(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

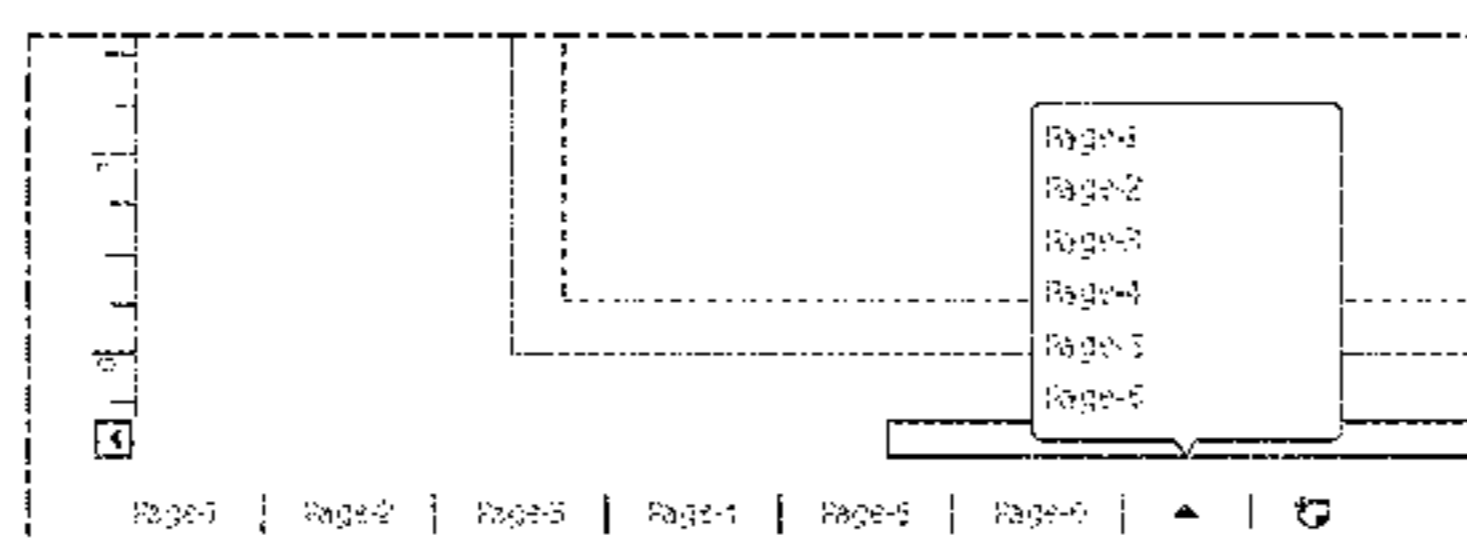

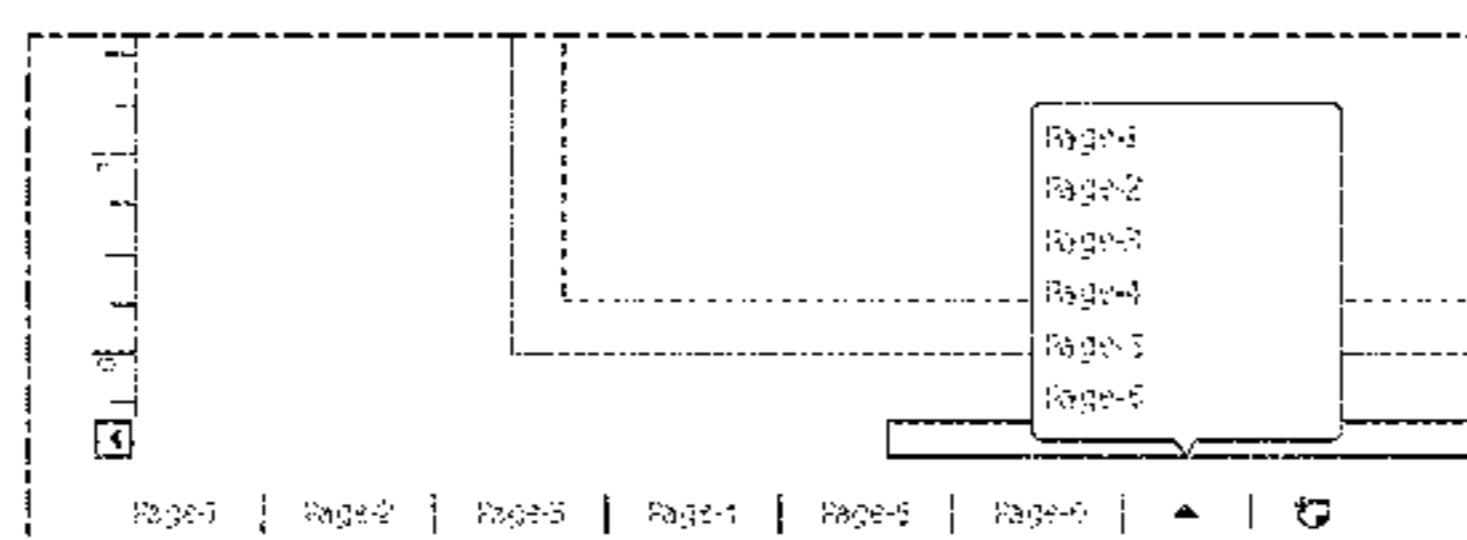

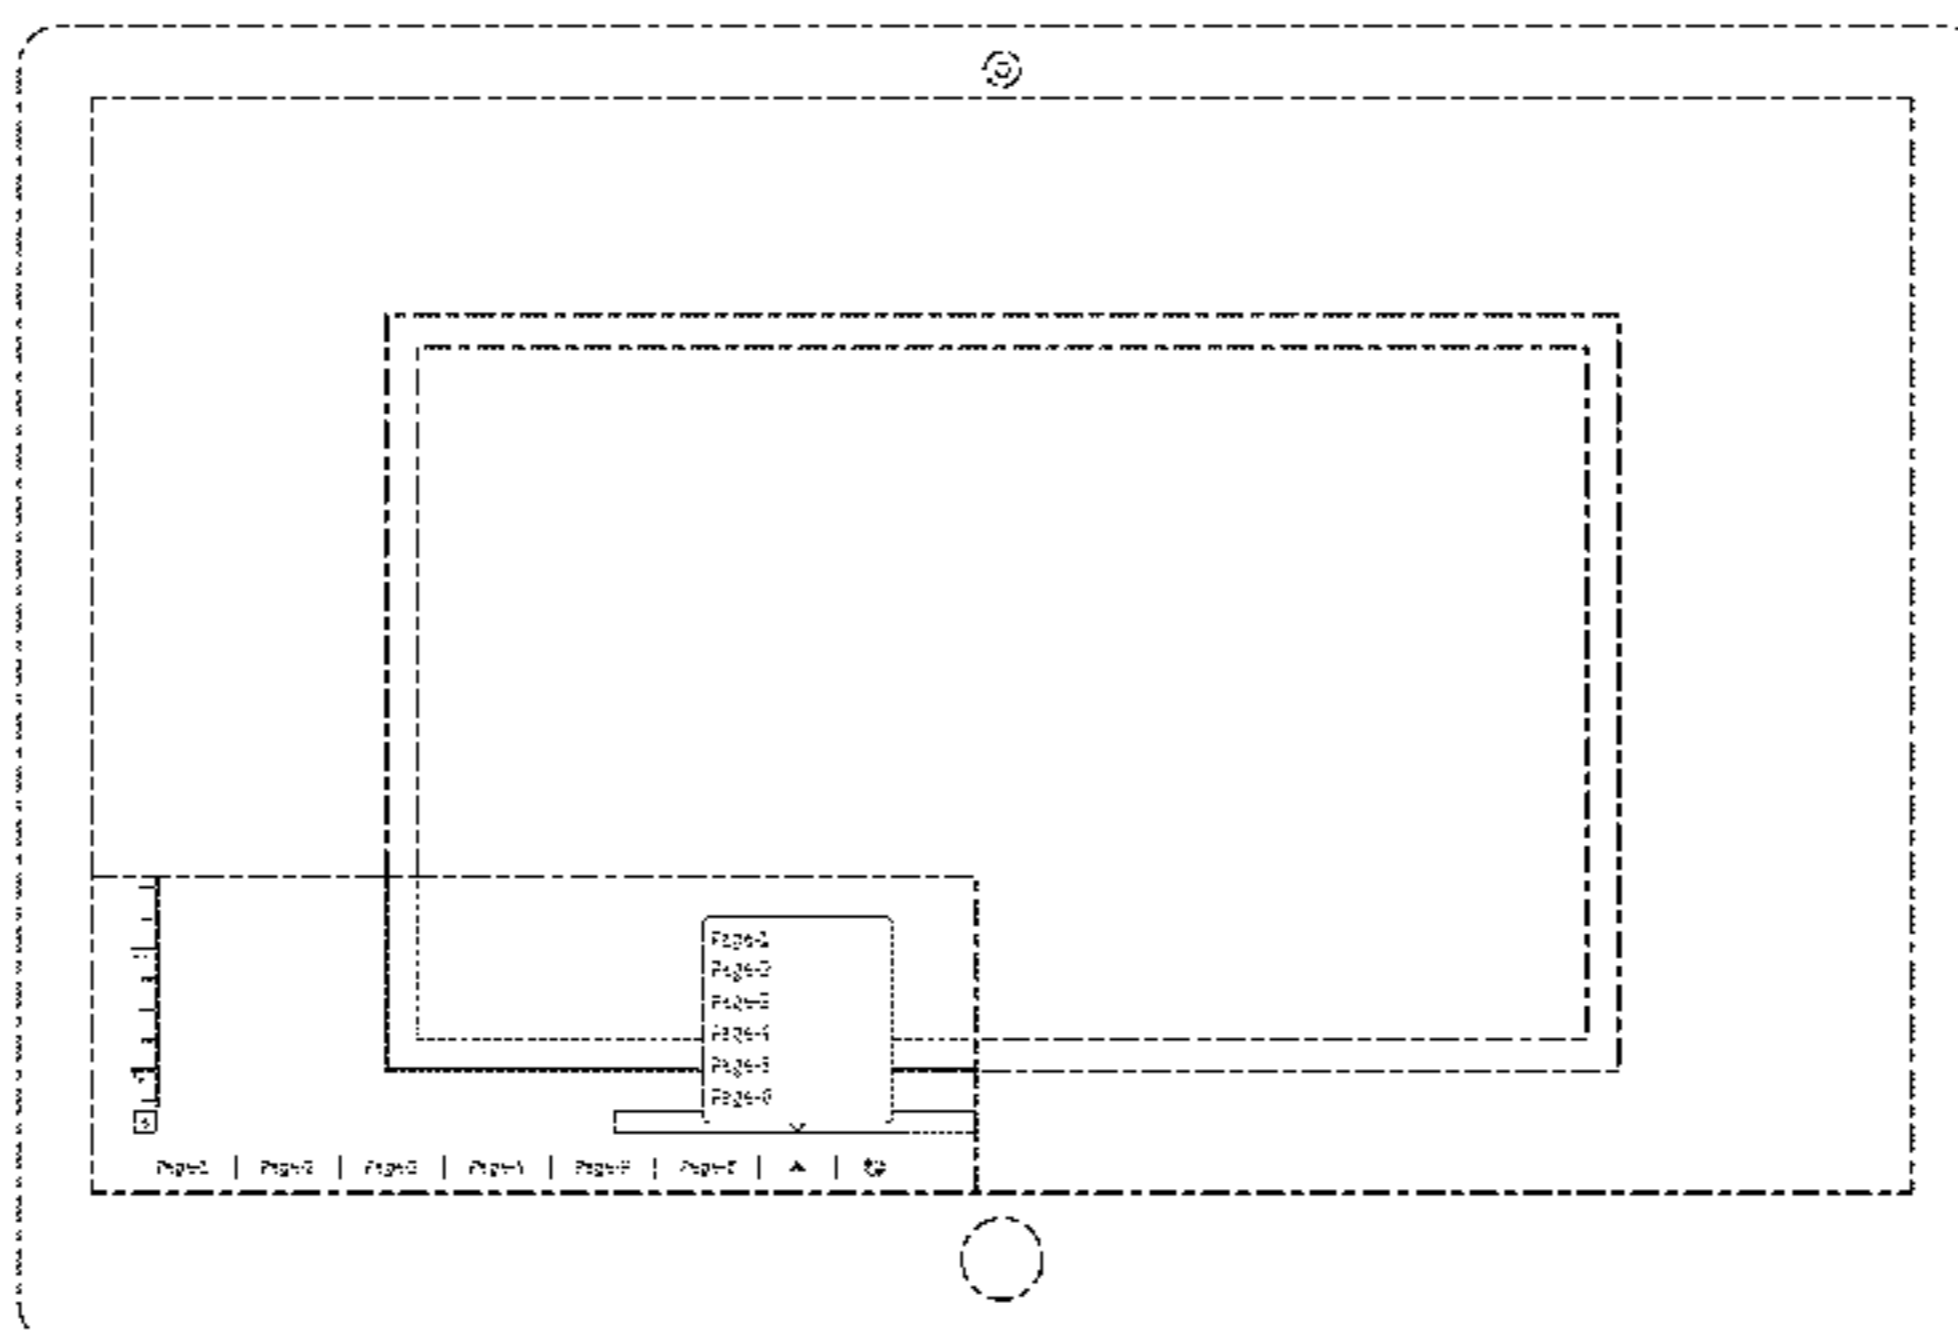

FIG. 1 is a front view of a display screen with graphical user interface showing our new design; and FIG. 2 is a front view of the display screen with graphical user interface of FIG. 1 with a region for enlargement indicated by broken-line indicia; and, FIG. 3 is an enlarged view of the region indicated by the broken-line indicia in FIG. 2. The "FIG. 3" indicia shown in FIG. 2, as well as the circle both identifying and displaying the enlarged region of the graphical user interface form no part of the claimed design. The broken line showing of alphanumeric characters, the remainder of the user interface and display screen is for environmental purposes only and forms no part of the claimed design.
