(57) **CLAIM**
The ornamental design for a segmented profiled wheel, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a segmented profiled wheel, in accordance with the present invention;
FIG. 2 is an elevation view of the segmented profiled wheel of FIG. 1; and,
FIG. 3 is a top plan view of the segmented profiled wheel of FIGS. 1-2, in accordance with the present invention.
The broken lines in the figures showing other portions of a segmented profiled wheel are for illustrative purposes only and form no part of the claimed ornamental design.
