(57) **CLAIM**

We claim the ornamental design of an ultrasound apparatus for dental use, as shown and described herein.

DESCRIPTION

FIG. 1 is a right perspective view of an ultrasound apparatus for dental use according to the new design.

FIG. 2 is a left perspective view of the ultrasound apparatus for dental use according to the new design.

FIG. 3 is a back view of the ultrasound apparatus for dental use according to the new design.

FIG. 4 is a front view of the ultrasound apparatus for dental use according to the new design.

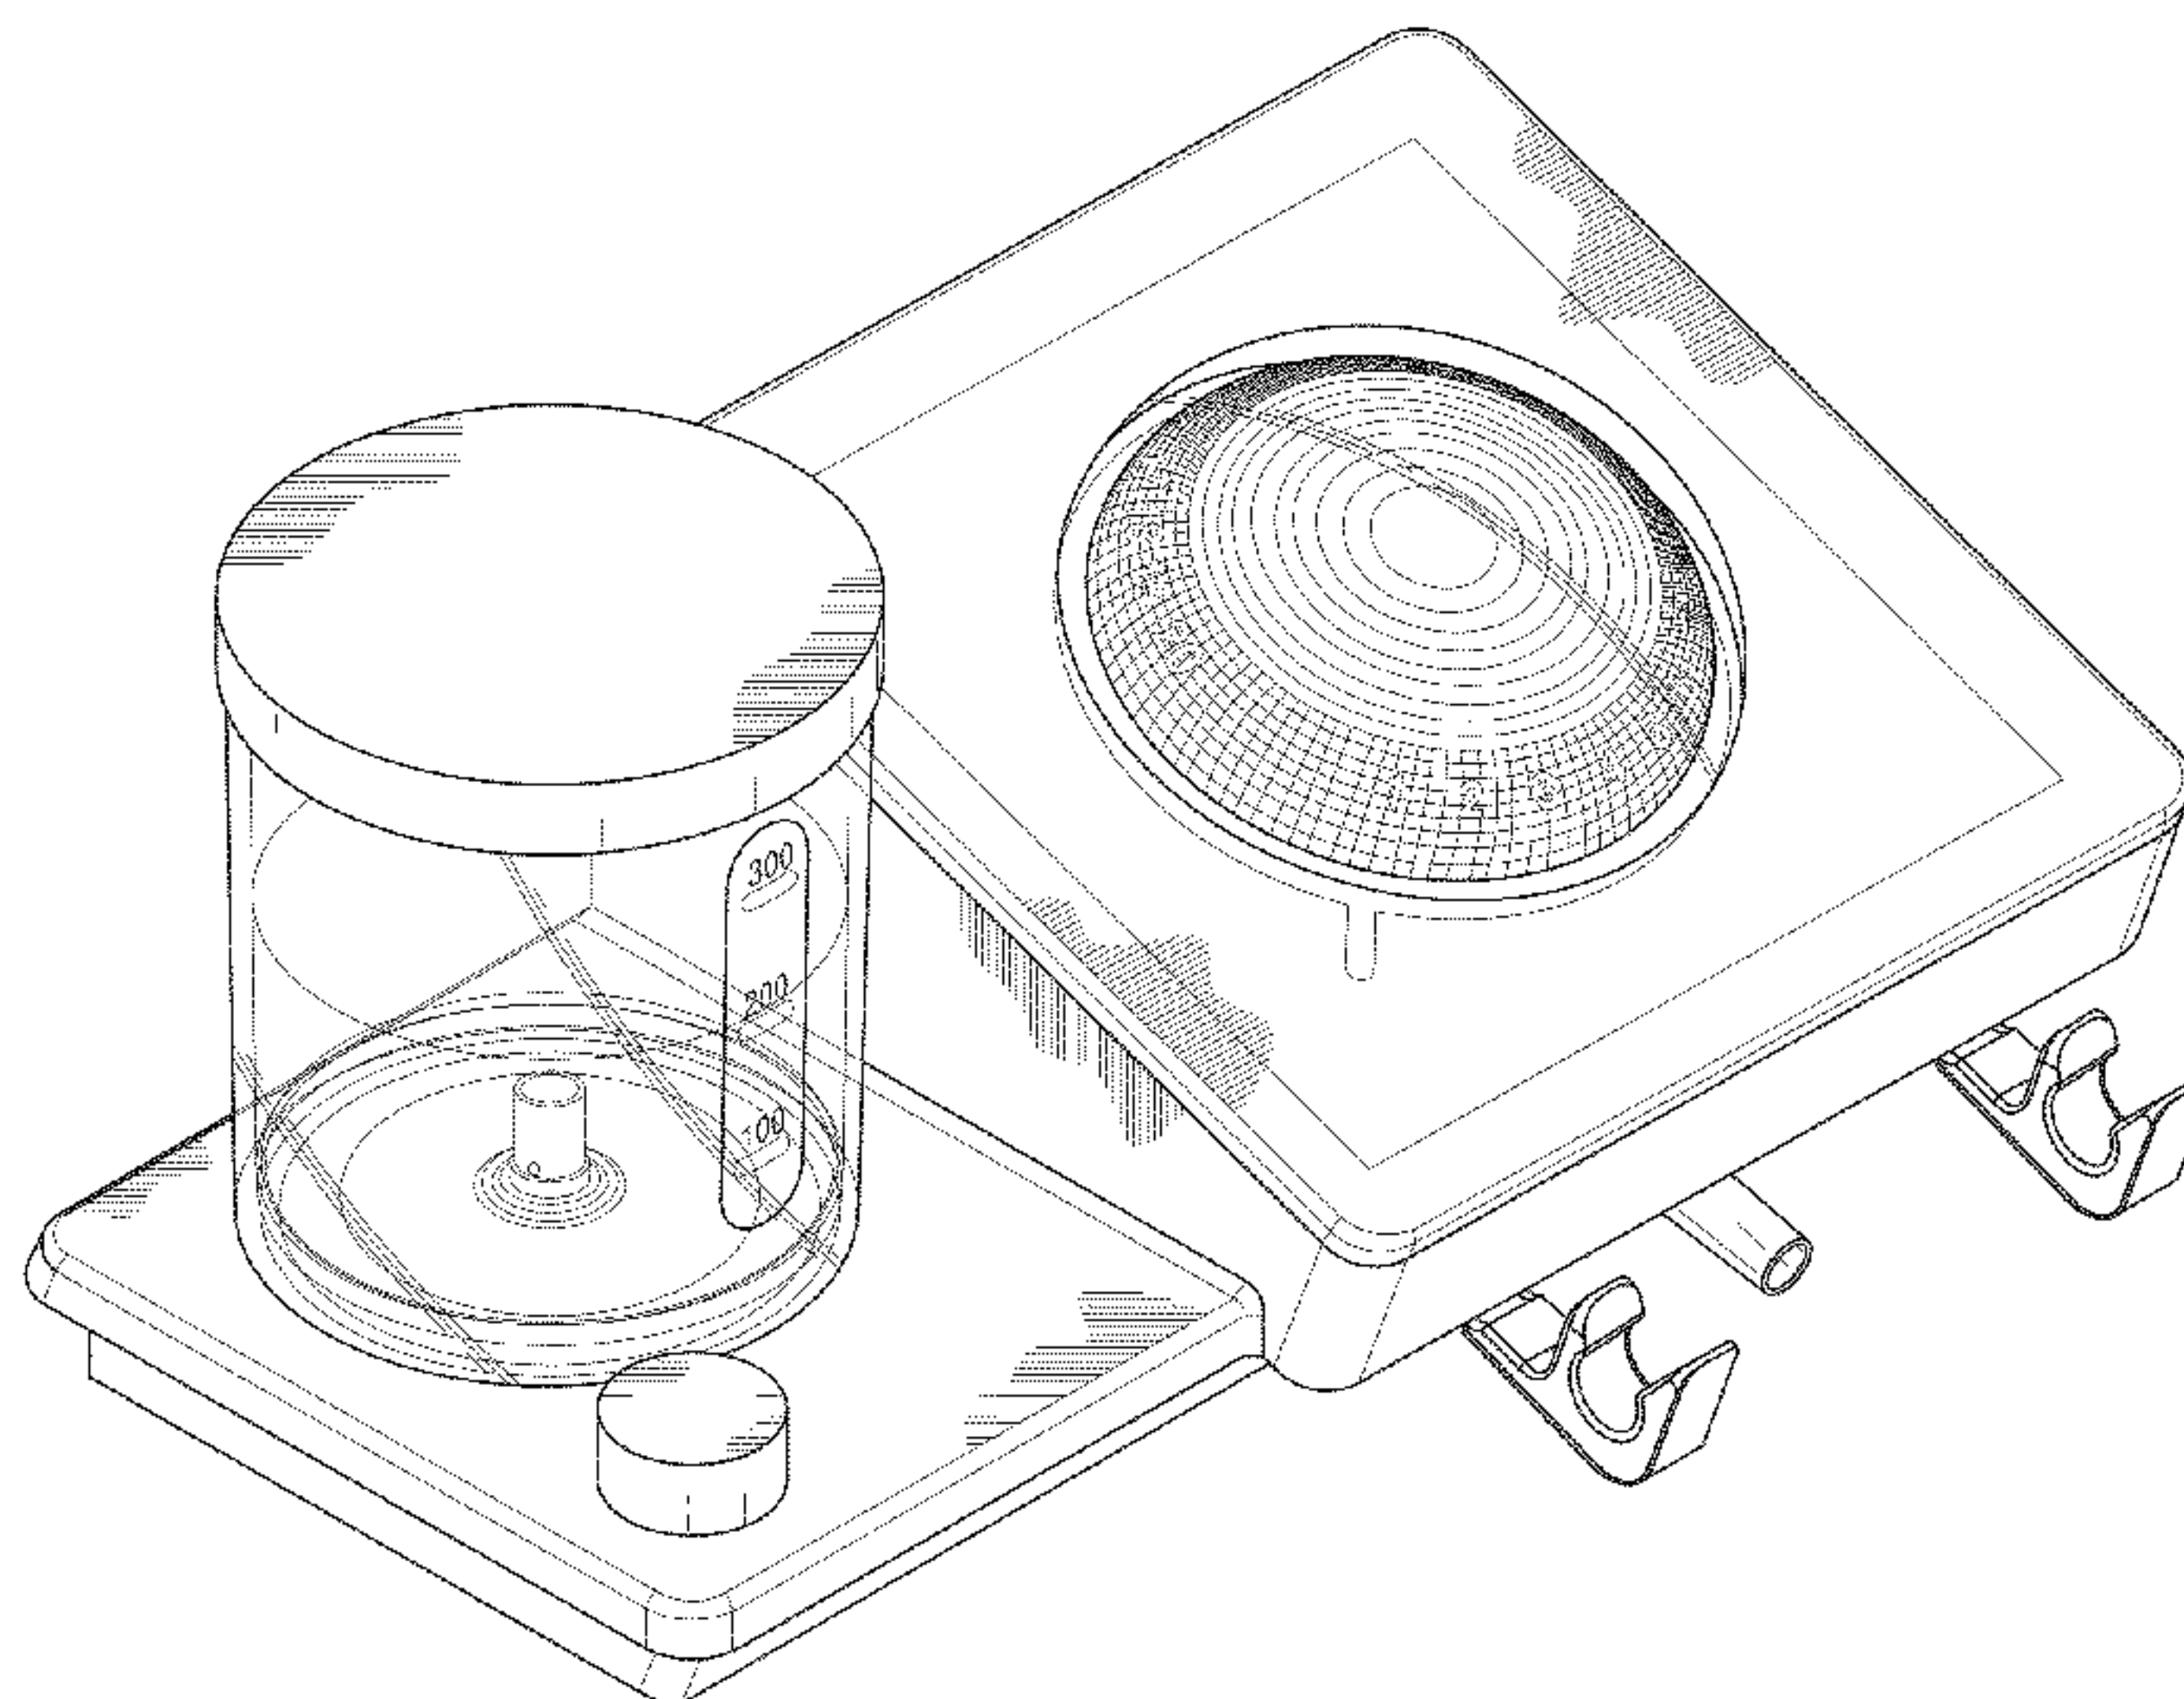

FIG. 5 is a right side view of the ultrasound apparatus for dental use according to the new design.

FIG. 6 is a left side view of the ultrasound apparatus for dental use according to the new design; and,

FIG. 7 is a top view of the ultrasound apparatus for dental use according to the new design.

The broken lines illustrate unclaimed portions of the ultrasound apparatus for dental use and form no part of the claimed design.
