(57) **CLAIM**
The ornamental design for a tartan textile, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The single FIGURE is a top plan view of a tartan textile showing our new design, the bottom plan view being a mirror image.

The tartan textile is flat and planar. The thickness of the tartan textile forms no part of the claimed design.
