## (57) CLAIM

The ornamental design for a camera mount, as shown and described.

### **DESCRIPTION**

FIG. 1 is a front elevational view of the camera mount showing my new design, the rear elevational view and the front elevational view being identical. The broken lines shown in the drawings represent commonly available camera mounts. The broken lines shown in the drawing are directed to environment, and are for informational purposes only and form no part of the claimed design.

FIG. 2 is a right side elevational view, the left side elevational view and the right side elevational view being identical;

FIG. 3 is top plan view; and,

FIG. 4 is a bottom plan view of the camera mount.
