(57) **CLAIM**

The ornamental design for a golf glove, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a back portion of the golf glove of this invention;

FIG. 2 is a plan view of a back portion of the golf glove of this invention;

FIG. 3 is a lateral side elevation view of the golf glove of this invention;

FIG. 4 is a medial side elevation view of the golf glove of this invention;

FIG. 5 is a plan view of a front portion of the golf glove of this invention;

FIG. 6 is an elevation view of an open wrist end portion of the golf glove of this invention; and,

FIG. 7 is an elevation view of a closed finger-tip end portion of the golf glove of this invention.

The thicker, shorter-incremented broken lines shown on the surface of the glove depict stitching and form a part of the claimed design. The thinner, longer-incremented broken lines depict unclaimed features of the article in which the claimed design is embodied. The different stippling shown in the index finger casing versus the stippling in the other finger casings indicates a contrast in texture between the respective sections.
