(57) **CLAIM**

The ornamental design for a lantern nozzle, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the lantern nozzle showing our new design. The design is rounded, with all side views being identical, therefore one side elevational view is provided;

FIG. 2 is a top plan view of the nozzle;

FIG. 3 is a bottom plan view; and,

FIG. 4 is a perspective view taken from the top, side location, showing our new design for a lantern nozzle.
