(57) **CLAIM**

The ornamental design of a food container having a translucent cap, as shown and described.

DESCRIPTION

FIG. 1 is a front view of our new design for a food container having a translucent cap.
FIG. 2 is a rear view of our new design for a food container having a translucent cap.
FIG. 3 is a top view of our new design for a food container having a translucent cap.
FIG. 4 is a bottom view of our new design for a food container having a translucent cap.
FIG. 5 is a right side view of our new design for a food container having a translucent cap, the left side view being a mirror image thereof; and,
FIG. 6 is a perspective view showing the front, top, and right sides of our new design for a food container having a translucent cap.
