(57) **CLAIM**

The ornamental design for a stowable pet leash and collar, as shown and described.

DESCRIPTION

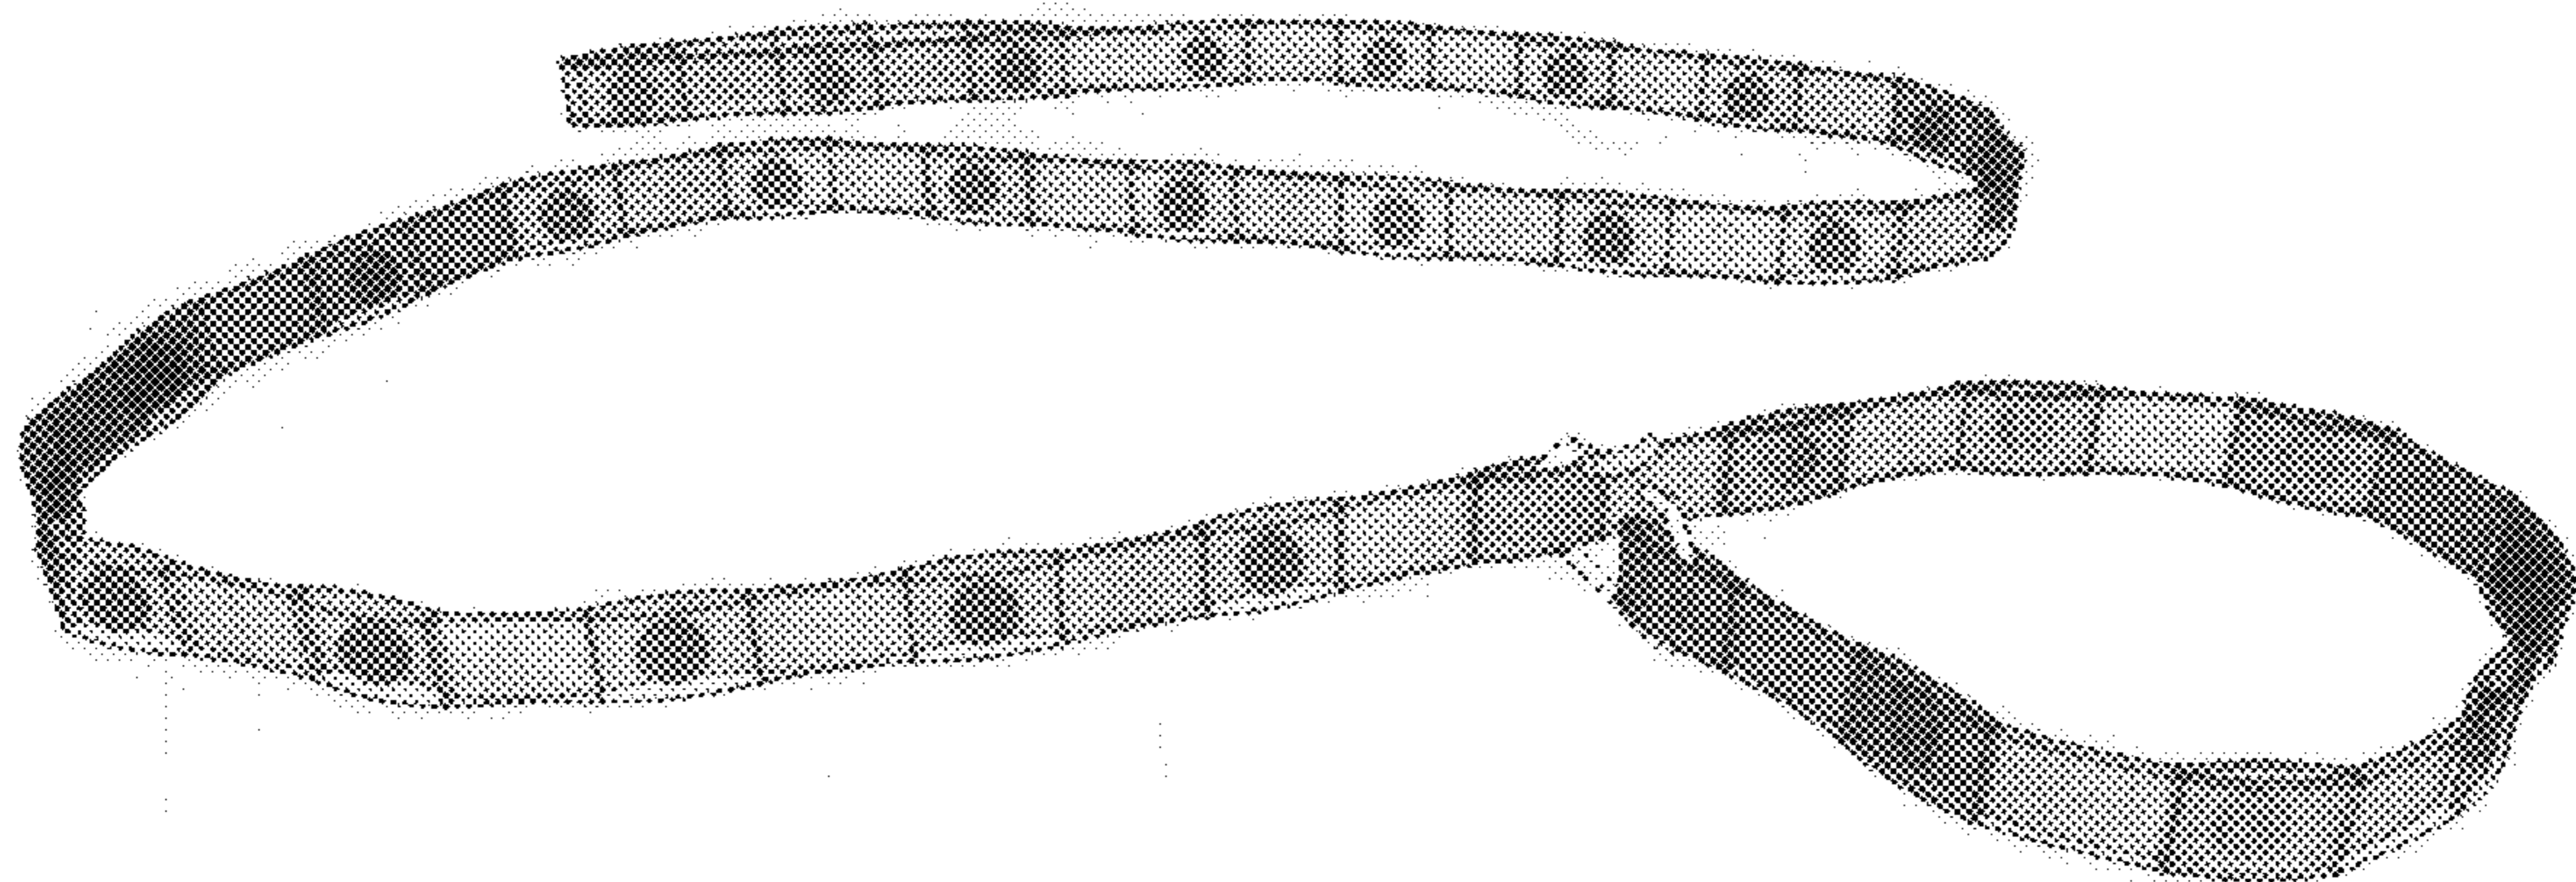

FIG. 1 is a perspective view of a stowable pet leash and collar combination showing my new design in a partially rolled condition;

FIG. 2 is a second perspective view in a partially rolled condition; and,

FIG. 3 is a perspective view in a fully extended condition.

The carabineer clip depicted by broken lines in the drawings has been shown to illustrate a portion of the stowable pet leash and collar that forms no part of the claimed design.
