(57) **CLAIM**

We claim the ornamental design for a TV receiver with transitional graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a TV receiver with transitional graphical user interface showing a first image of our new design;

FIG. 2 is a front view thereof showing a second image of our new design; and,

FIG. 3 is a front view thereof showing a third image of our new design.

The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-3. The process or period in which one image transitions to another image forms no part of the claimed design.
