DESCRIPTION

FIG. 1 is a perspective view of a free-standing pond, from approximately 45 degrees above the horizontal, and to one side, illustrating the new, original, and ornamental design; FIG. 2 is a perspective view of the free-standing pond, from approximately 80 degrees above the horizontal, and to one side, illustrating the new, original, and ornamental design; FIG. 3 is a top plan view of the free-standing pond, illustrating the new, original, and ornamental design; FIG. 4 is an elevational view of the free-standing pond, from one side, illustrating the new, original, and ornamental design; and, FIG. 5 is an elevational view of the free-standing pond, from a side 90 degrees around from the view shown in FIG. 4, illustrating the new, original, and ornamental design. The broken lines shown in the drawings are included for the purpose of illustrating environmental structure and form no part of the claimed design.
