(57) **CLAIM**

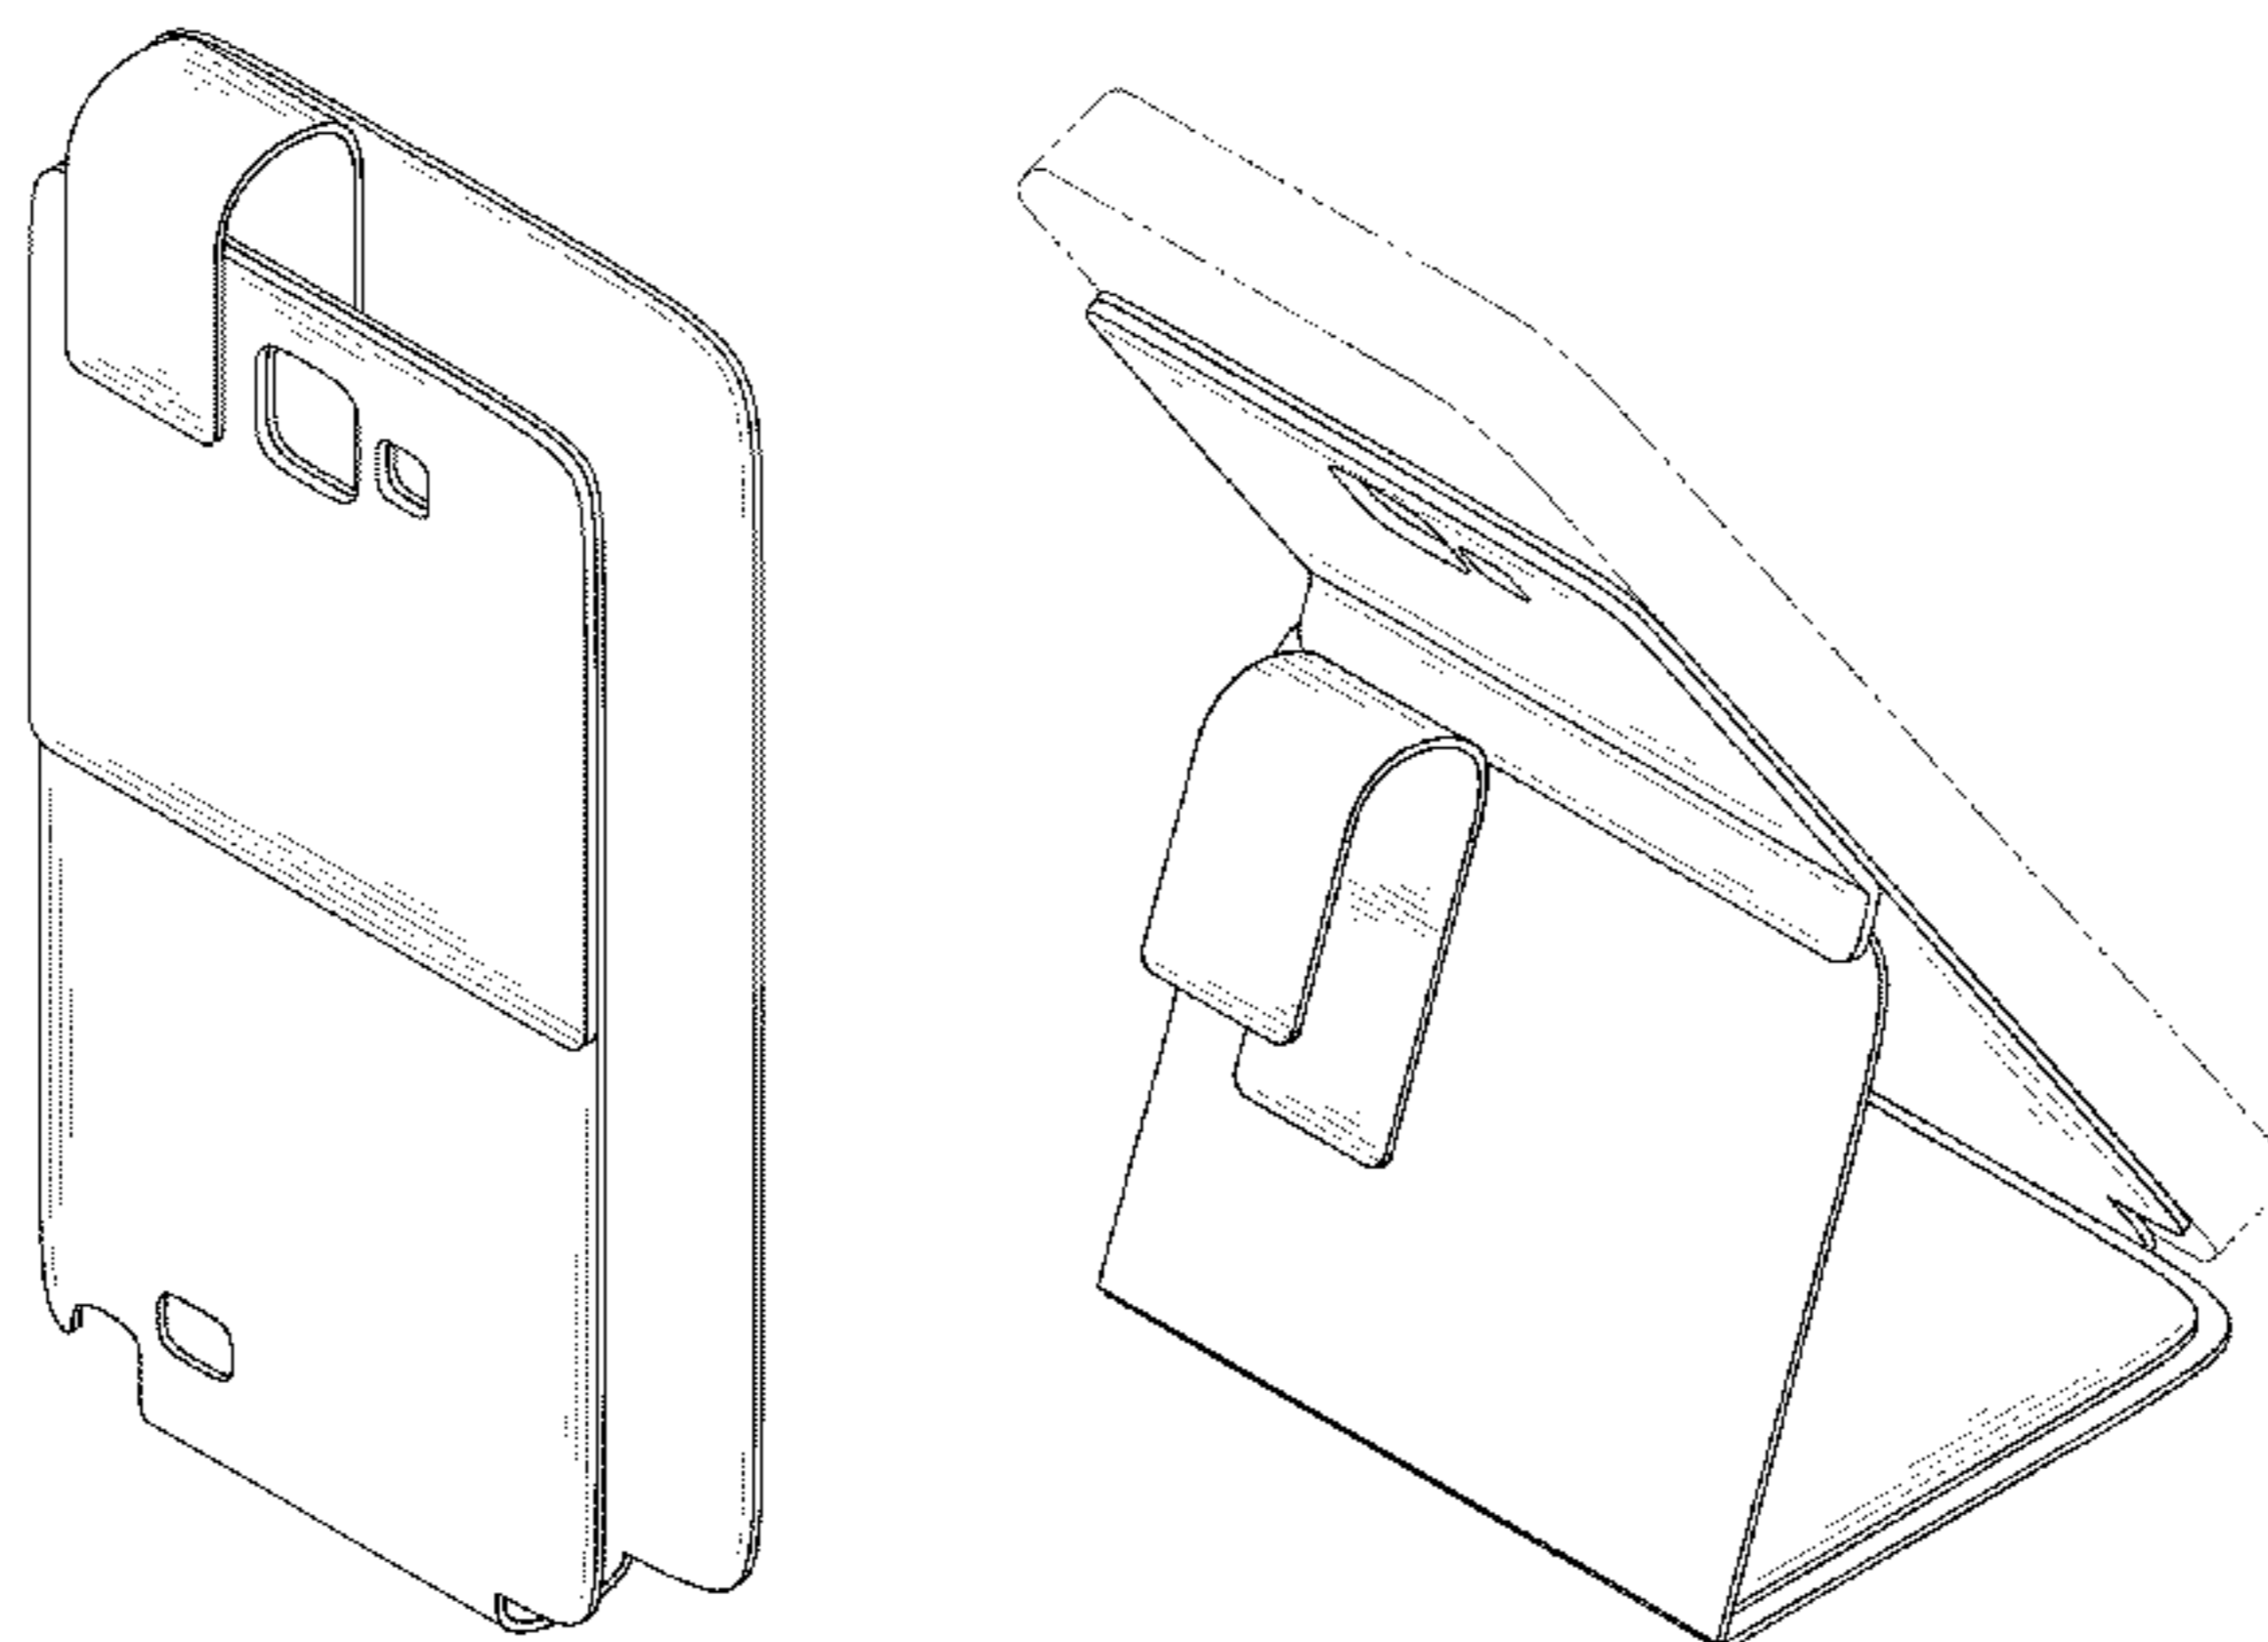

The ornamental design for a protecting case for portable electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a protecting case for portable electronic device showing my new design;
FIG. 2 is a front elevational view of the protecting case for portable electronic device;
FIG. 3 is a rear elevational view of the protecting case for portable electronic device;
FIG. 4 is a left side elevational view of the protecting case for portable electronic device;
FIG. 5 is a right side elevational view of the protecting case for portable electronic device;
FIG. 6 is a top plan view of the protecting case for portable electronic device;
FIG. 7 is a bottom plan view of the protecting case for portable electronic device;
FIG. 8 is a perspective view of the protecting case for portable electronic device in a receiving state;
FIG. 9 is a perspective view of the protecting case for portable electronic device as shown in FIG. 8 receiving a portable electronic device;
FIG. 10 is a perspective view of the protecting case for portable electronic device in a folded state; and,
FIG. 11 is perspective views of the protecting case for portable electronic device as shown in FIG. 10 supporting a portable electronic device.

The broken lines of all the figures are for the purpose of illustrating environment and form no part of the claimed design.
