(57) **CLAIM**

We claim the ornamental design for an architectural panel with spun thread embossed surface, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an architectural panel with spun thread embossed surface, showing our new design

FIG. 2 is a front view of the architectural panel with spun thread embossed surface.

FIG. 3 is a back view of the architectural panel with spun thread embossed surface.

FIG. 4 is a left side view of the architectural panel with spun thread embossed surface.

FIG. 5 is a right side view of the architectural panel with spun thread embossed surface.

FIG. 6 is a top view of the architectural panel with spun thread embossed surface; and,

FIG. 7 is a bottom view of the architectural panel with spun thread embossed surface.

The broken lines adjacent to the shaded portions of the design depict the bounds of the claim and all other broken lines depict environmental subject matter. All broken lines form no part of the claim.
