(57) **CLAIM**

We claim the ornamental design for a mobile phone case with lighter, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the invention from the front right side installed on a phone

FIG. 2 is a left side view of the invention installed on a phone

FIG. 3 is a front view of the invention installed on a phone

FIG. 4 is a perspective view of the front of the invention, not installed on a phone

FIG. 5 is a perspective view of the back of the invention, not installed on a phone

FIG. 6 is a top view of the invention installed on a phone

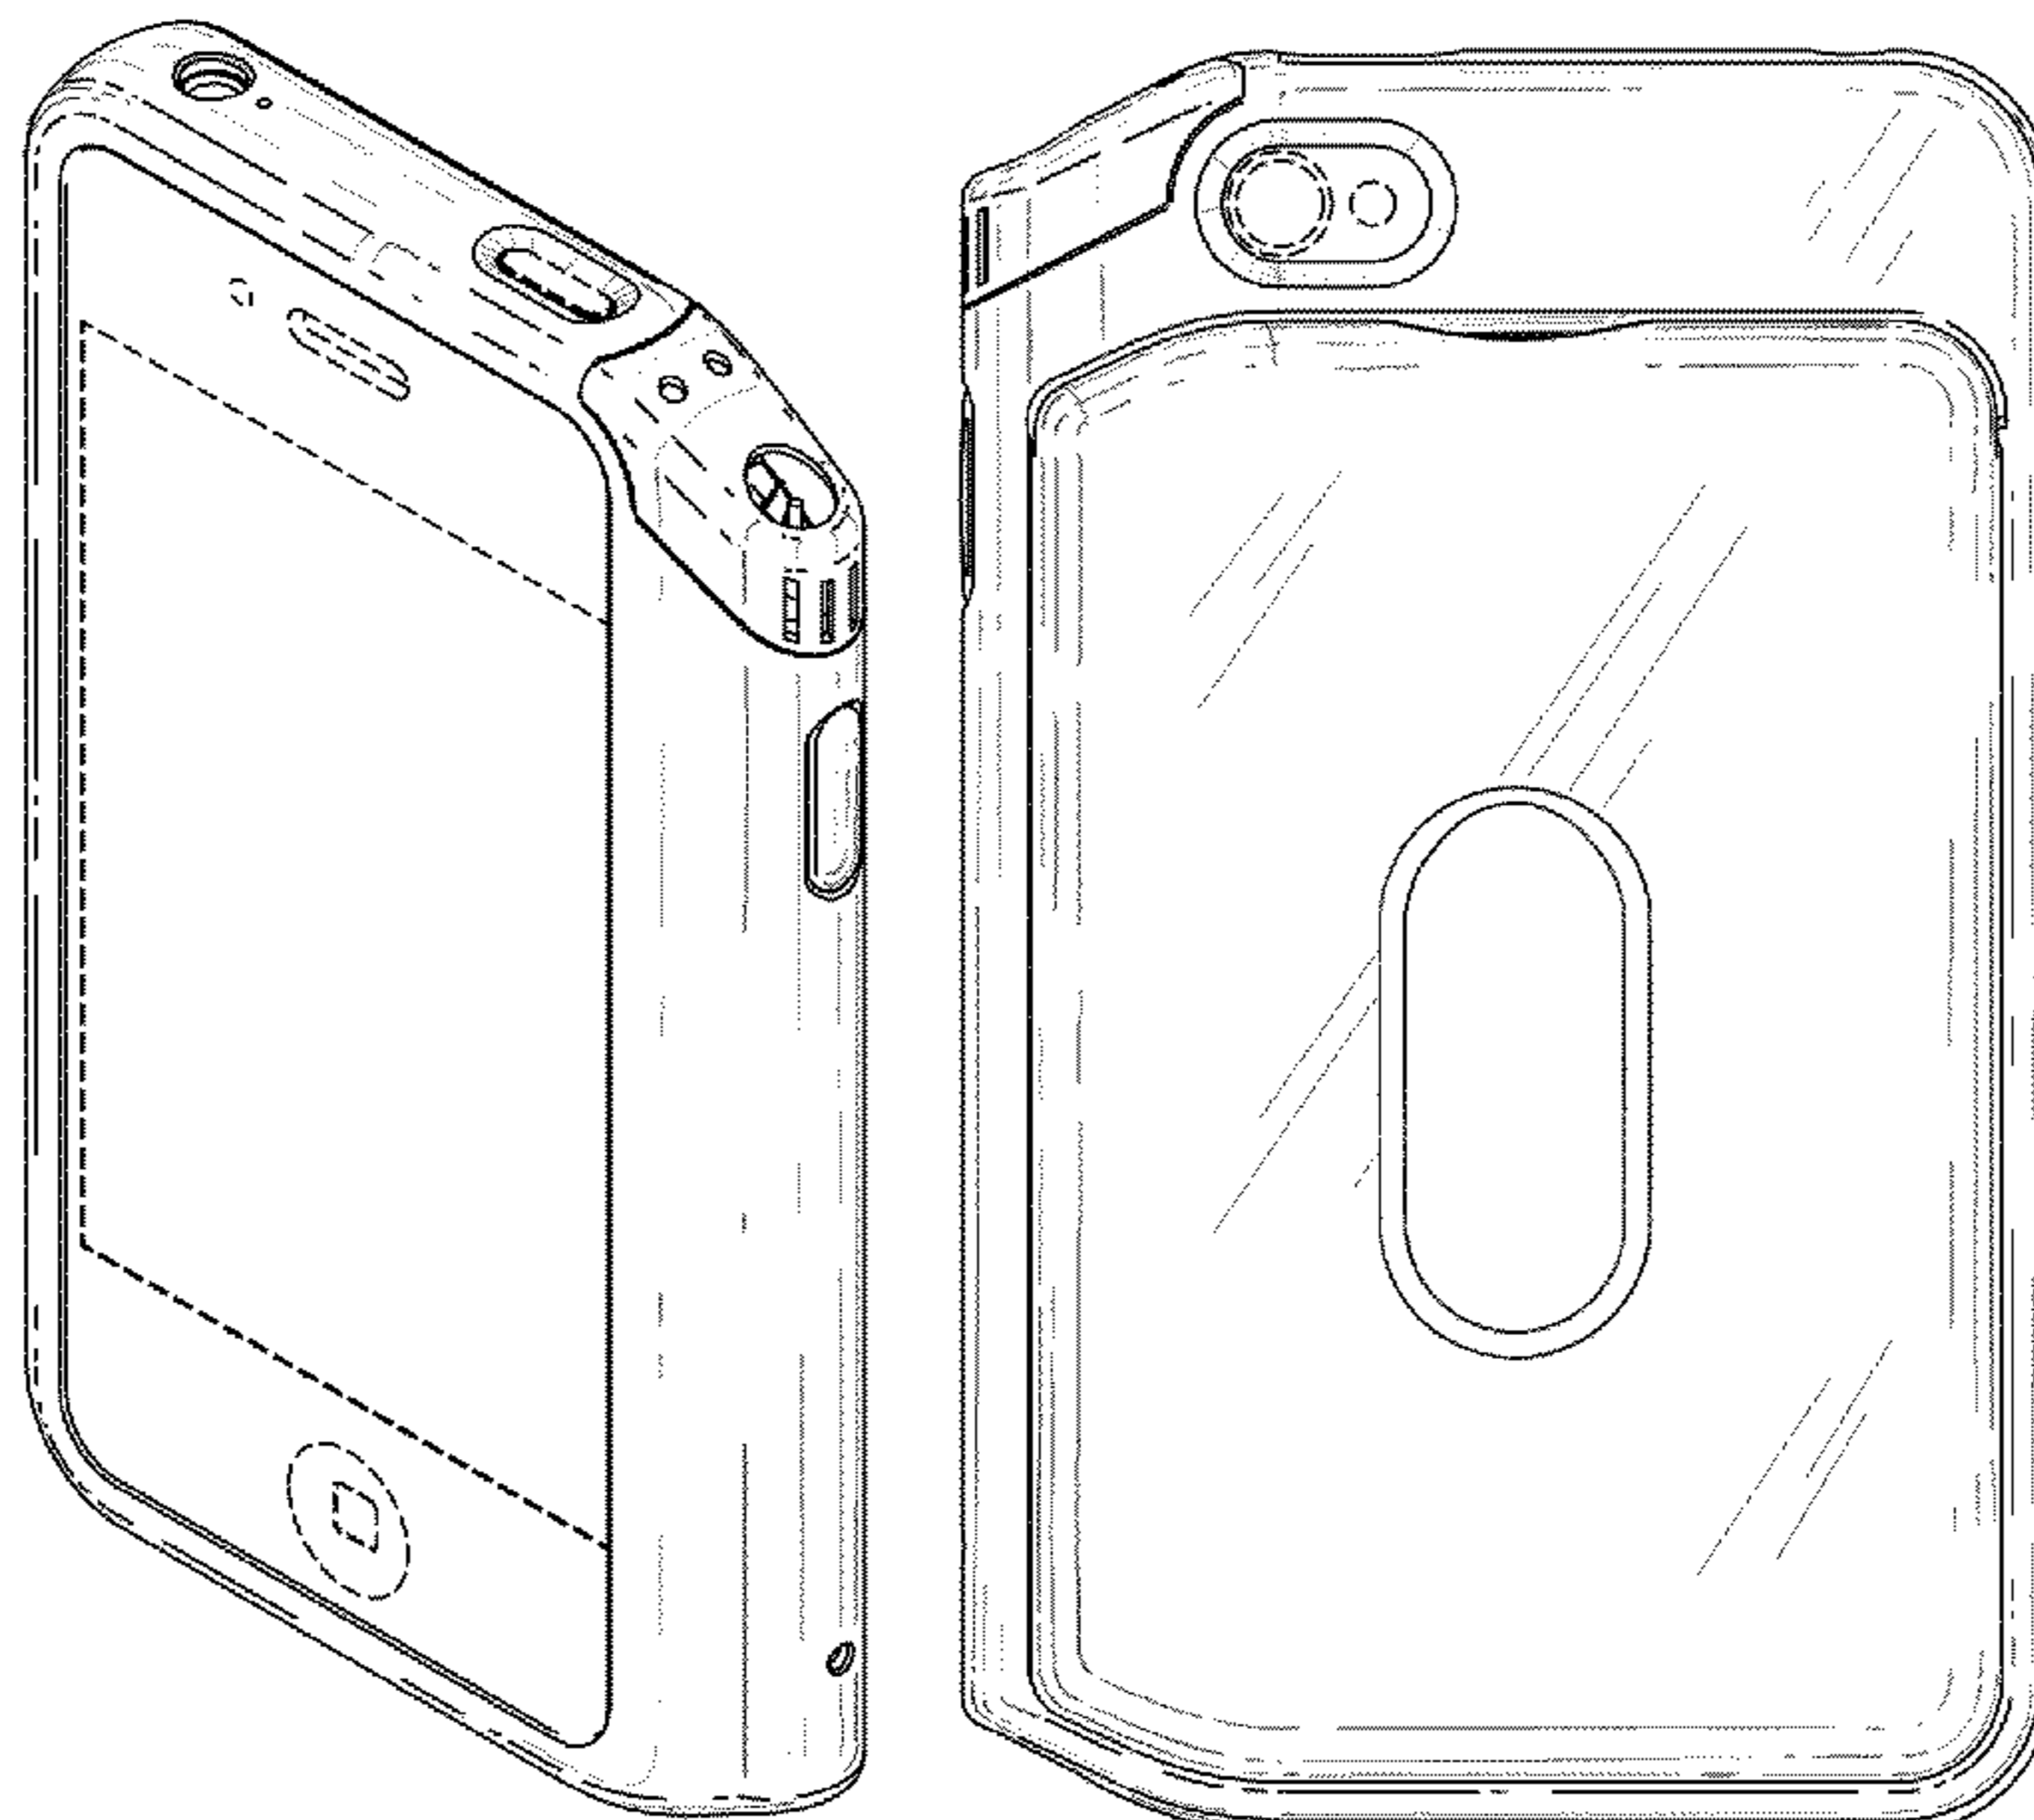

FIG. 7 is a bottom view of the invention not installed on a phone

FIG. 8 is a right side view of the invention not installed on a phone; and,

FIG. 9 is a back view of the invention, installed on a phone.

The broken line showing of the phone in FIGS. 1, 2, 3, 6, and 9 illustrates the environment of the claimed design and forms no part thereof.

1 Claim, 9 Drawing Sheets
