(57) **CLAIM**

The ornamental design for an automobile and/or a toy replica thereof, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front and left side perspective view of an automobile and/or a toy replica thereof;

FIG. 2 is a rear and right side perspective view thereof;

FIG. 3 is a front elevation view thereof;

FIG. 4 is a rear elevation view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a left side elevation view thereof; and,

FIG. 7 is a right side elevation view thereof.

The design for an automobile and/or a toy replica thereof is yellow in color except for the dark-colored patterns on the right side, left side, and rear of the article to which is dark grey in color.

The claimed design is indicated by the relatively dark portions in the drawings, while the relatively light portions are environmental and form no part of the claimed design. The broken line showing of the automobile and/or the toy replica thereof is for purpose of illustrating environmental structure and forms no part of the claimed design.

1 Claim, 6 Drawing Sheets
