(57) **CLAIM**

I claim the ornamental design for a case edge bracket with attachment point for retractable elastic for securing a portable electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a case edge bracket with attachment point for retractable elastic for securing a portable electronic device of my invention;

FIG. 2 is a rear perspective view of a case edge bracket with attachment point for retractable elastic for securing a portable electronic device based on FIG. 1;

FIG. 3 is a front plan view of a case edge bracket with attachment point for retractable elastic for securing a portable electronic device based on FIG. 1;

FIG. 4 is a rear plan view of a case edge bracket with attachment point for retractable elastic for securing a portable electronic device based on FIG. 1 and a reverse view of FIG. 3;

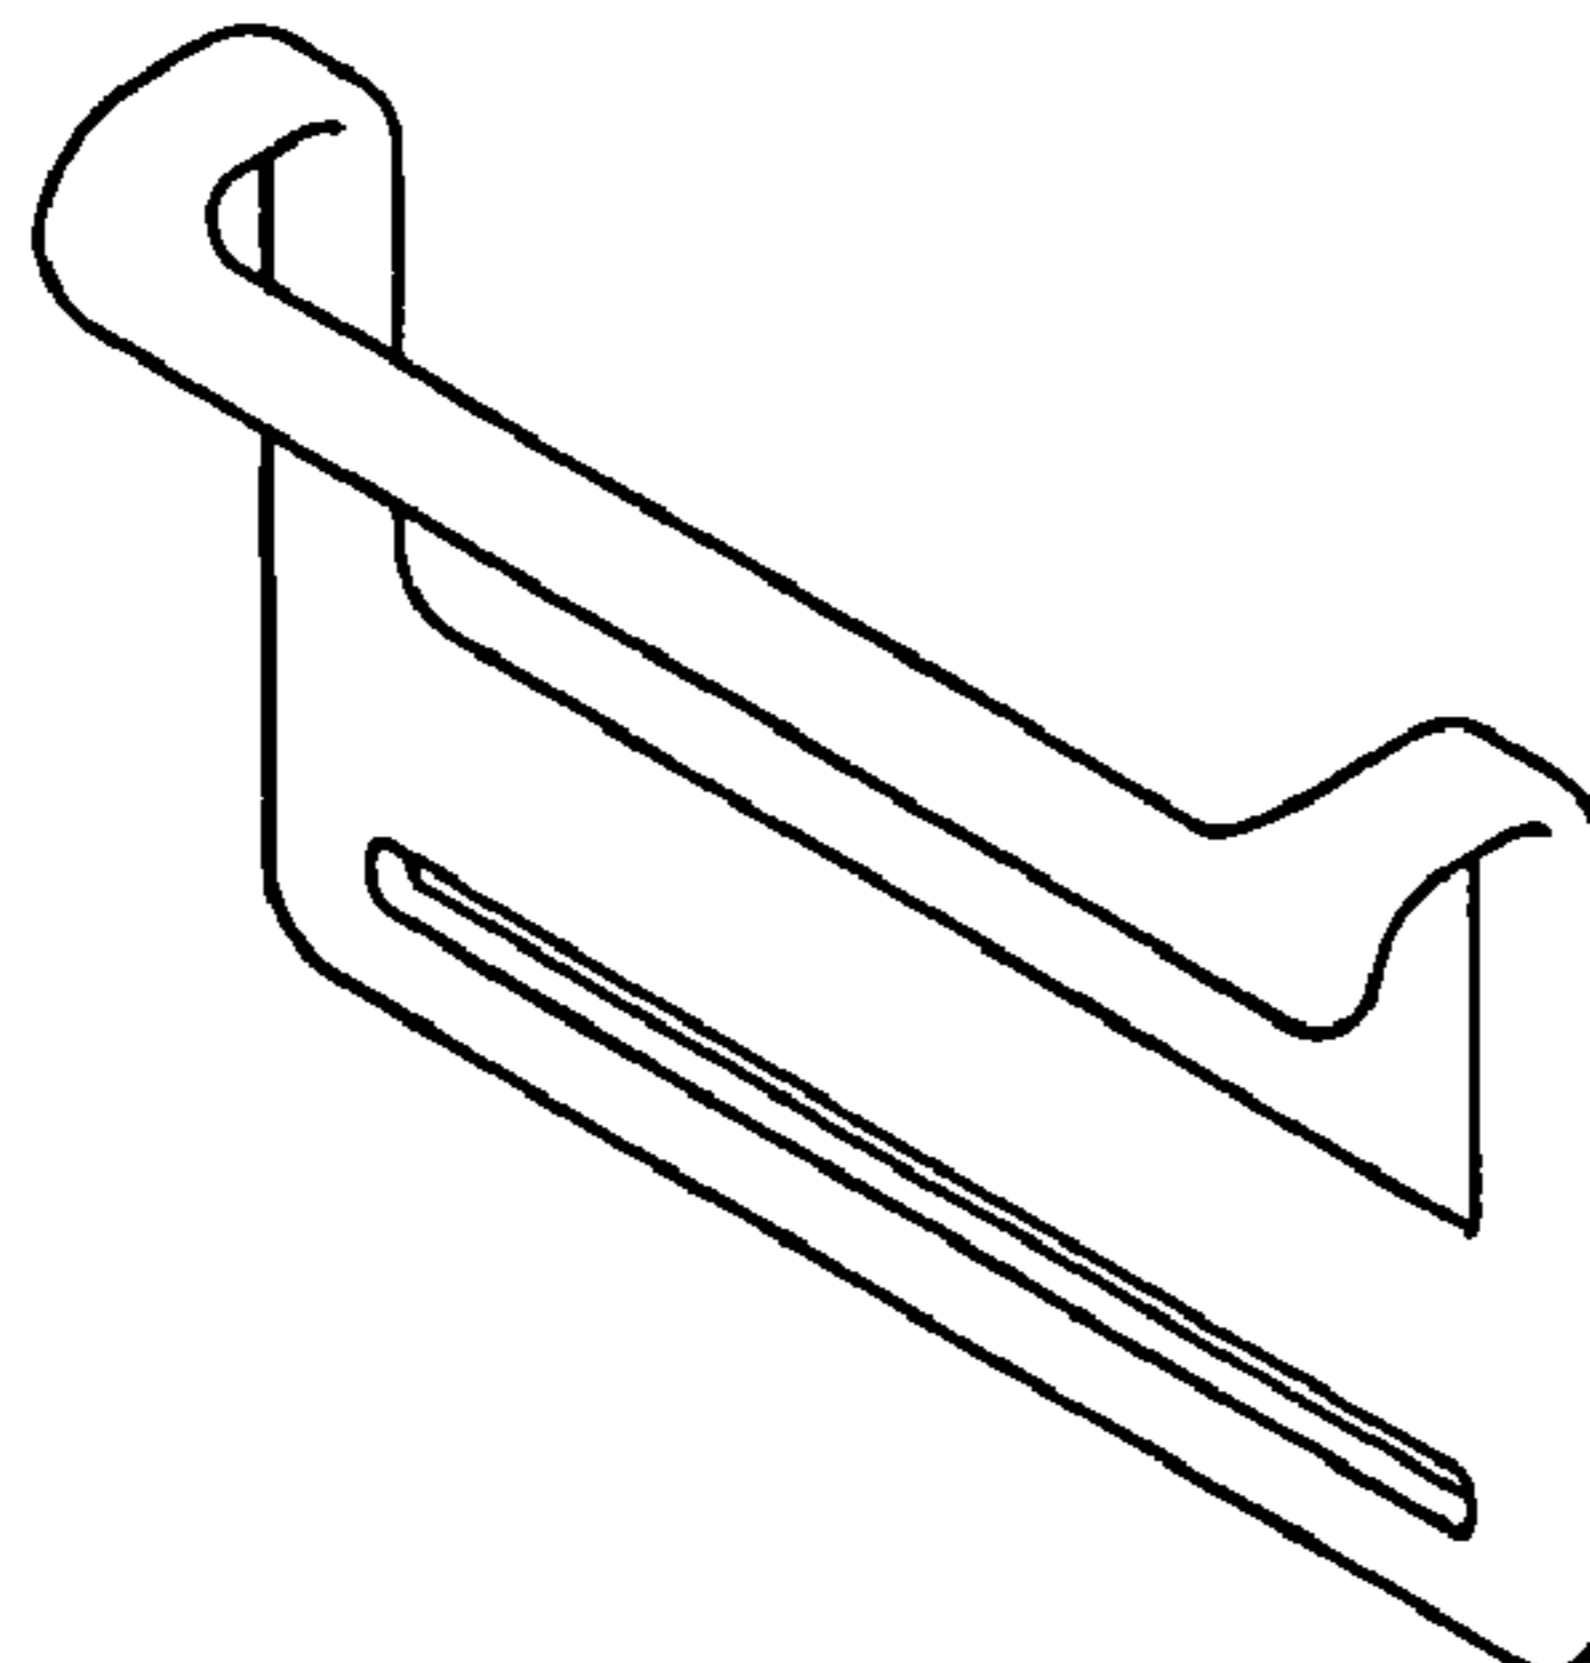

FIG. 5 is a left plan view of a case edge bracket with attachment point for retractable elastic for securing a portable electronic device based on FIG. 1;

FIG. 6 is a right plan view of a case edge bracket with attachment point for retractable elastic for securing a portable electronic device based on FIG. 1 and a reverse view of FIG. 5;

FIG. 7 is a top plan view of a case edge bracket with attachment point for retractable elastic for securing a portable electronic device based on FIG. 1; and,

FIG. 8 is a bottom plan view of a case edge bracket with attachment point for retractable elastic for securing a portable electronic device based on FIG. 1 and a reverse view of FIG. 7.
