(57) **CLAIM**

The ornamental design for a convertible food and television station, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a convertible food and television station showing our new design in a first configuration showing two television panels on the left and on the right showing panels over a food service area in a closed position; FIG. 2 is a front elevational view thereof; FIG. 3 is a perspective view of a convertible food and television station in a second configuration without television panels on the left and on the right showing panels over a food service area in an open position; FIG. 4 is a front elevational view thereof; FIG. 5 is a perspective view of a convertible food and television station in a third configuration with one television panel on the left and on the right showing panels over a food service area in an open position; and, FIG. 6 is a front elevational view thereof. The broken line showing is for illustrative purposes only and forms no part of the claimed design.
