(57) **CLAIM**

The ornamental design for a portion of a display panel with a
user interface component, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a portion of a display
panel with a user interface component showing features of my
new design.

The broken lines including the showing of a portion of a
display panel of a communications terminal surrounding the
illustrated user interface are included for the purpose of illus-
trating environmental structure and form no part of the
claimed design.
