(57) **CLAIM**

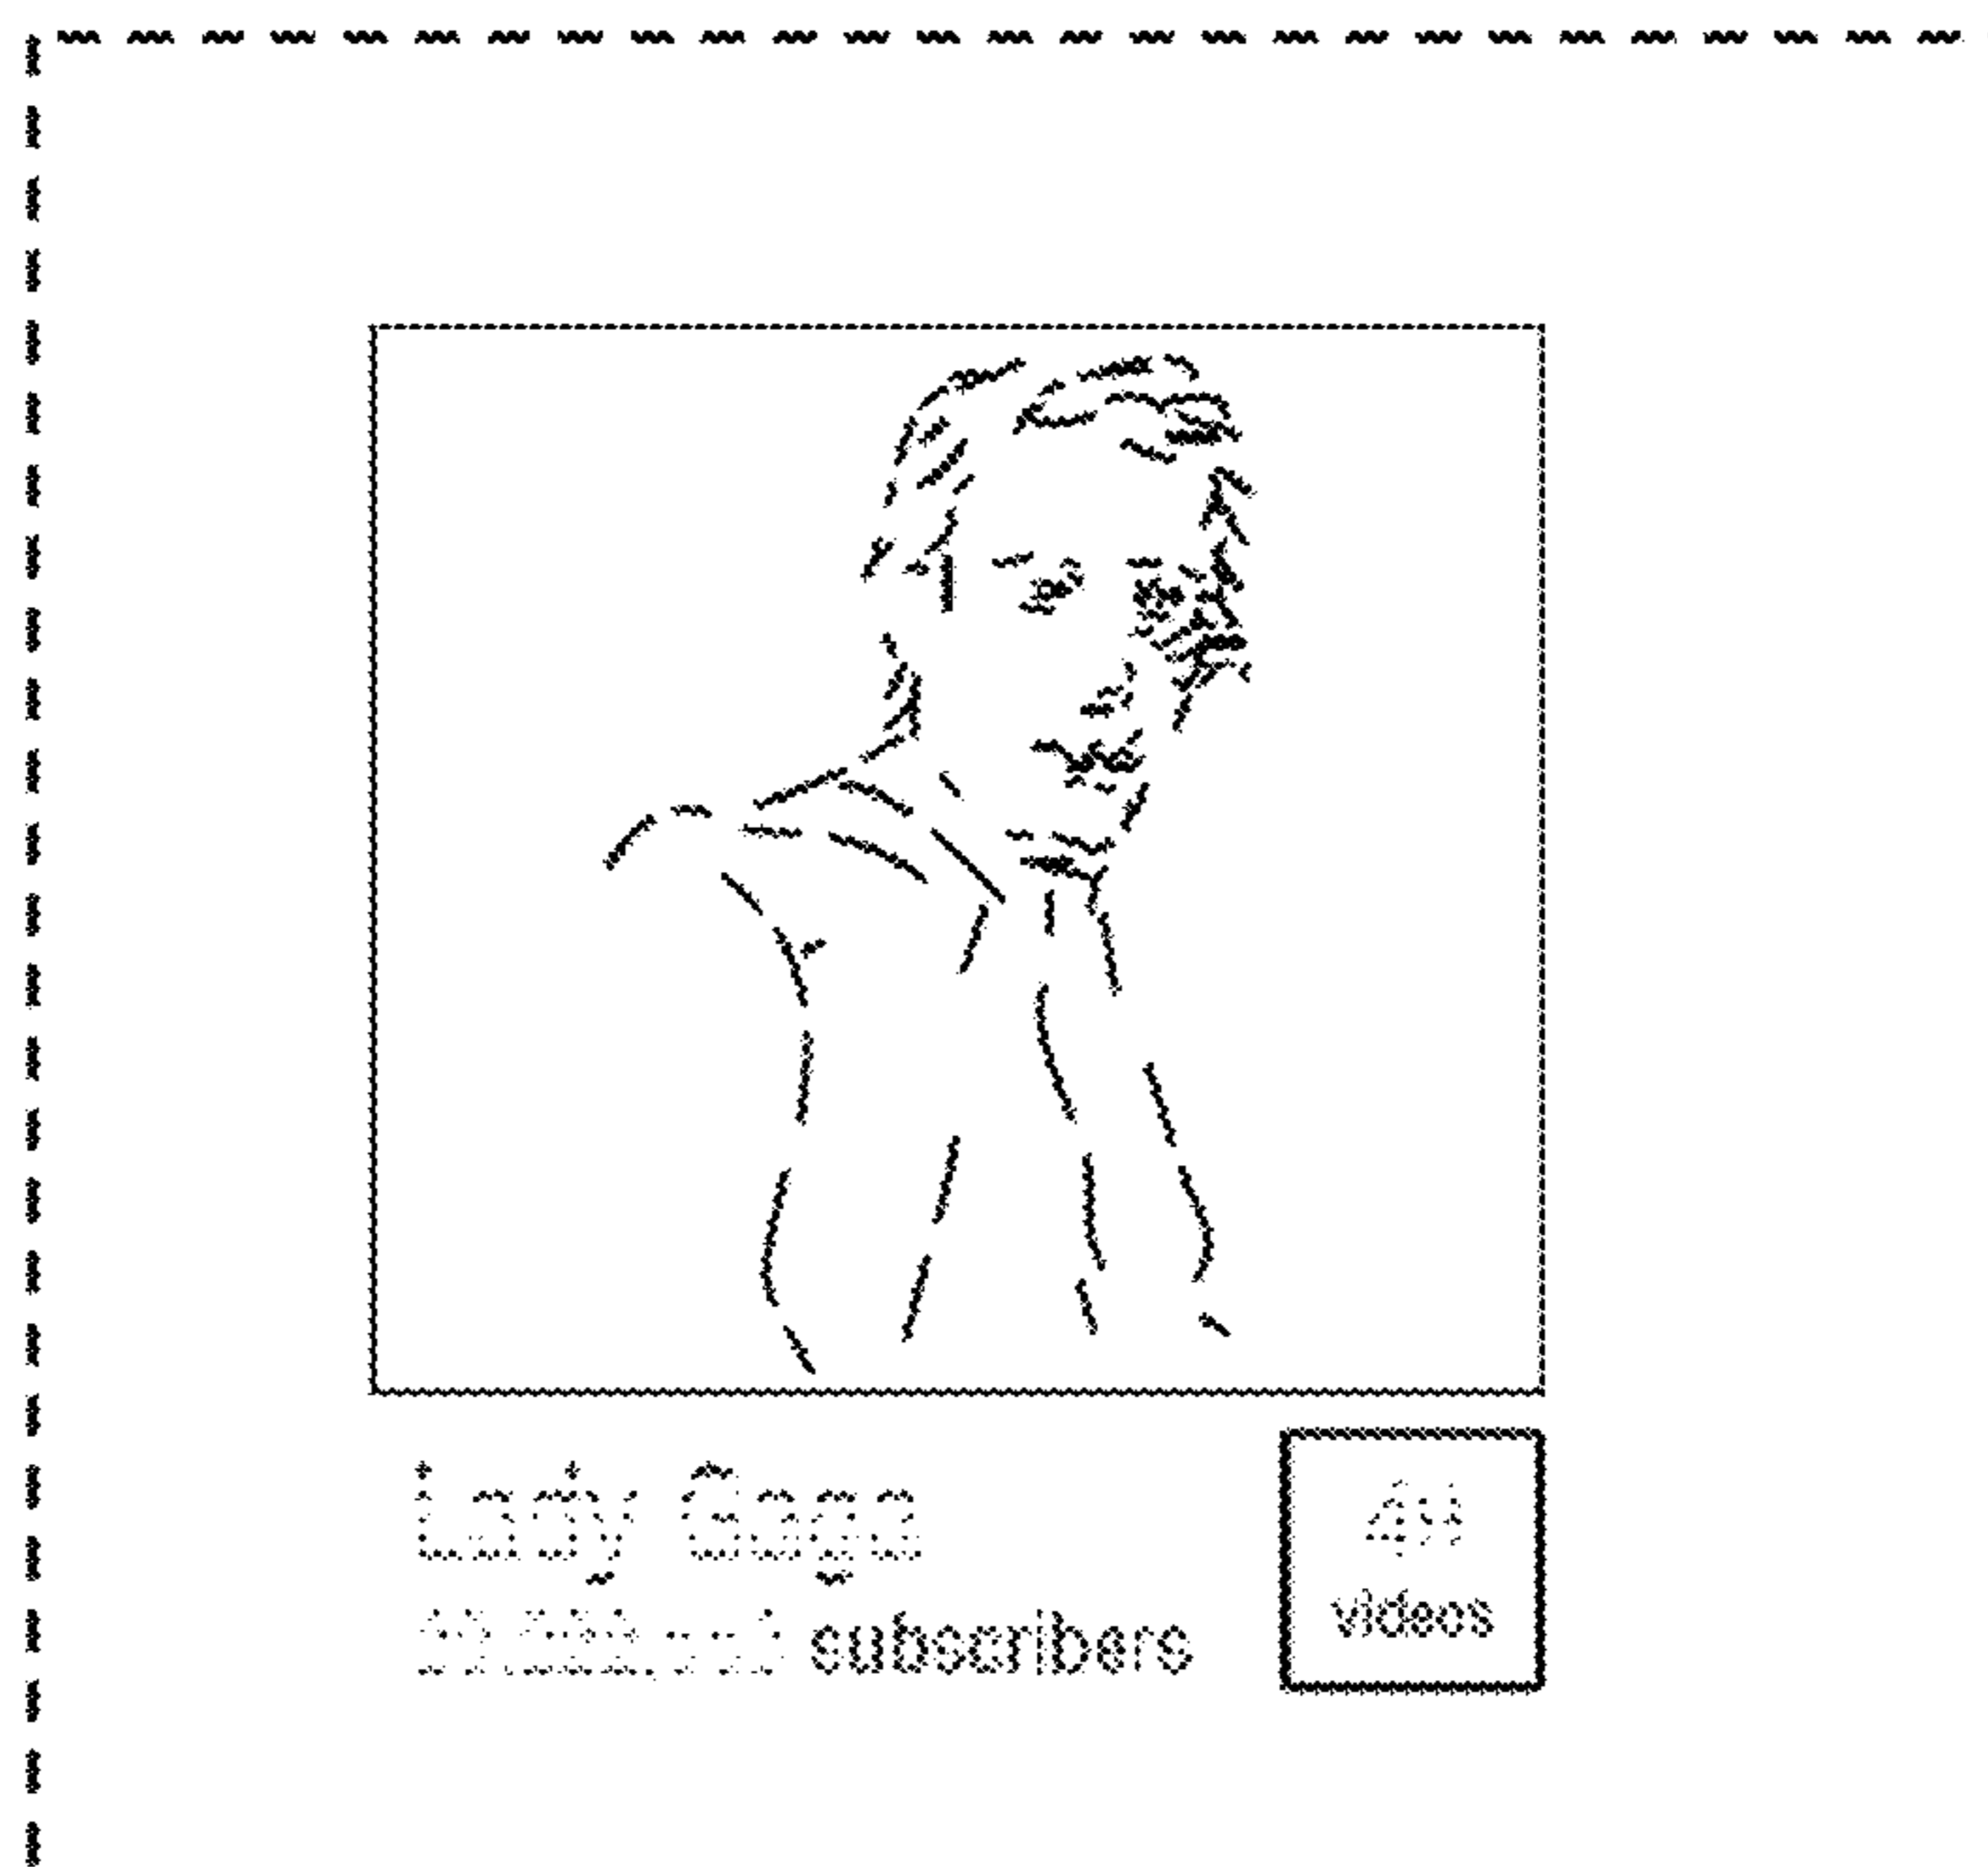

We claim the ornamental design for a portion of a display panel with a topic icon, as shown and described.

