(57) **CLAIM**

The ornamental design for display screen with graphical user interface, as shown and described.

DESCRIPTION

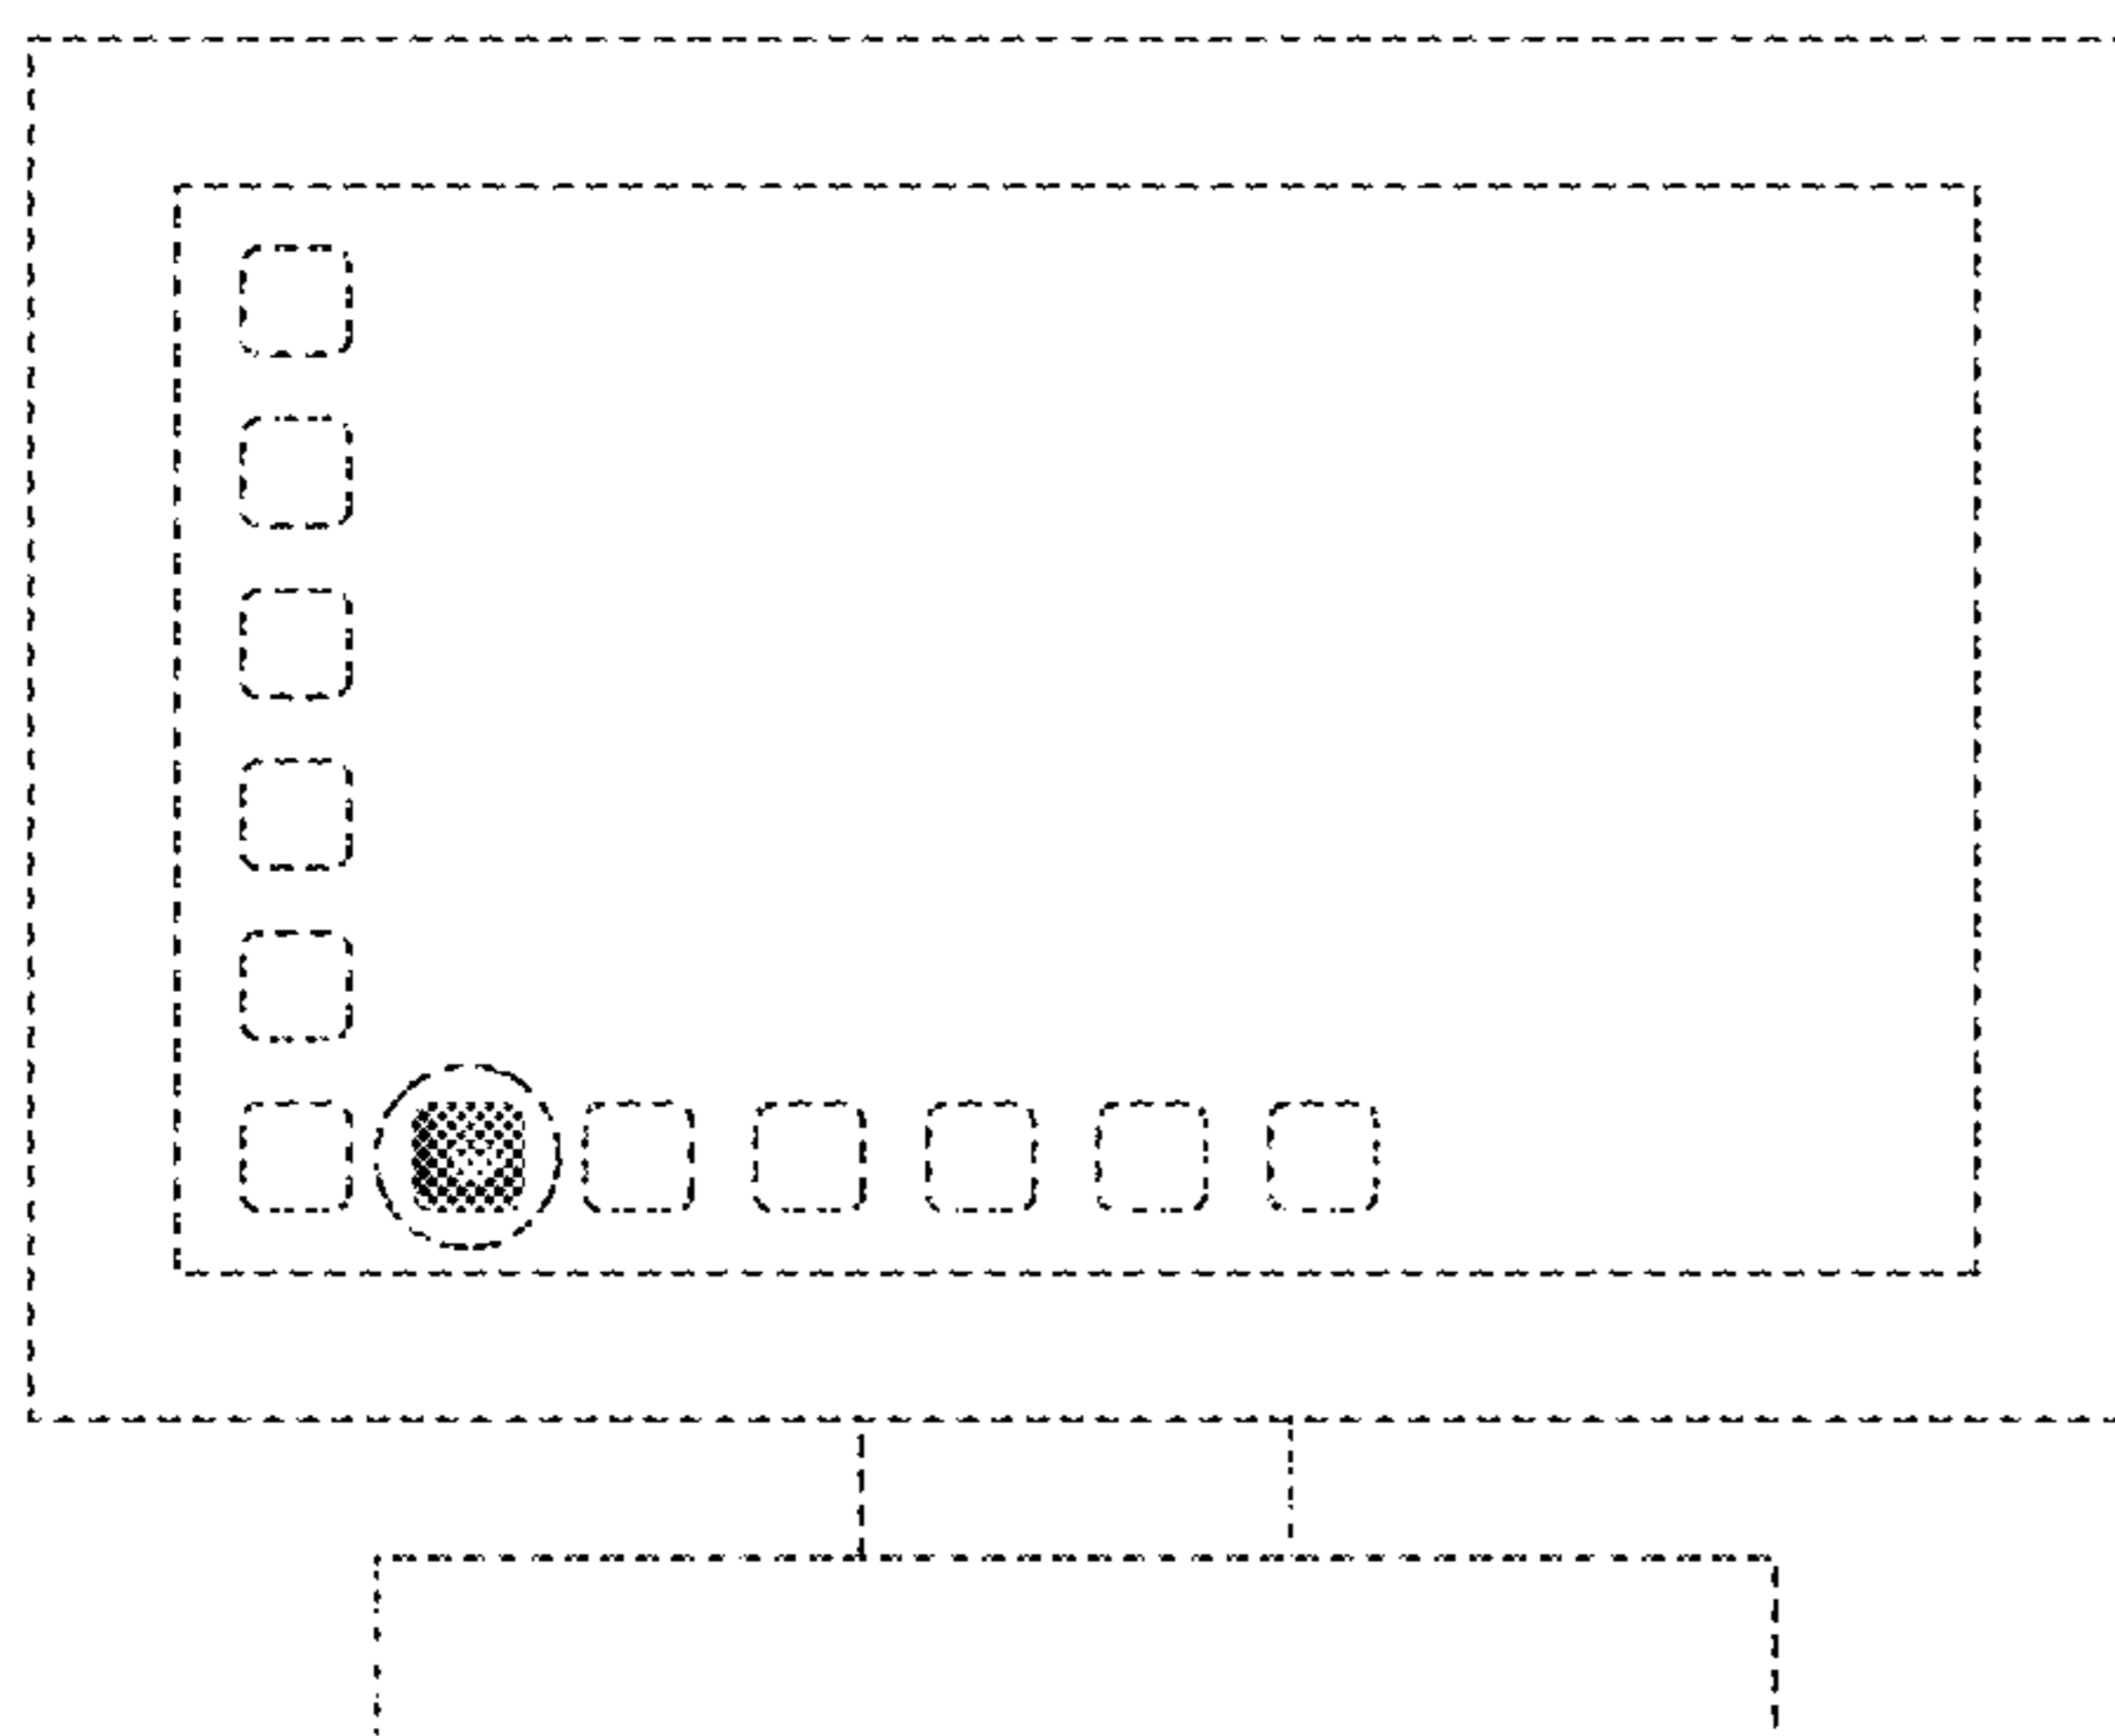

FIG. 1 is a front view of a first embodiment of a display screen with graphical user interface showing the new design;

FIG. 2 is an enlarged view of the first embodiment of the display screen with graphical user interface; and,

FIG. 3 is an enlarged front view of a second embodiment of the display screen with graphical user interface.

The short-short broken line showing of a display screen and graphical user interface features represent portions of the design which form no part of the claimed design. The long-short broken line defines an enlarged view of the claimed design.
