(57) **CLAIM**

The ornamental design for an electronic device with a screen,
as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an electronic device of the
present design showing the front, bottom and first side por-
tions of the device;

FIG. 2 a perspective view of an electronic device of the
present design showing the back, bottom, and second side
portions;

FIG. 3 is a front view of an electronic device of the present
design showing the front portion of the device;

FIG. 4 is a back view of an electronic device of the present
design showing the back portion of the device;

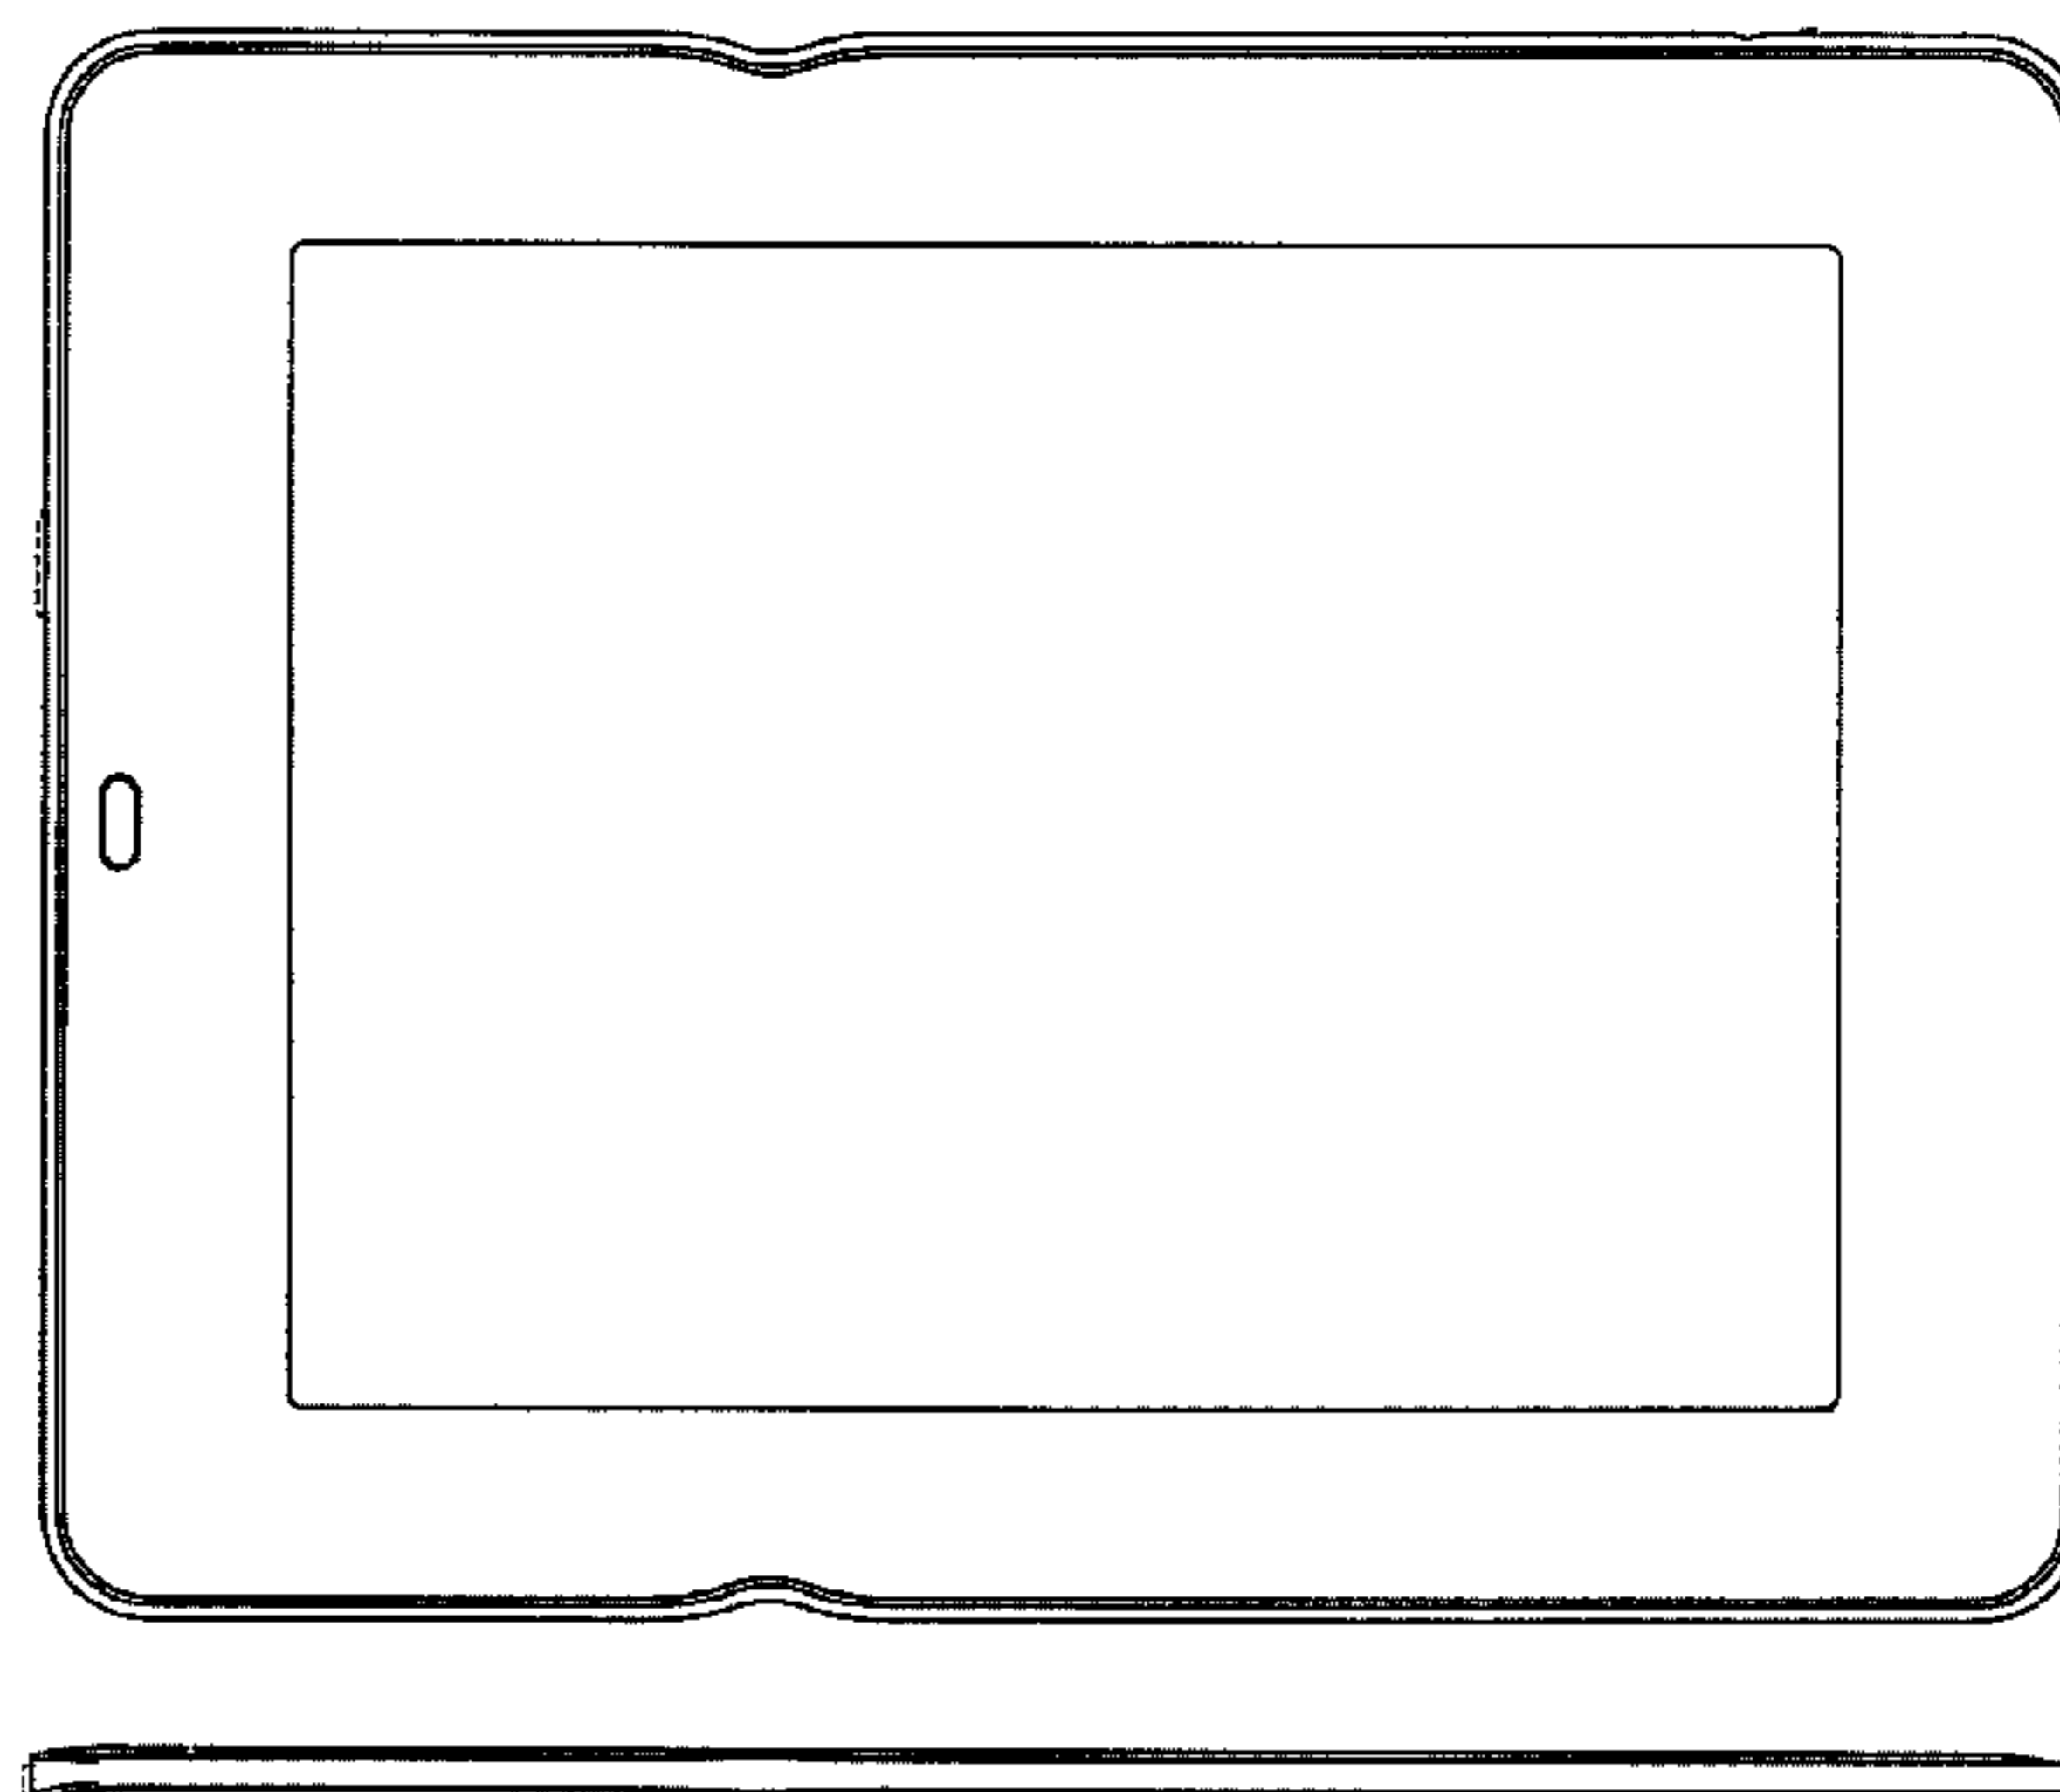

FIG. 5 is a top view of an electronic device of the present
design showing the top portion of the device;

FIG. 6 is a bottom view of an electronic device of the present
design showing the bottom portion of the device; and,

FIG. 7 is a side view of an electronic device of the present
design showing a first side portion of the device.

The broken lines on the back and lateral portions of the device
form no part of the claimed design.

1 Claim, 5 Drawing Sheets
