(57) **CLAIM**

The ornamental design for a portion of a display panel with an animated computer icon, substantially as shown and described.

**DESCRIPTION**

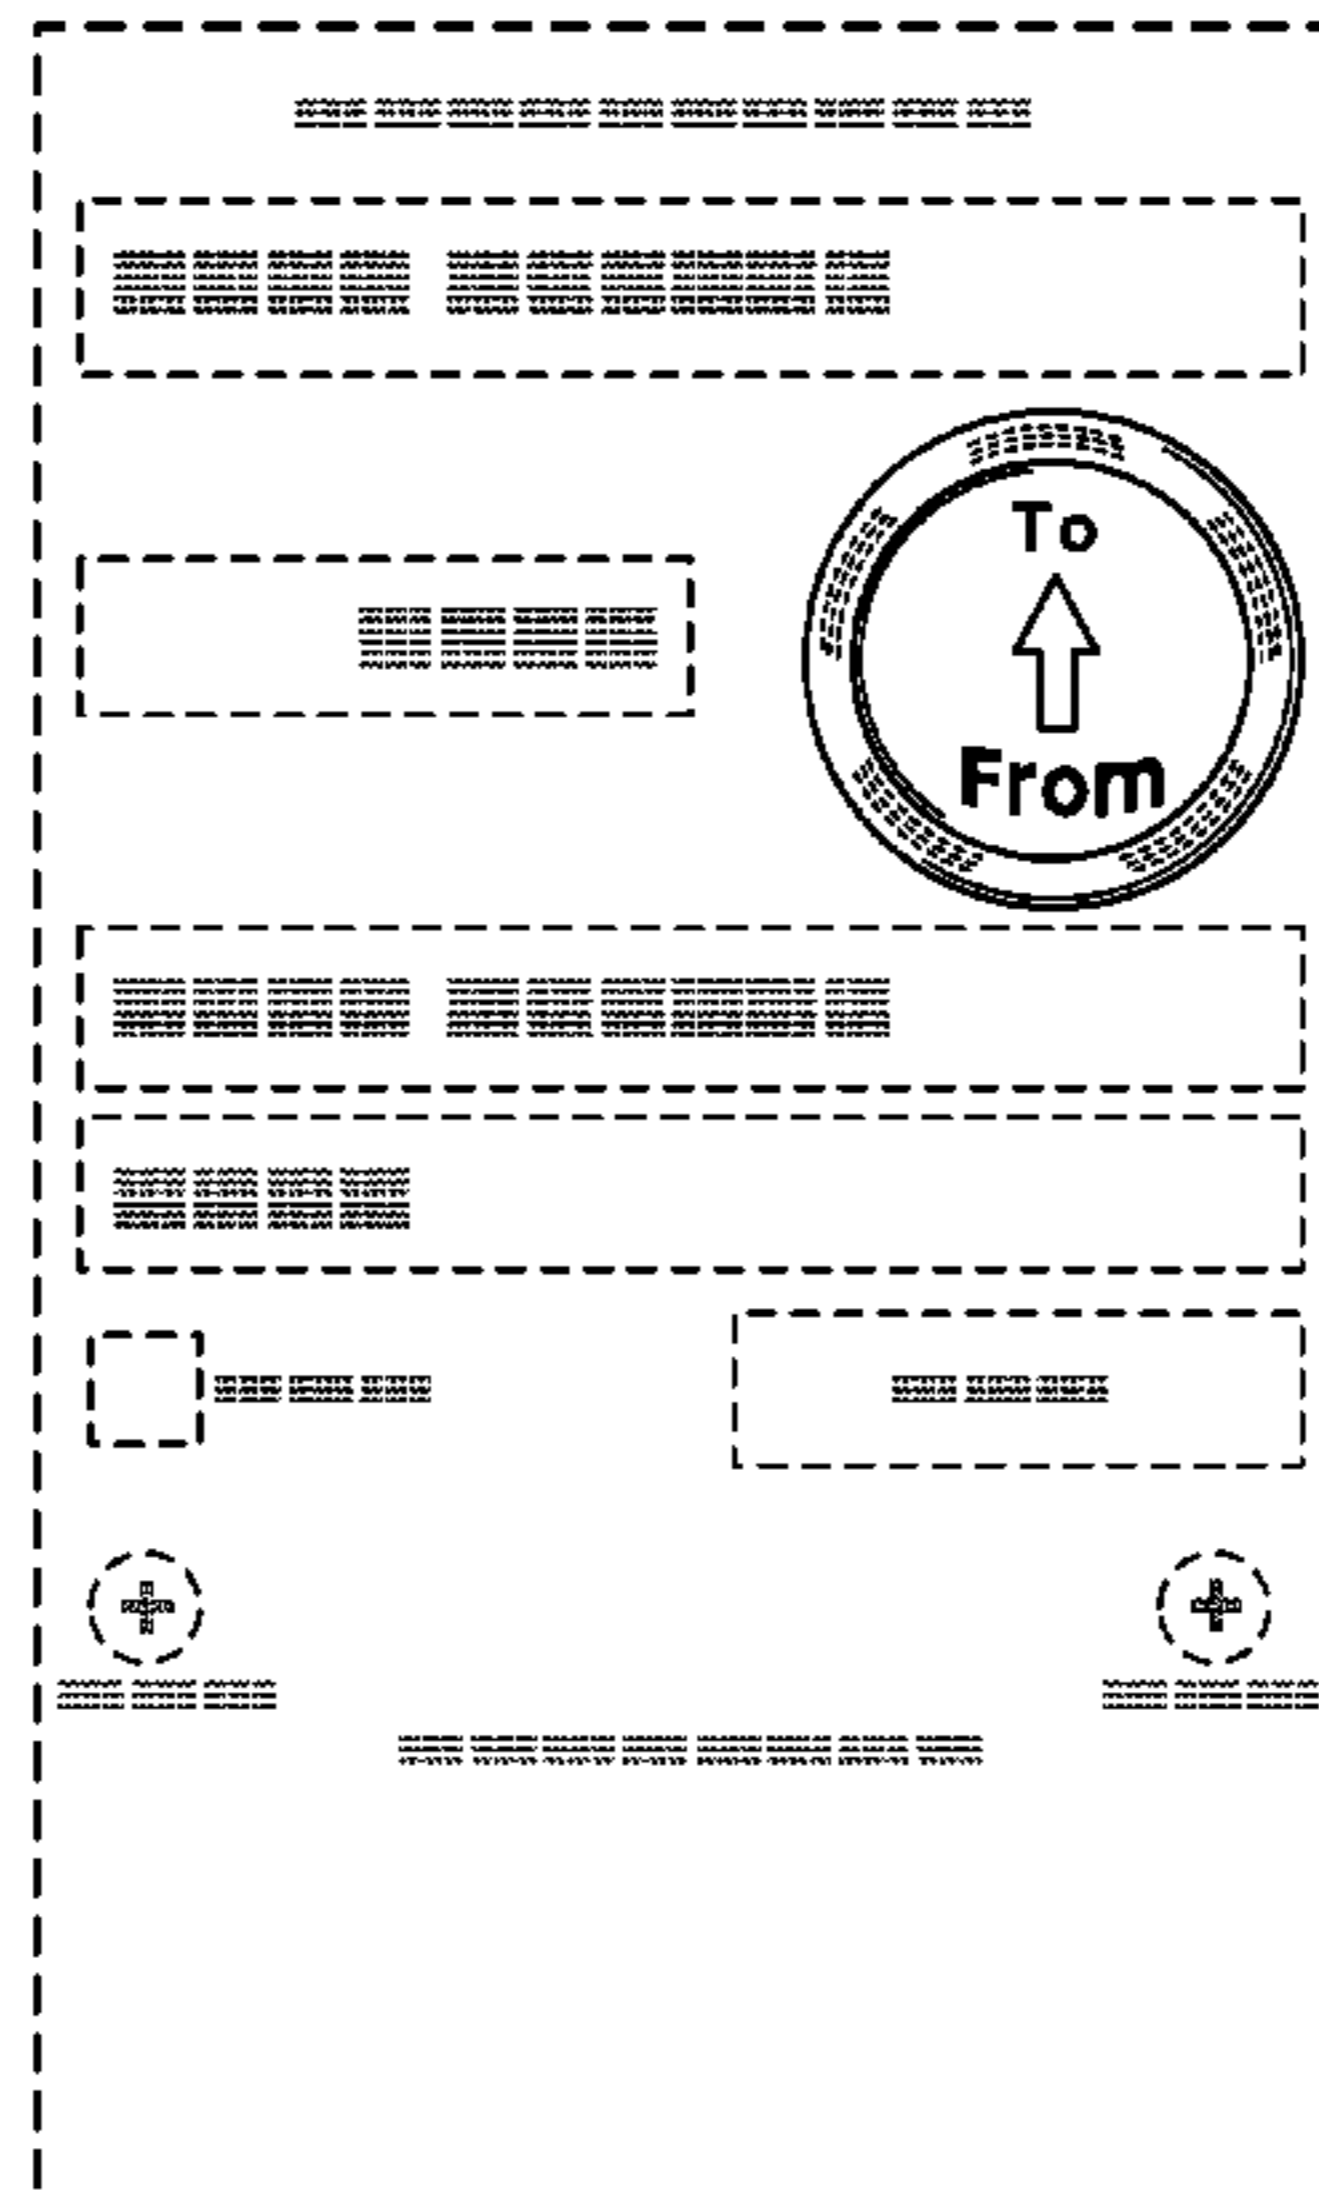

