(57) **CLAIM**

The ornamental design for a belt buckle with removable promotional item, as shown and described.

DESCRIPTION

FIG. 1 is an oblique view of the belt buckle with removable promotional item according to the present application.
 FIG. 2 is a front view of the belt buckle with removable promotional item according to the present application.
 FIG. 3 is a right side view of the belt buckle with removable promotional item according to the present application.
 FIG. 4 is a left side view of the belt buckle with removable promotional item according to the present application.
 FIG. 5 is a rear view of the belt buckle with removable promotional item according to the present application.
 FIG. 6 is a top view of the belt buckle with removable promotional item according to the present application. The bottom view is a mirror image of the top view.
 FIG. 7 is an exploded oblique view of the belt buckle with removable promotional item according to the present application; and,
 FIG. 8 is an exploded right side view of the belt buckle with removable promotional item according to the present application.
 The broken lines are included for the purpose of illustrating environmental structure and form no part of the claimed design.
