(57) **CLAIM**
 I claim the ornamental design for a faux window assembly, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view showing a front, top and side of a first embodiment of the faux window assembly;
 FIG. 2 is a front elevational view of the first embodiment of the faux window assembly;
 FIG. 3 is a rear elevational view of the first embodiment of the faux window assembly;
 FIG. 4 is an elevational view of a first side of the first embodiment of the faux window assembly, the opposite side being a mirror image thereof;
 FIG. 5 is a top plan view of the first embodiment of the faux window assembly, the bottom plan view being a mirror image thereof;
 FIG. 6 is a perspective view showing a front, top and side of a second embodiment of the faux window assembly;
 FIG. 7 is a front elevational view of the second embodiment of the faux window assembly;
 FIG. 8 is a rear elevational view of the second embodiment of the faux window assembly;
 FIG. 9 is an elevational view of a first side of the second embodiment of the faux window assembly, the opposite side being a mirror image thereof; and,
 FIG. 10 is a top plan view of the second embodiment of the faux window assembly, the bottom plan view being a mirror image thereof.
 The dashed lines and broken lines are for purposes of illustrating environmental structure and form no part of the claimed design.
