(57) **CLAIM**

The ornamental design for an electronic display with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of an electronic display with graphical user interface;
FIG. 2 is a front view of a second embodiment of the electronic display with graphical user interface;
FIG. 3 is a front view of a third embodiment of the electronic display with graphical user interface; and,
FIG. 4 is a front view of a fourth embodiment of the electronic display with graphical user interface.
The broken lines in the drawings are included for the purpose of illustrating environmental structure and form no part of the claimed design. The broken lines showing of portions of the electronic device form no part of the claimed design.
