The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.
FIG. 1 is a front view of the patterned prismatic bodywear lining material showing my new design in a first lighting condition; and,
FIG. 2 is a front view of the patterned prismatic bodywear lining material of FIG. 1 in a second lighting condition.
The patterned prismatic bodywear lining material is flat and planar. Thickness forms no part of the claimed design.
