(57) **CLAIM**

The ornamental design for a display screen with animated graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is the first image in a sequence for a display screen with animated graphical user interface showing the new design; FIG. 2 is the second image thereof; and, FIG. 3 is the third image thereof.

The appearance of the animated user interface sequentially transitions between the images shown in FIGS. 1-3. The process or period in which one image transitions to another forms no part of the claimed design.

The broken line showing of the remainder of the user interface and of the display screen is for environmental purposes only and forms no part of the claimed design.