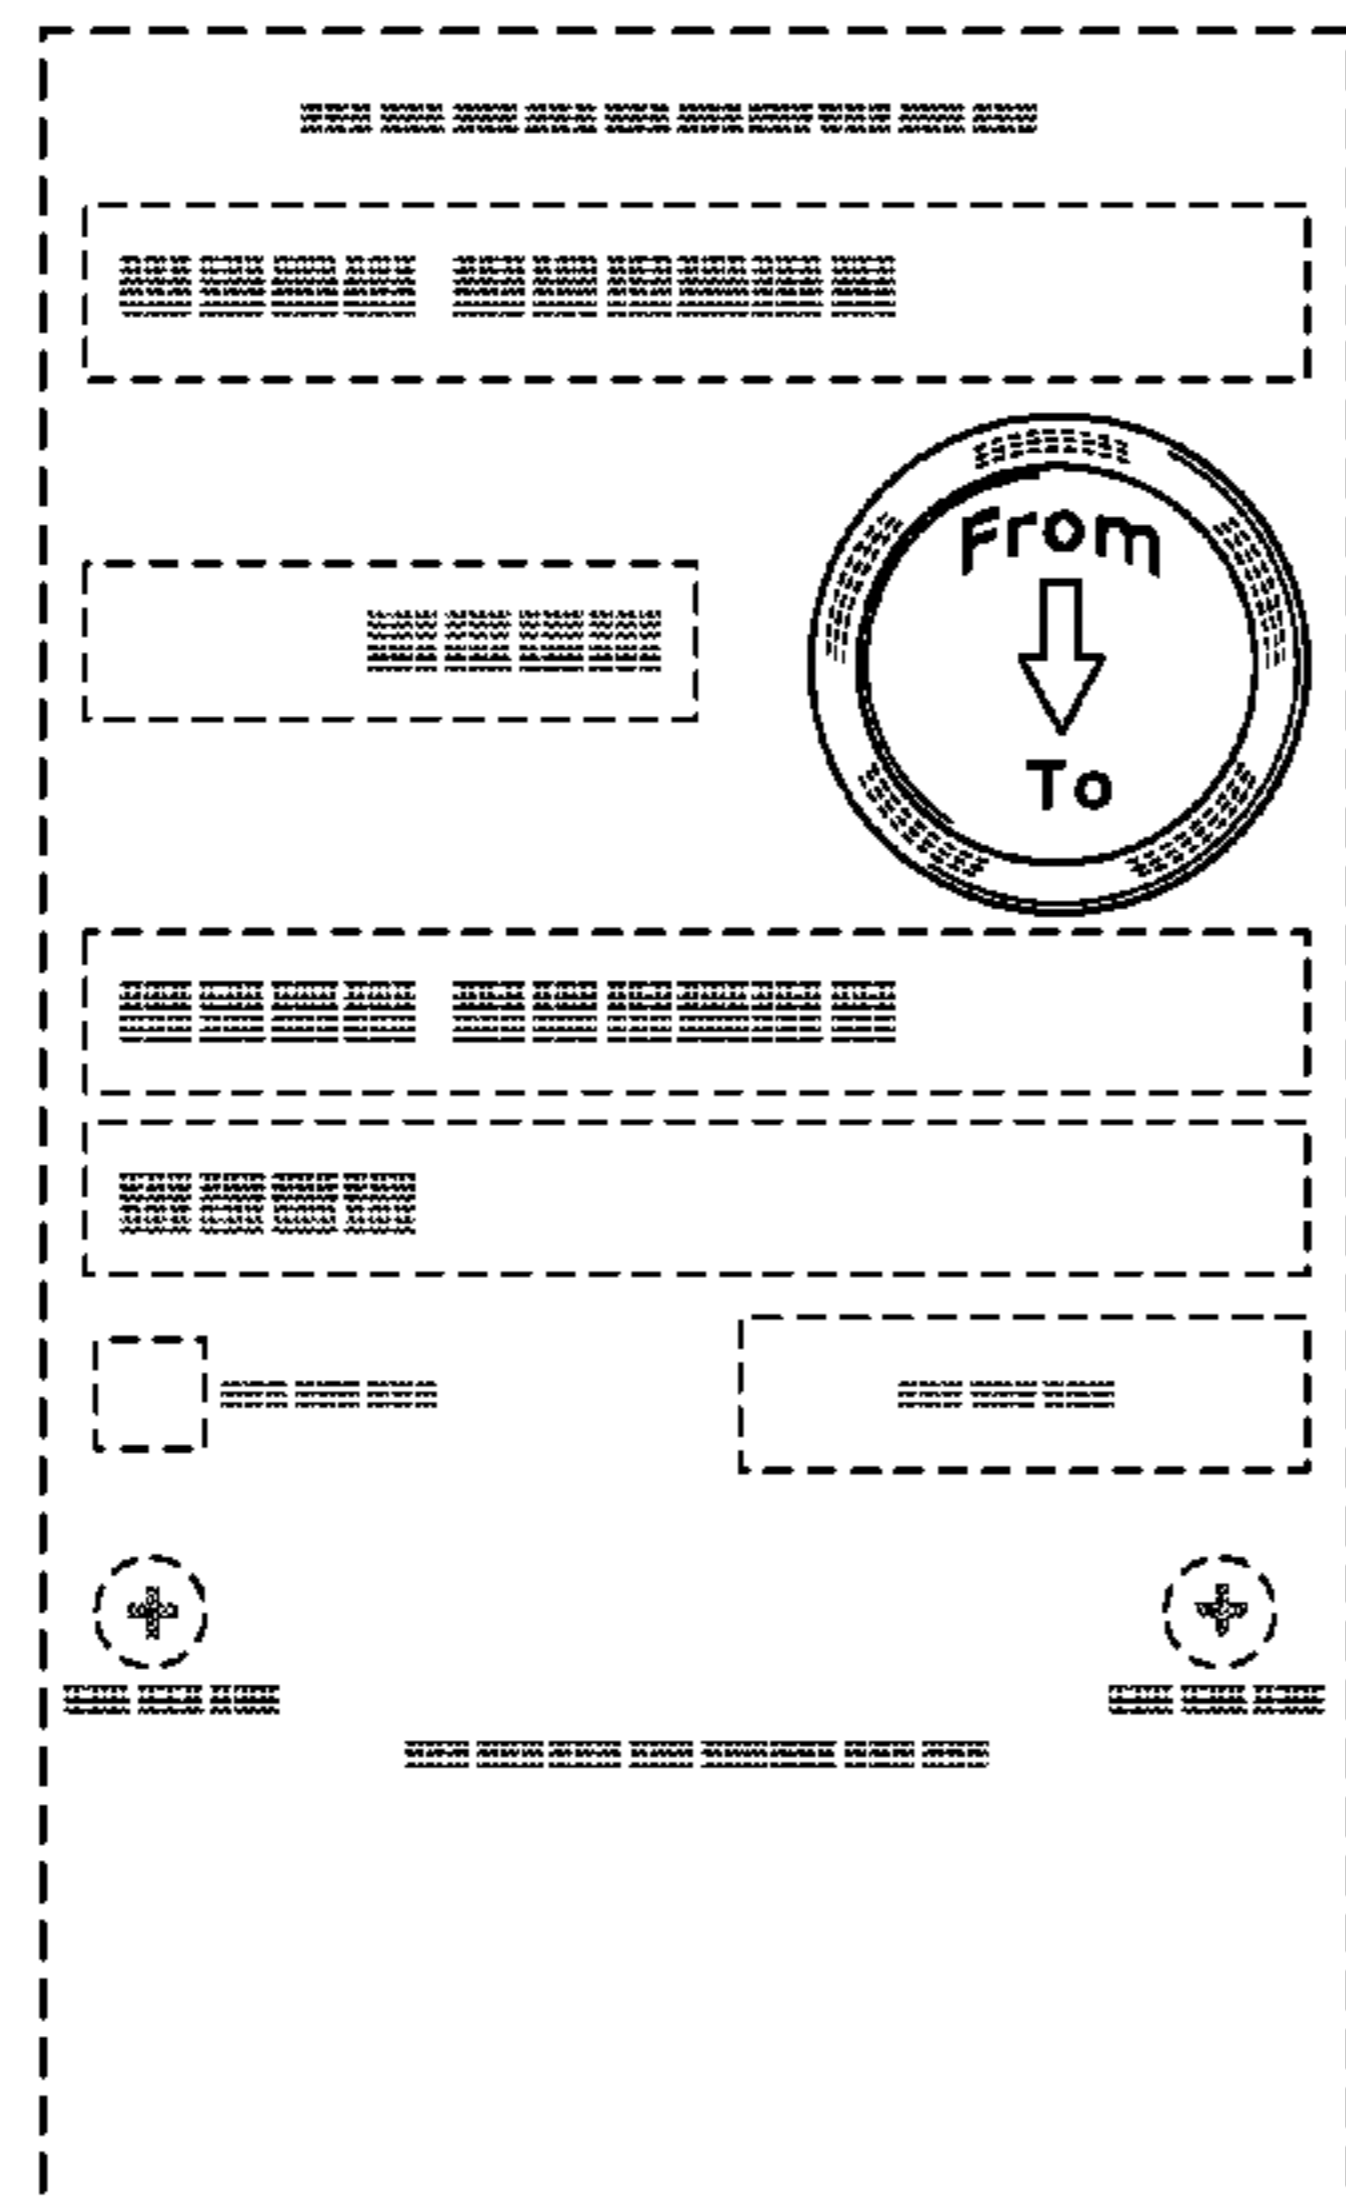

FIG. 1 is a front view of first image of a sequence for a portion of a display panel with an animated computer icon, showing our new design; and,

FIG. 2 is a front view of a second image thereof.

The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-2. The process or period in which one image transitions to another image forms no part of the claimed design.

The broken line bordering each figure and illustrating the display panel portion (such as of a mobile device) forms no part of the claimed design. The broken lines within each figure illustrate graphical environmental features that form no part of the claimed design.
