**DESCRIPTION**

FIG. 1 is a perspective view of a television component mount, showing my new design;  
FIG. 2 is a front elevational view thereof;  
FIG. 3 is a left-side elevational view thereof, the right side being a mirror image thereof; and,  
FIG. 4 is a rear elevational view thereof.  
The broken lines showing a wall and audio and video components in FIG. 3 depict environmental matter and form no part of the claimed design.
