(57) **CLAIM**

The ornamental design for a pour spout with chiller rod, as shown and described.

DESCRIPTION

FIG. 1 is a perspective side view of the pour spout with chiller rod of the invention.

FIG. 2 is a front view of the pour spout with chiller rod.

FIG. 3 is a rear view of the pour spout with chiller rod.

FIG. 4 is a left side view of the pour spout with chiller rod.

FIG. 5 is an exploded right side view of the pour spout with chiller rod with the cover partially open.

FIG. 6 is a top end view of the pour spout with chiller rod.

FIG. 7 is a bottom end view with the cover closed; and,

FIG. 8 is a top end view taken along line 8-8 of FIG. 5.

The broken lines in the drawings are included for the purpose of illustration and form no part of the claimed design.

The article is a pour spot for a bottle opening, with a rod depending from the spout into the bottle.
