(58) **Field of Classification Search**
USPC D14/485-495; 715/700-867, 973-977
See application file for complete search history.

The appearance of the animated user interface sequentially transitions between images shown in FIGS. 1-20. The process or period in which one image transitions to another image forms no part of the claimed design.

The broken line showing of the remainder of the humanoid shapes and the display screen is for environmental purposes only and forms no part of the claimed design.