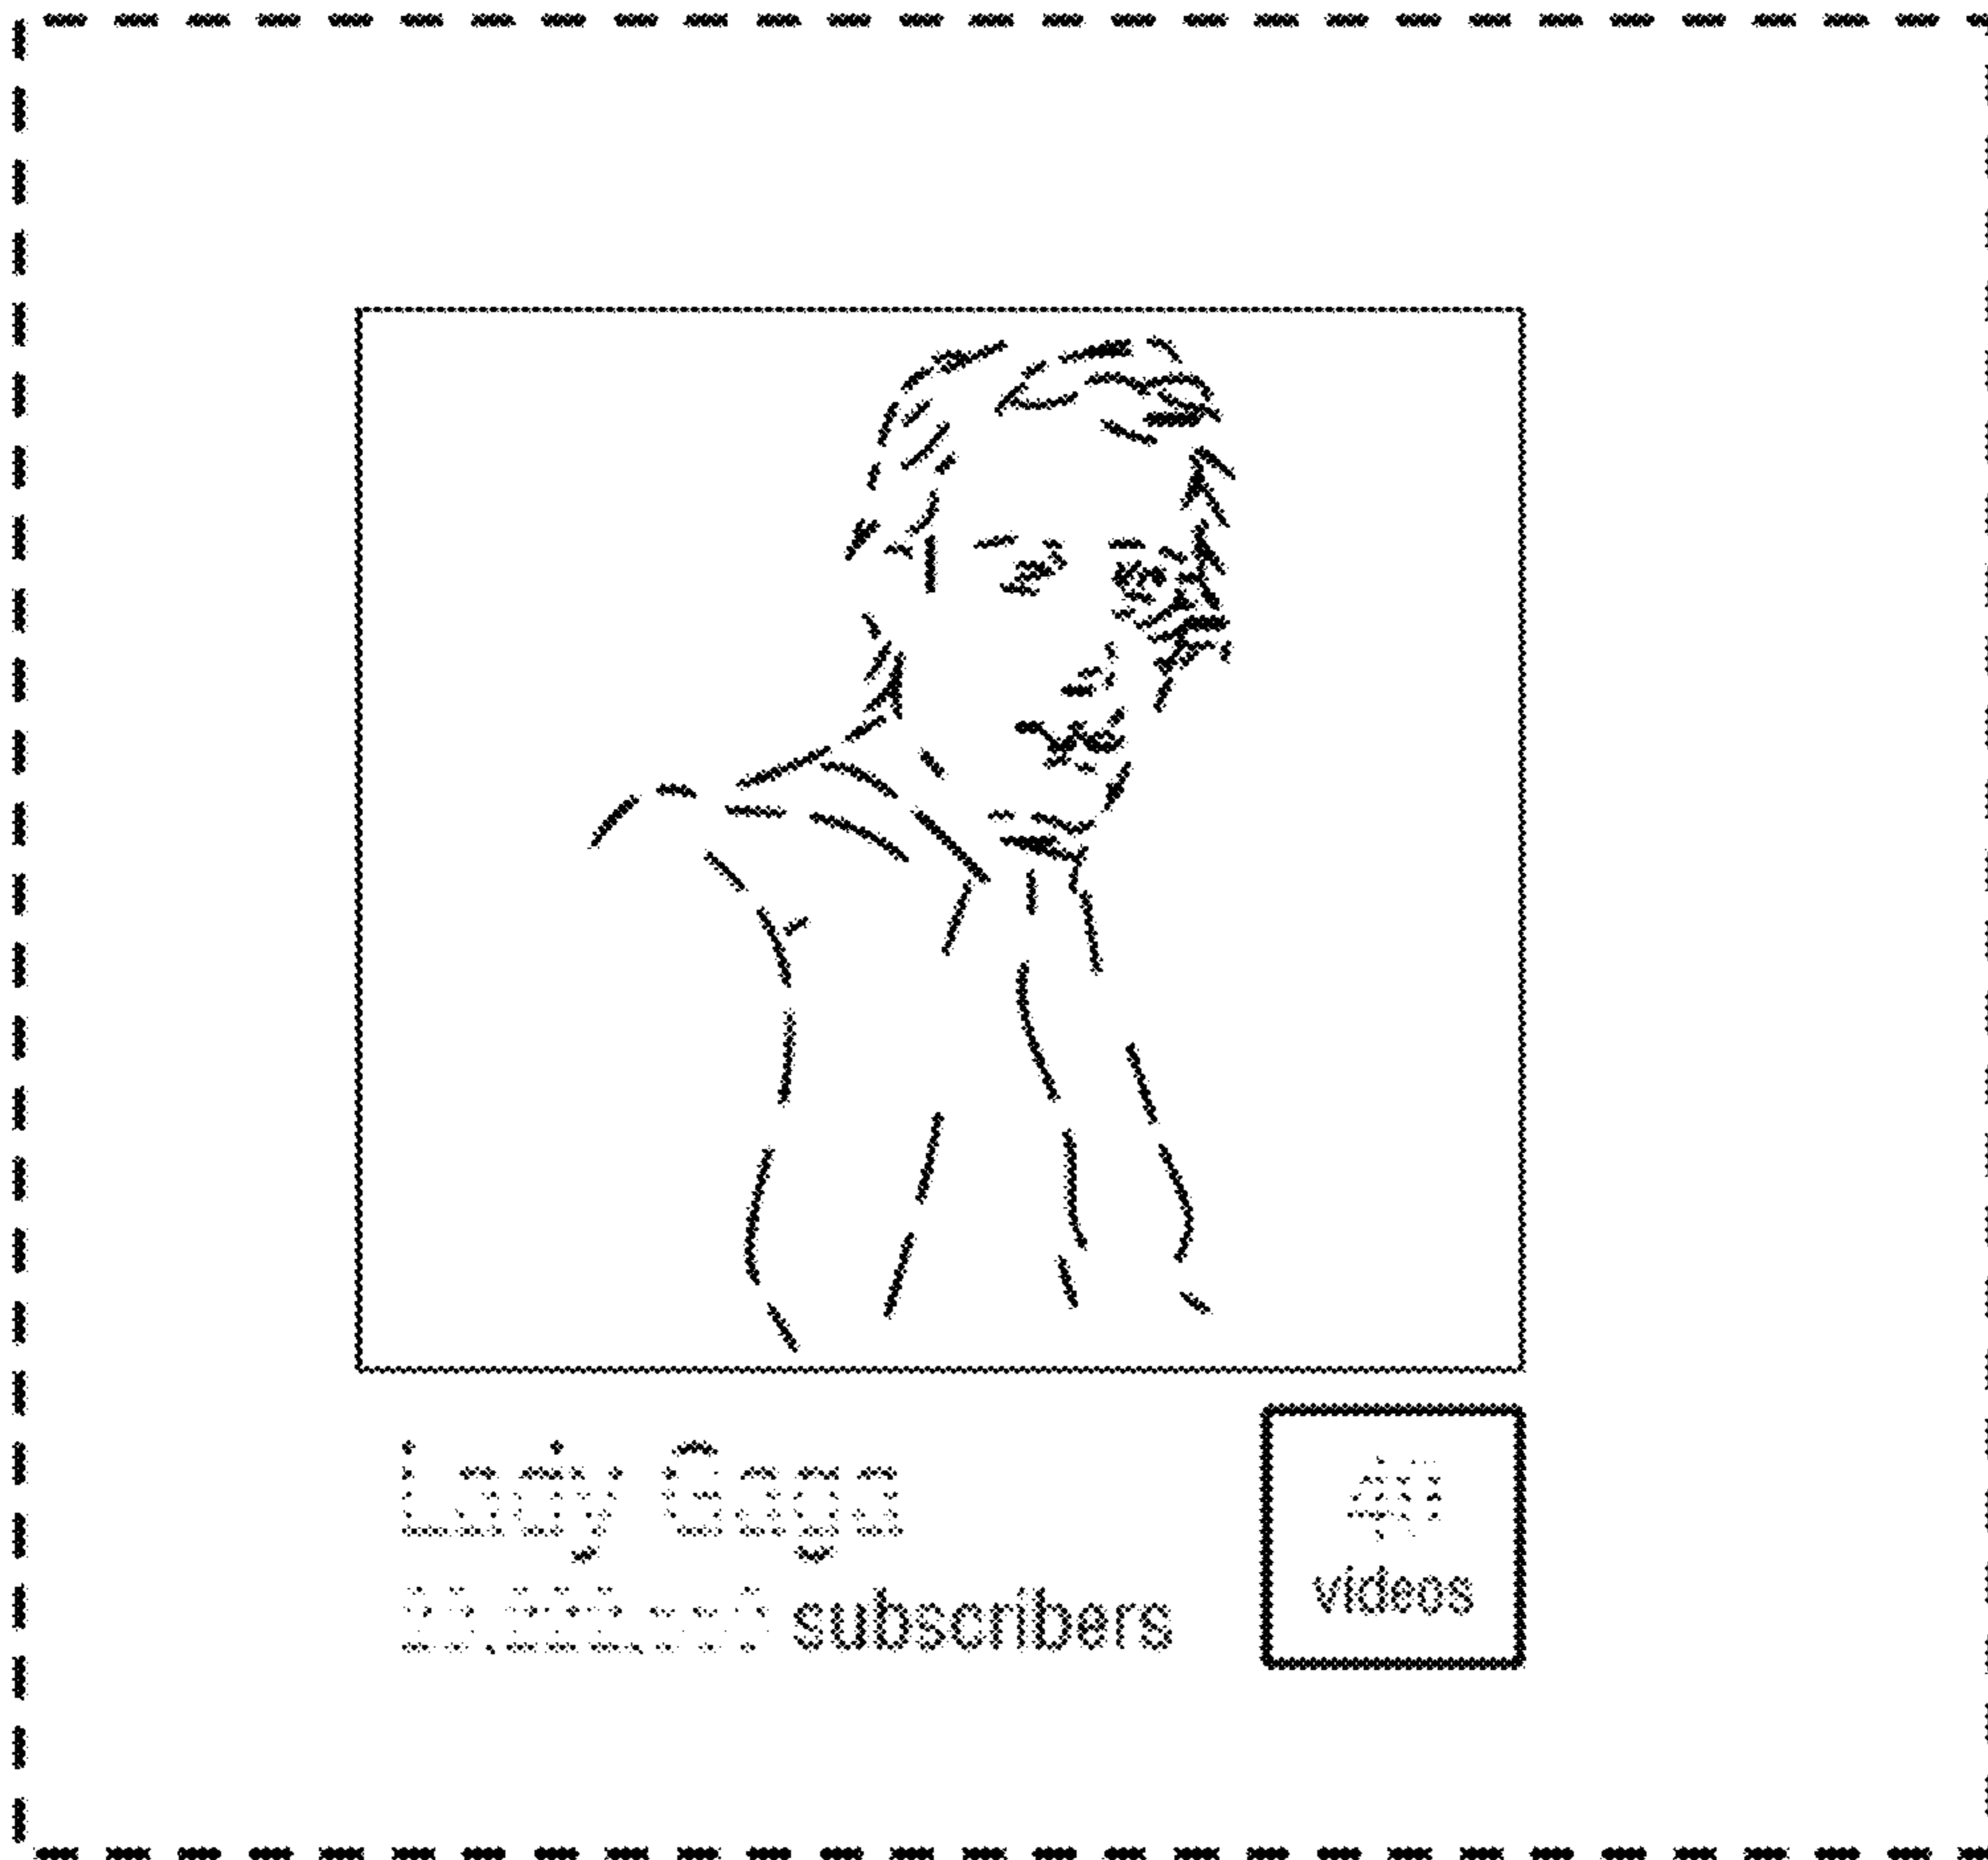

DESCRIPTION

FIG. 1 is a front view of a portion of a display panel with a topic icon showing features of a first embodiment of my new design.

The broken lines including the showing of a portion of a display panel of a communications terminal surrounding the illustrated computer icon are included for the purpose of illustrating environmental structure and form no part of the claimed design.
