(57) **CLAIM**

The ornamental design for a forward swept cab, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a forward swept cab according to my new design;

FIG. 2 is a top view of the forward swept cab of FIG. 1;

FIG. 3 is a front view of the forward swept cab of FIG. 1;

FIG. 4 is a side view of the forward swept cab taken from the right side of FIG. 1; and,

FIG. 5 is a side view of the forward swept cab taken from the left side of FIG. 1.

The rear of the forward swept cab is unornamented.

The broken lines immediately adjacent the shaded areas as depicted in the FIGURES, represent the bounds of the claimed design while all other broken lines are directed to environment and are for illustrative purposes only; the broken lines form no part of the claimed design.
