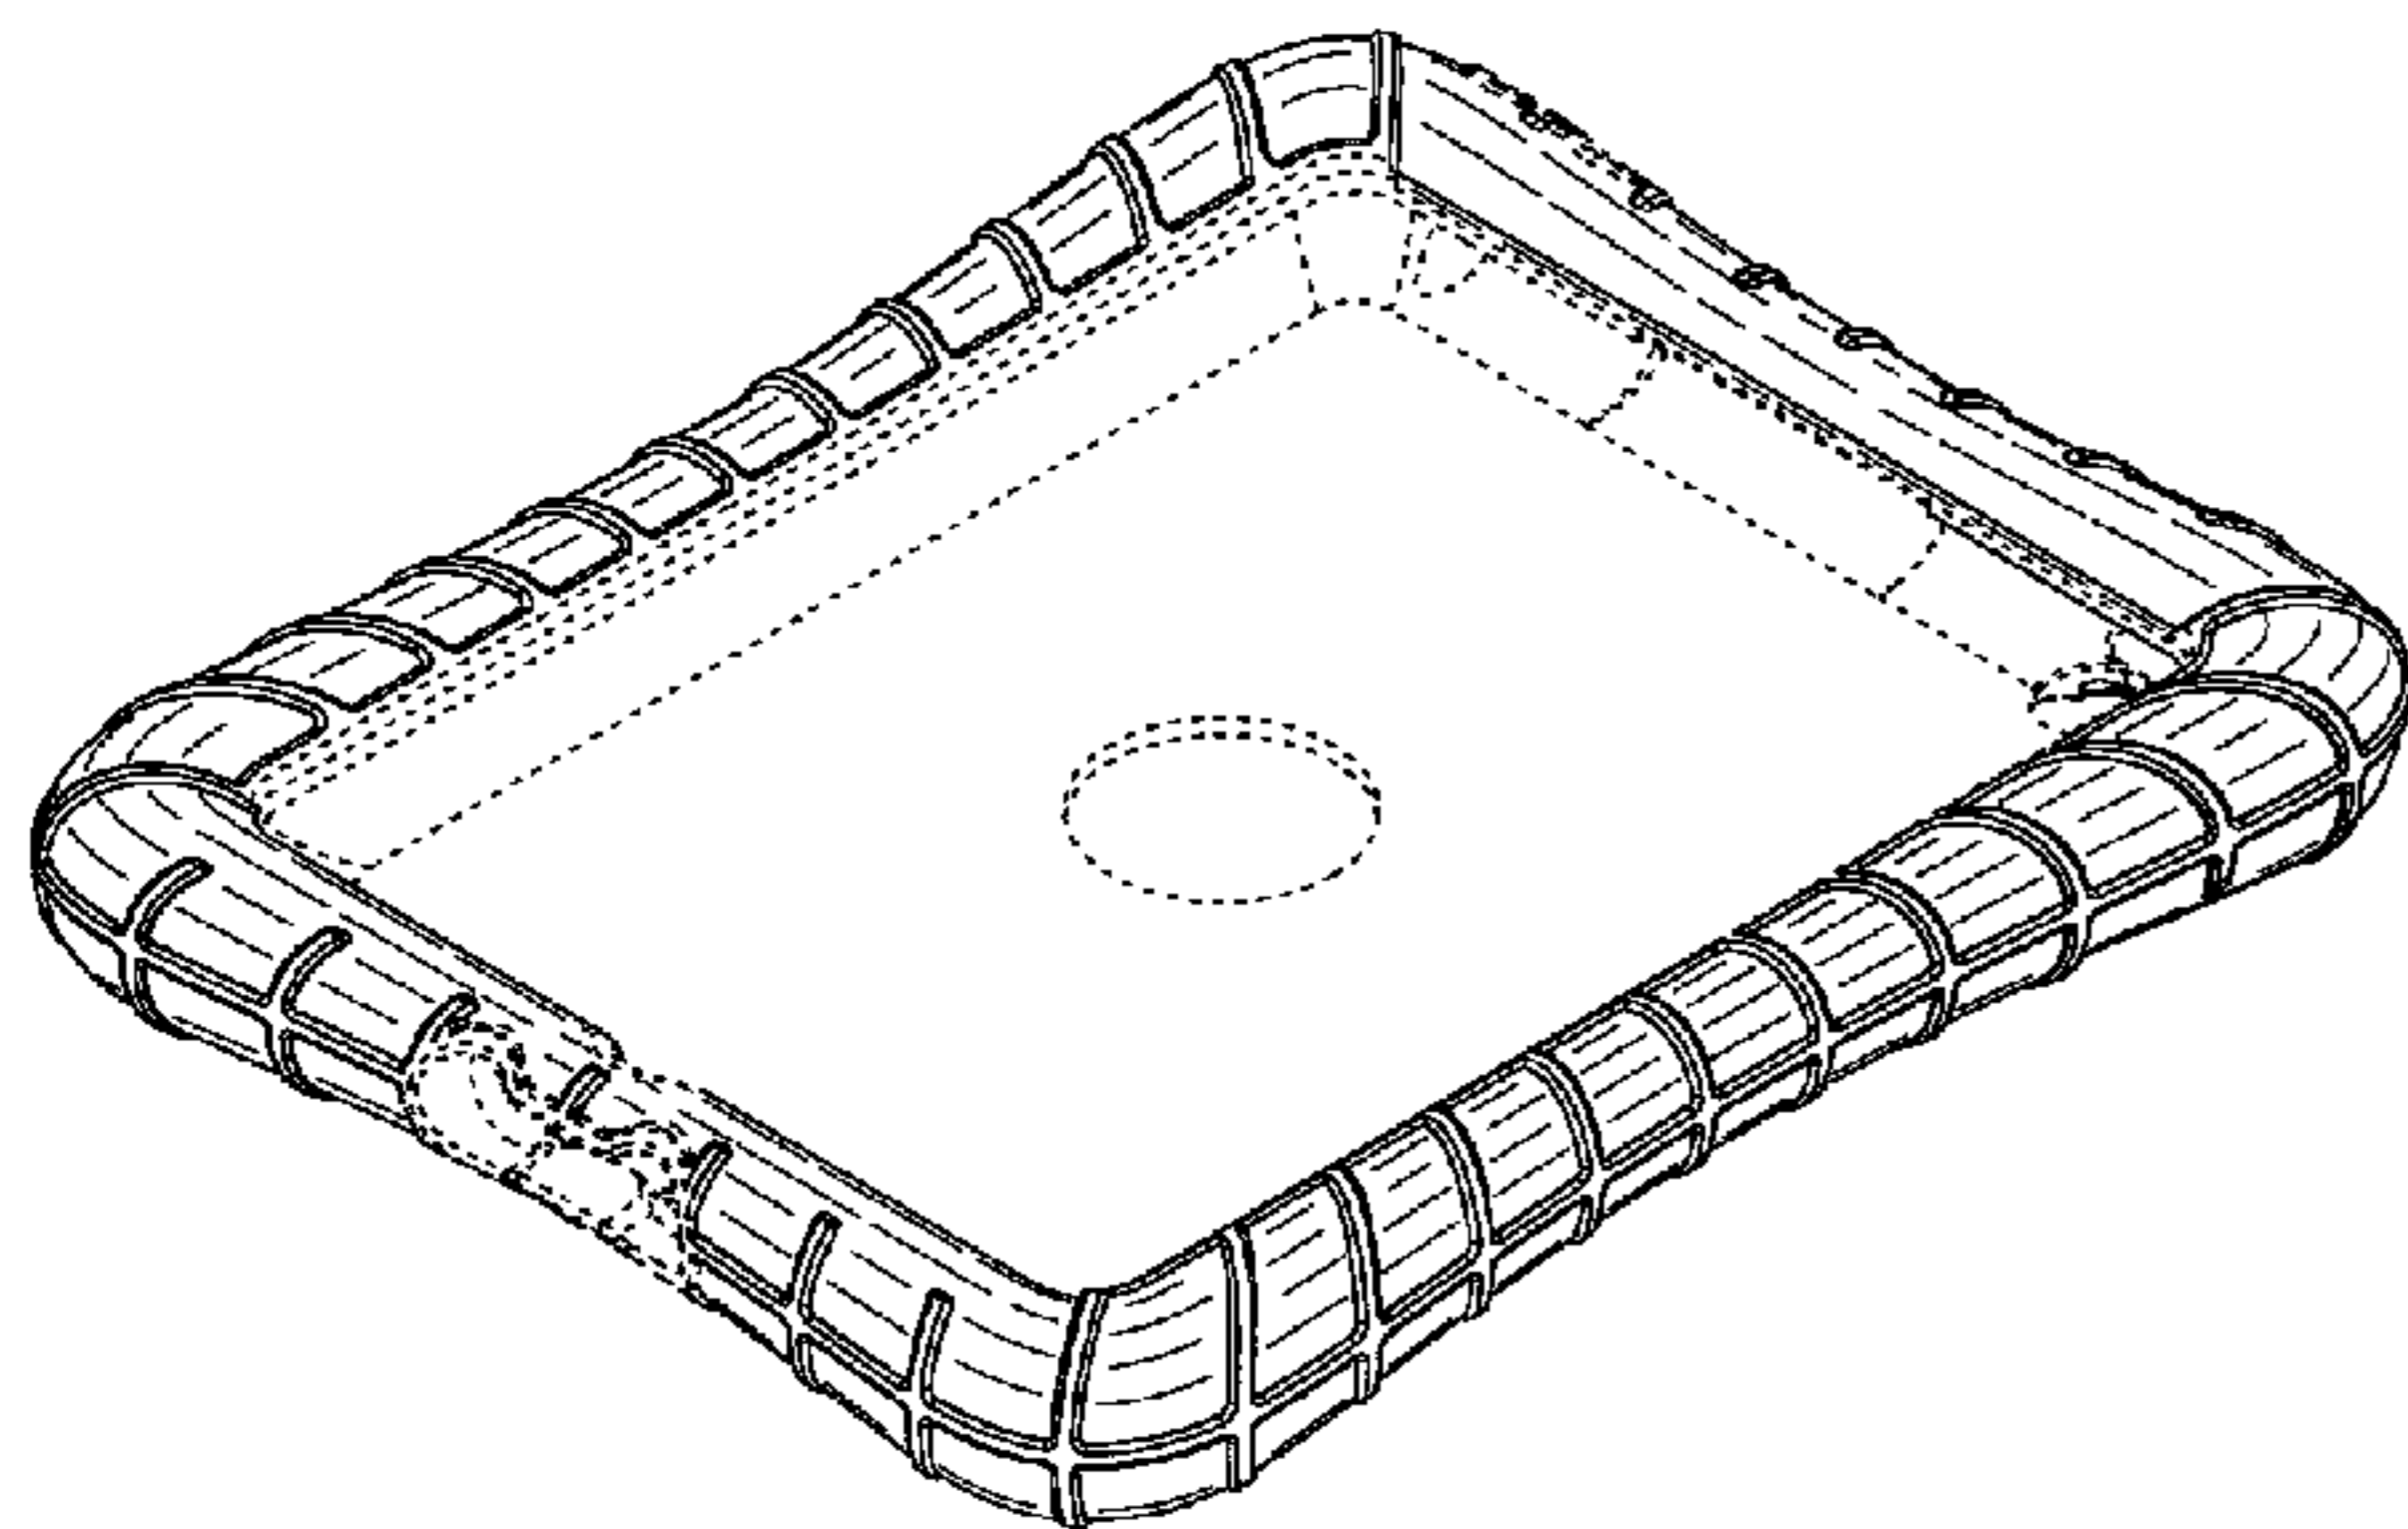

FIG. 6 is a side view of the longer, right side of the protective cover for an electronic device;

FIG. 7 is a rear view of the protective cover for an electronic device; and,

FIG. 8 is a rear perspective view of the protective cover for an electronic device.

The broken line showing of the protective cover for an electronic device is included for the purpose of illustrating environmental structure and forms no part of the claimed design.

1 Claim, 6 Drawing Sheets
