FIG. 4 is a plan view of the exterior of a purse in an open position in accordance with a first embodiment described herein.

FIG. 5 is an elevational view of the end of a purse with the front of the purse facing left in accordance with a first embodiment described herein.

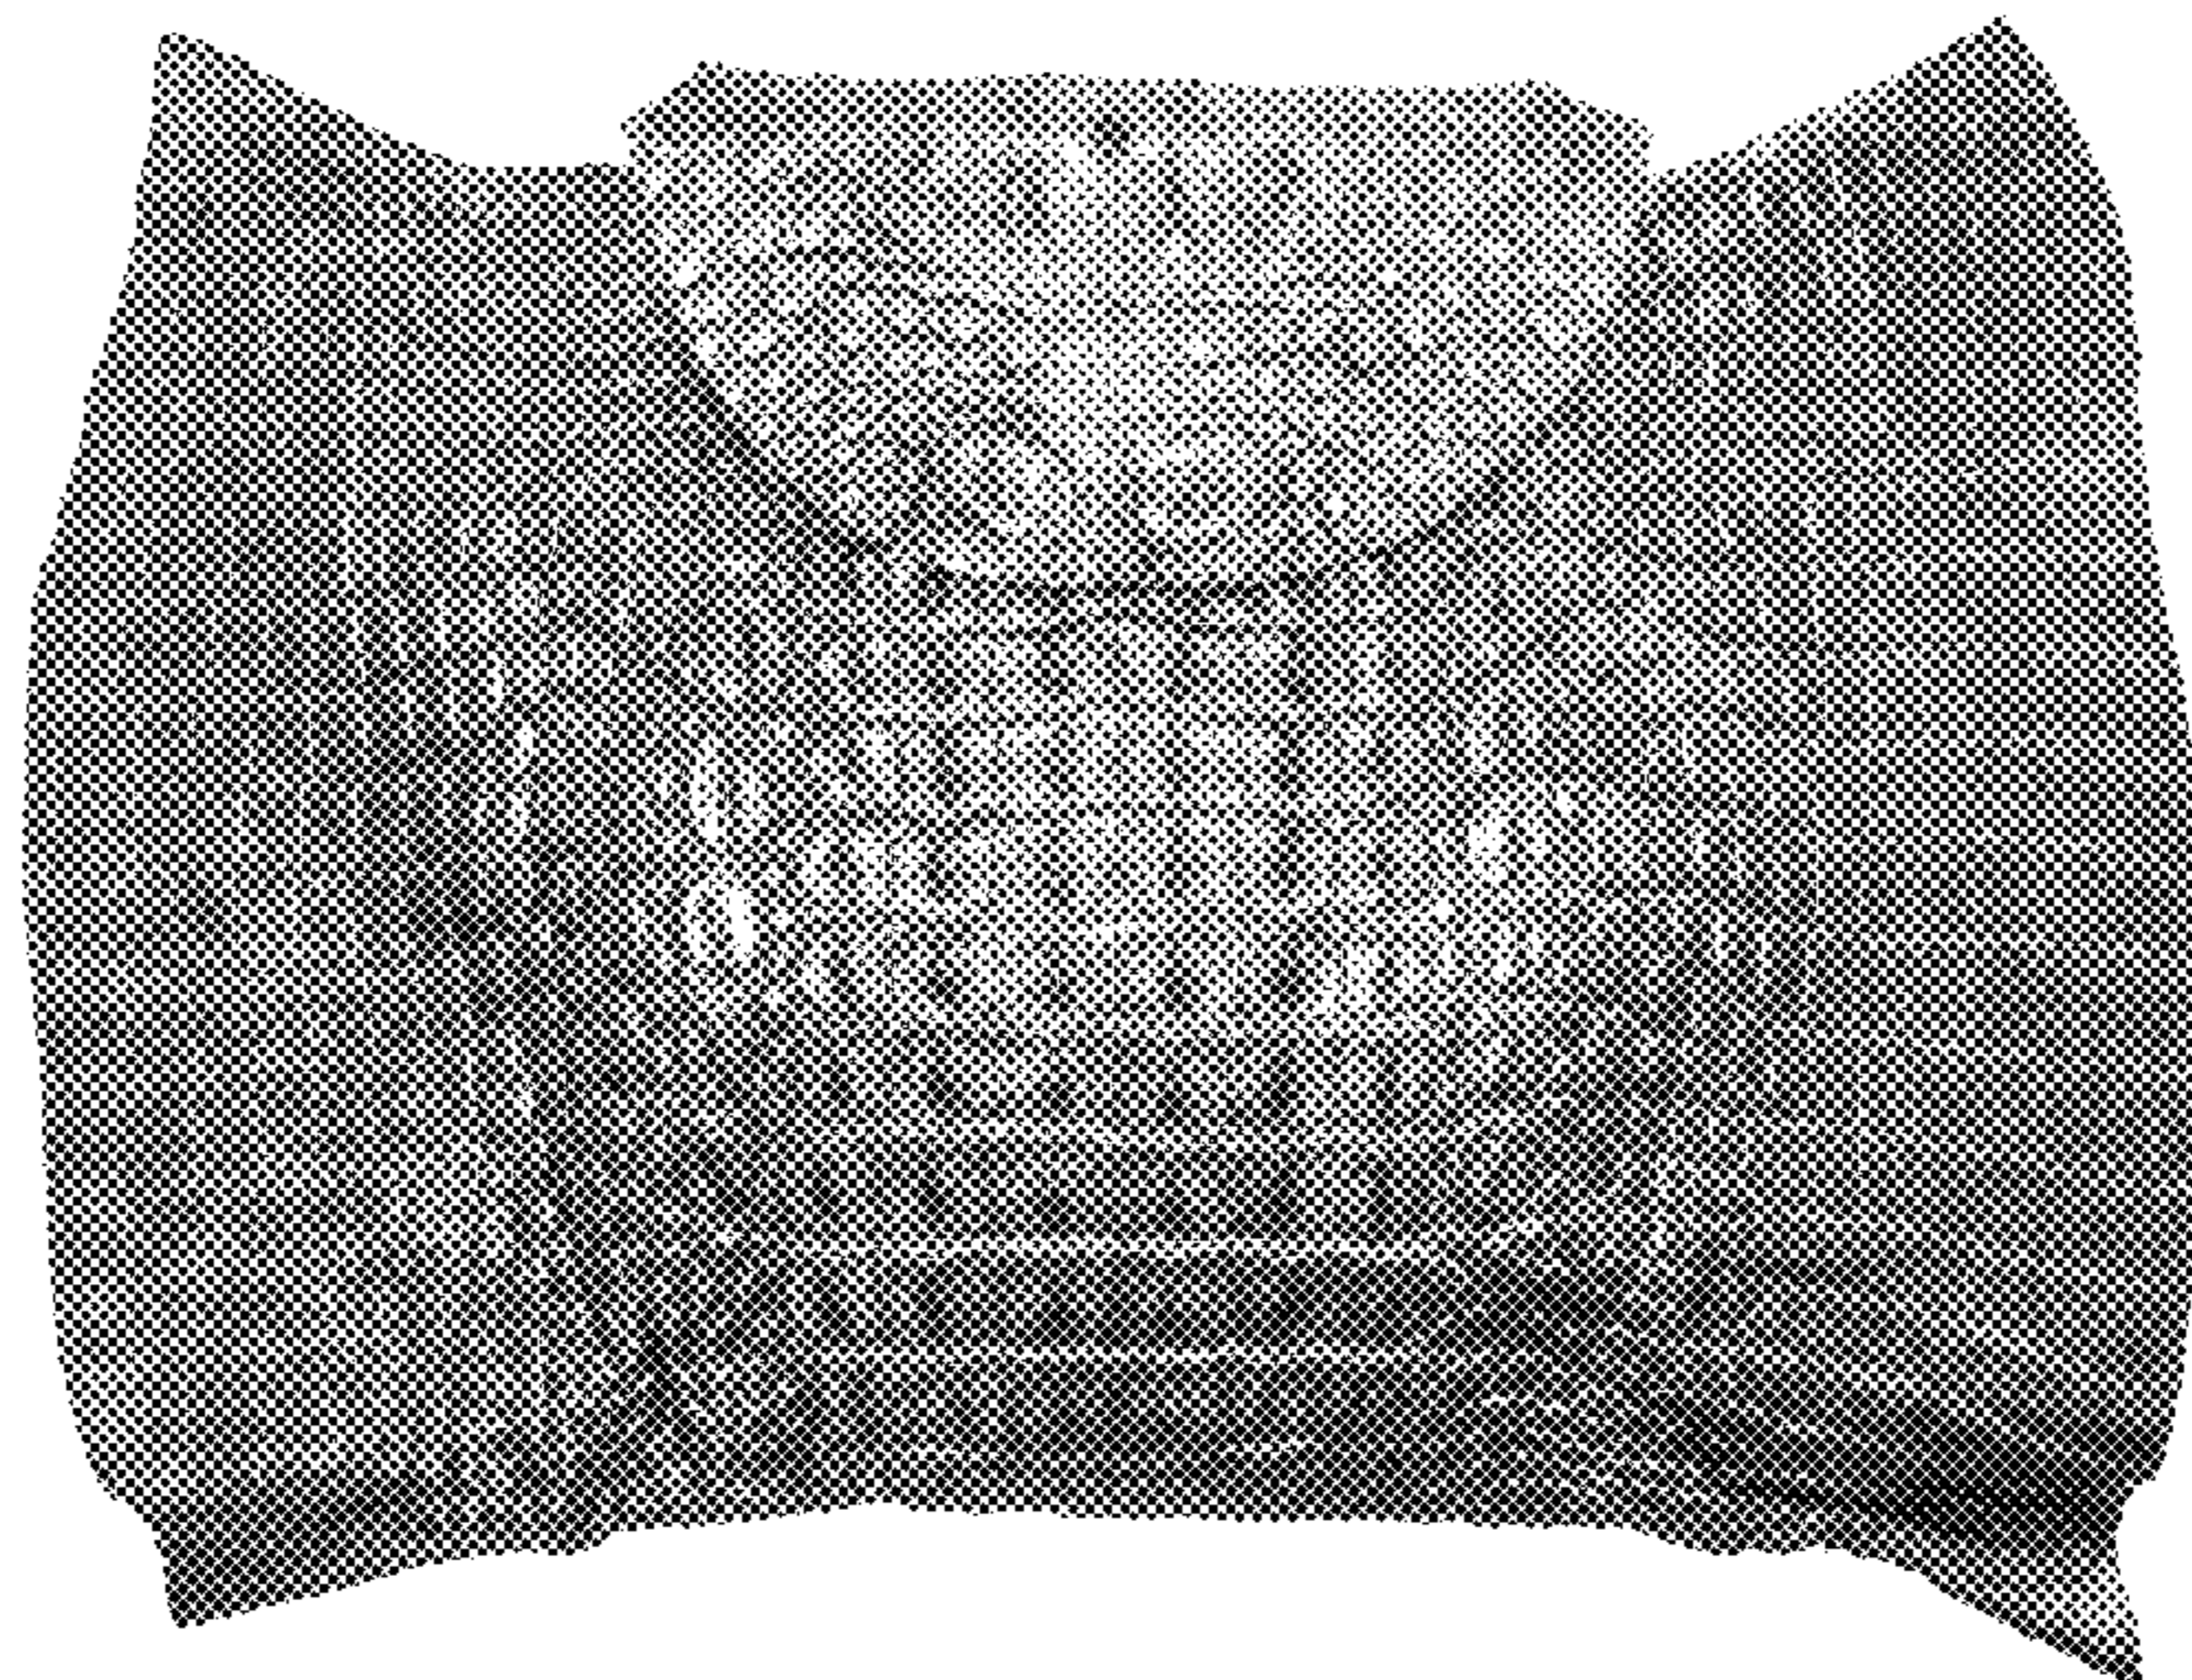

FIG. 6 is an elevational view of the other end of the purse with the front of the purse facing right in accordance with a first embodiment described herein.

FIG. 7 is an elevational view of the top of the purse in accordance with a first embodiment described herein; and,

FIG. 8 is an elevational view of the bottom of the purse in accordance with a first embodiment described herein.

The dotted and shaded areas in FIG. 11 represent slits along the striations of the horned back on the interior of the purse and are part of the claimed design. In FIG. 3, similar slits are present on the interior of the purse of the first embodiment and are part of the design but have not been emphasized in the drawing.
