(57) **CLAIM**

The ornamental design for a forearm protector, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a forearm protector in accordance with my new design.

FIG. 2 is a top plan view thereof.

FIG. 3 is a bottom plan view thereof.

FIG. 4 is a left side plan view thereof.

FIG. 5 is a right side plan view thereof.

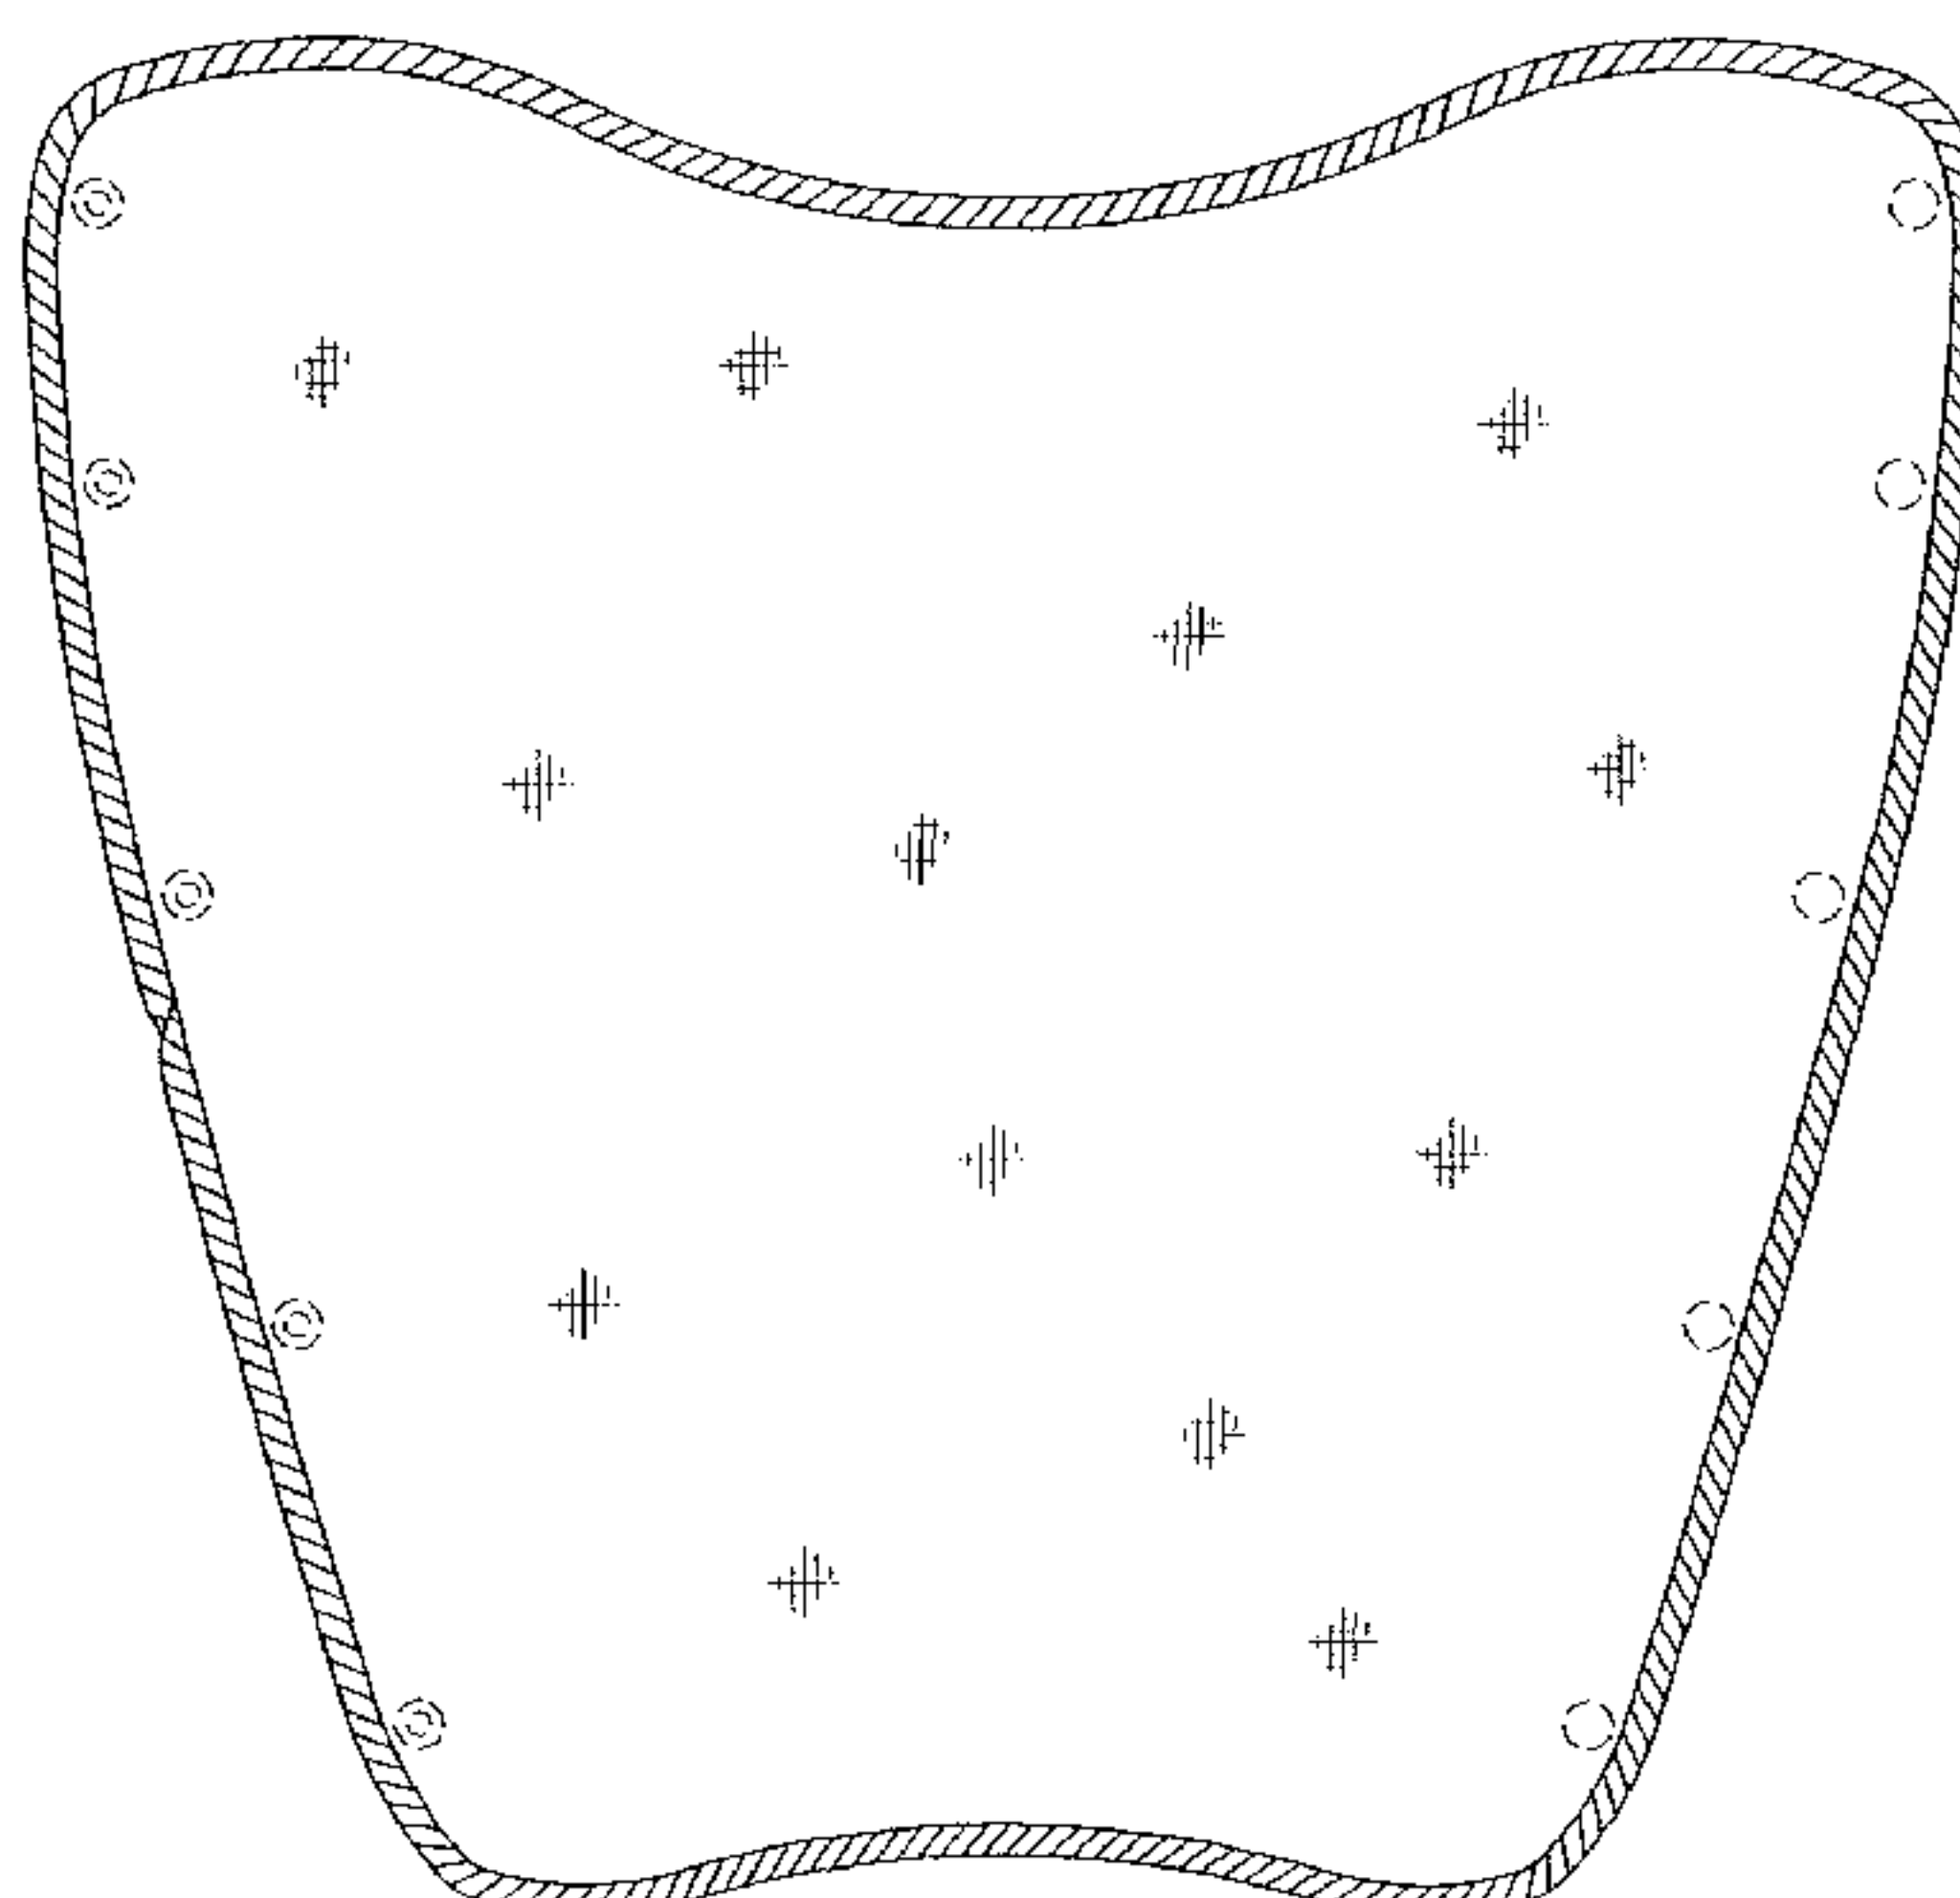

FIG. 6 is a rear elevational view thereof.

FIG. 7 is a front elevational view thereof as worn by a wearer, in which the wearer's palm faces substantially downward; and,

FIG. 8 is a front elevational view thereof as worn by a wearer, in which the wearer's palm faces substantially upward.

The broken lines in FIGS. 1-5 are to illustrate fasteners and form no part of the claimed design. The broken lines in FIG. 6 which are arranged in a circular fashion are to illustrate fasteners and form no part of the claimed design. The remaining broken lines in FIG. 6 represent stitching and form no part of the claimed design. The broken lines in FIG. 7 which are arranged in a circular fashion are to illustrate fasteners and form no part of the claimed design. The remaining broken lines in FIG. 7 are to illustrate environmental structure of a wearer's arm and hand only and form no part of the claimed design. The broken lines in FIG. 8 are to illustrate environmental structure of a wearer's arm and hand only and form no part of the claimed design.
