(57) **CLAIM**

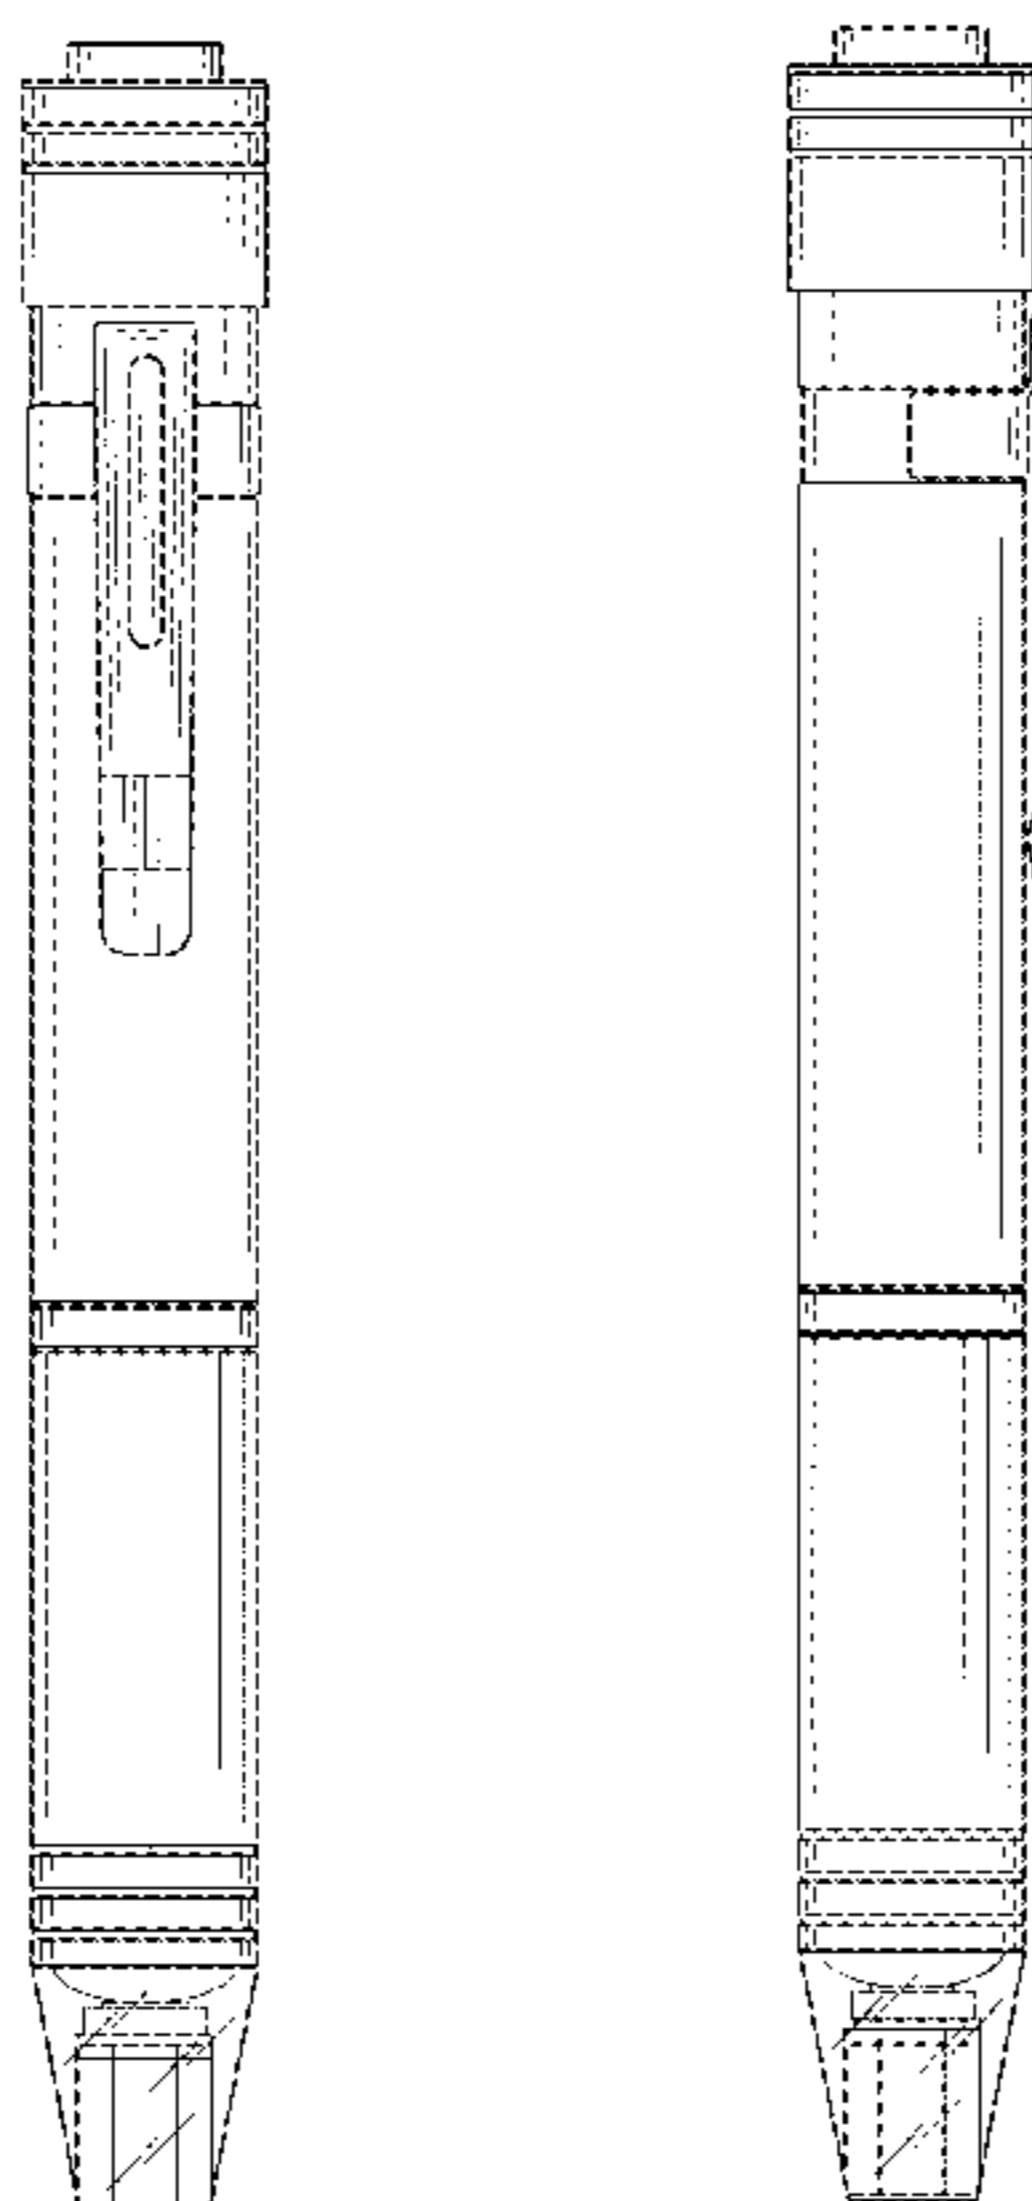

The ornamental design for a screwdriver with work area illuminator, as shown and described.

**DESCRIPTION**

FIG. 1 is a side-front perspective view of the screwdriver with work area illuminator, showing my design;  
FIG. 2 is a front elevational view thereof;  
FIG. 3 is rear elevational view thereof;  
FIG. 4 is a right side elevational view thereof;  
FIG. 5 is a left side elevational view thereof;  
FIG. 6 is a top plan view thereof; and,  
FIG. 7 is a side-front perspective view illustrating the screwdriver with work area illuminator in a condition of use, with a tool bit retained in the holding portion of the transparent tip and light shining through.

The broken lines illustrating a tool bit in FIG. 7 are directed to environment and form no part of the claim. The broken lines emanating from the transparent tip in FIG. 7 indicate rays of light.
