(57) **CLAIM**

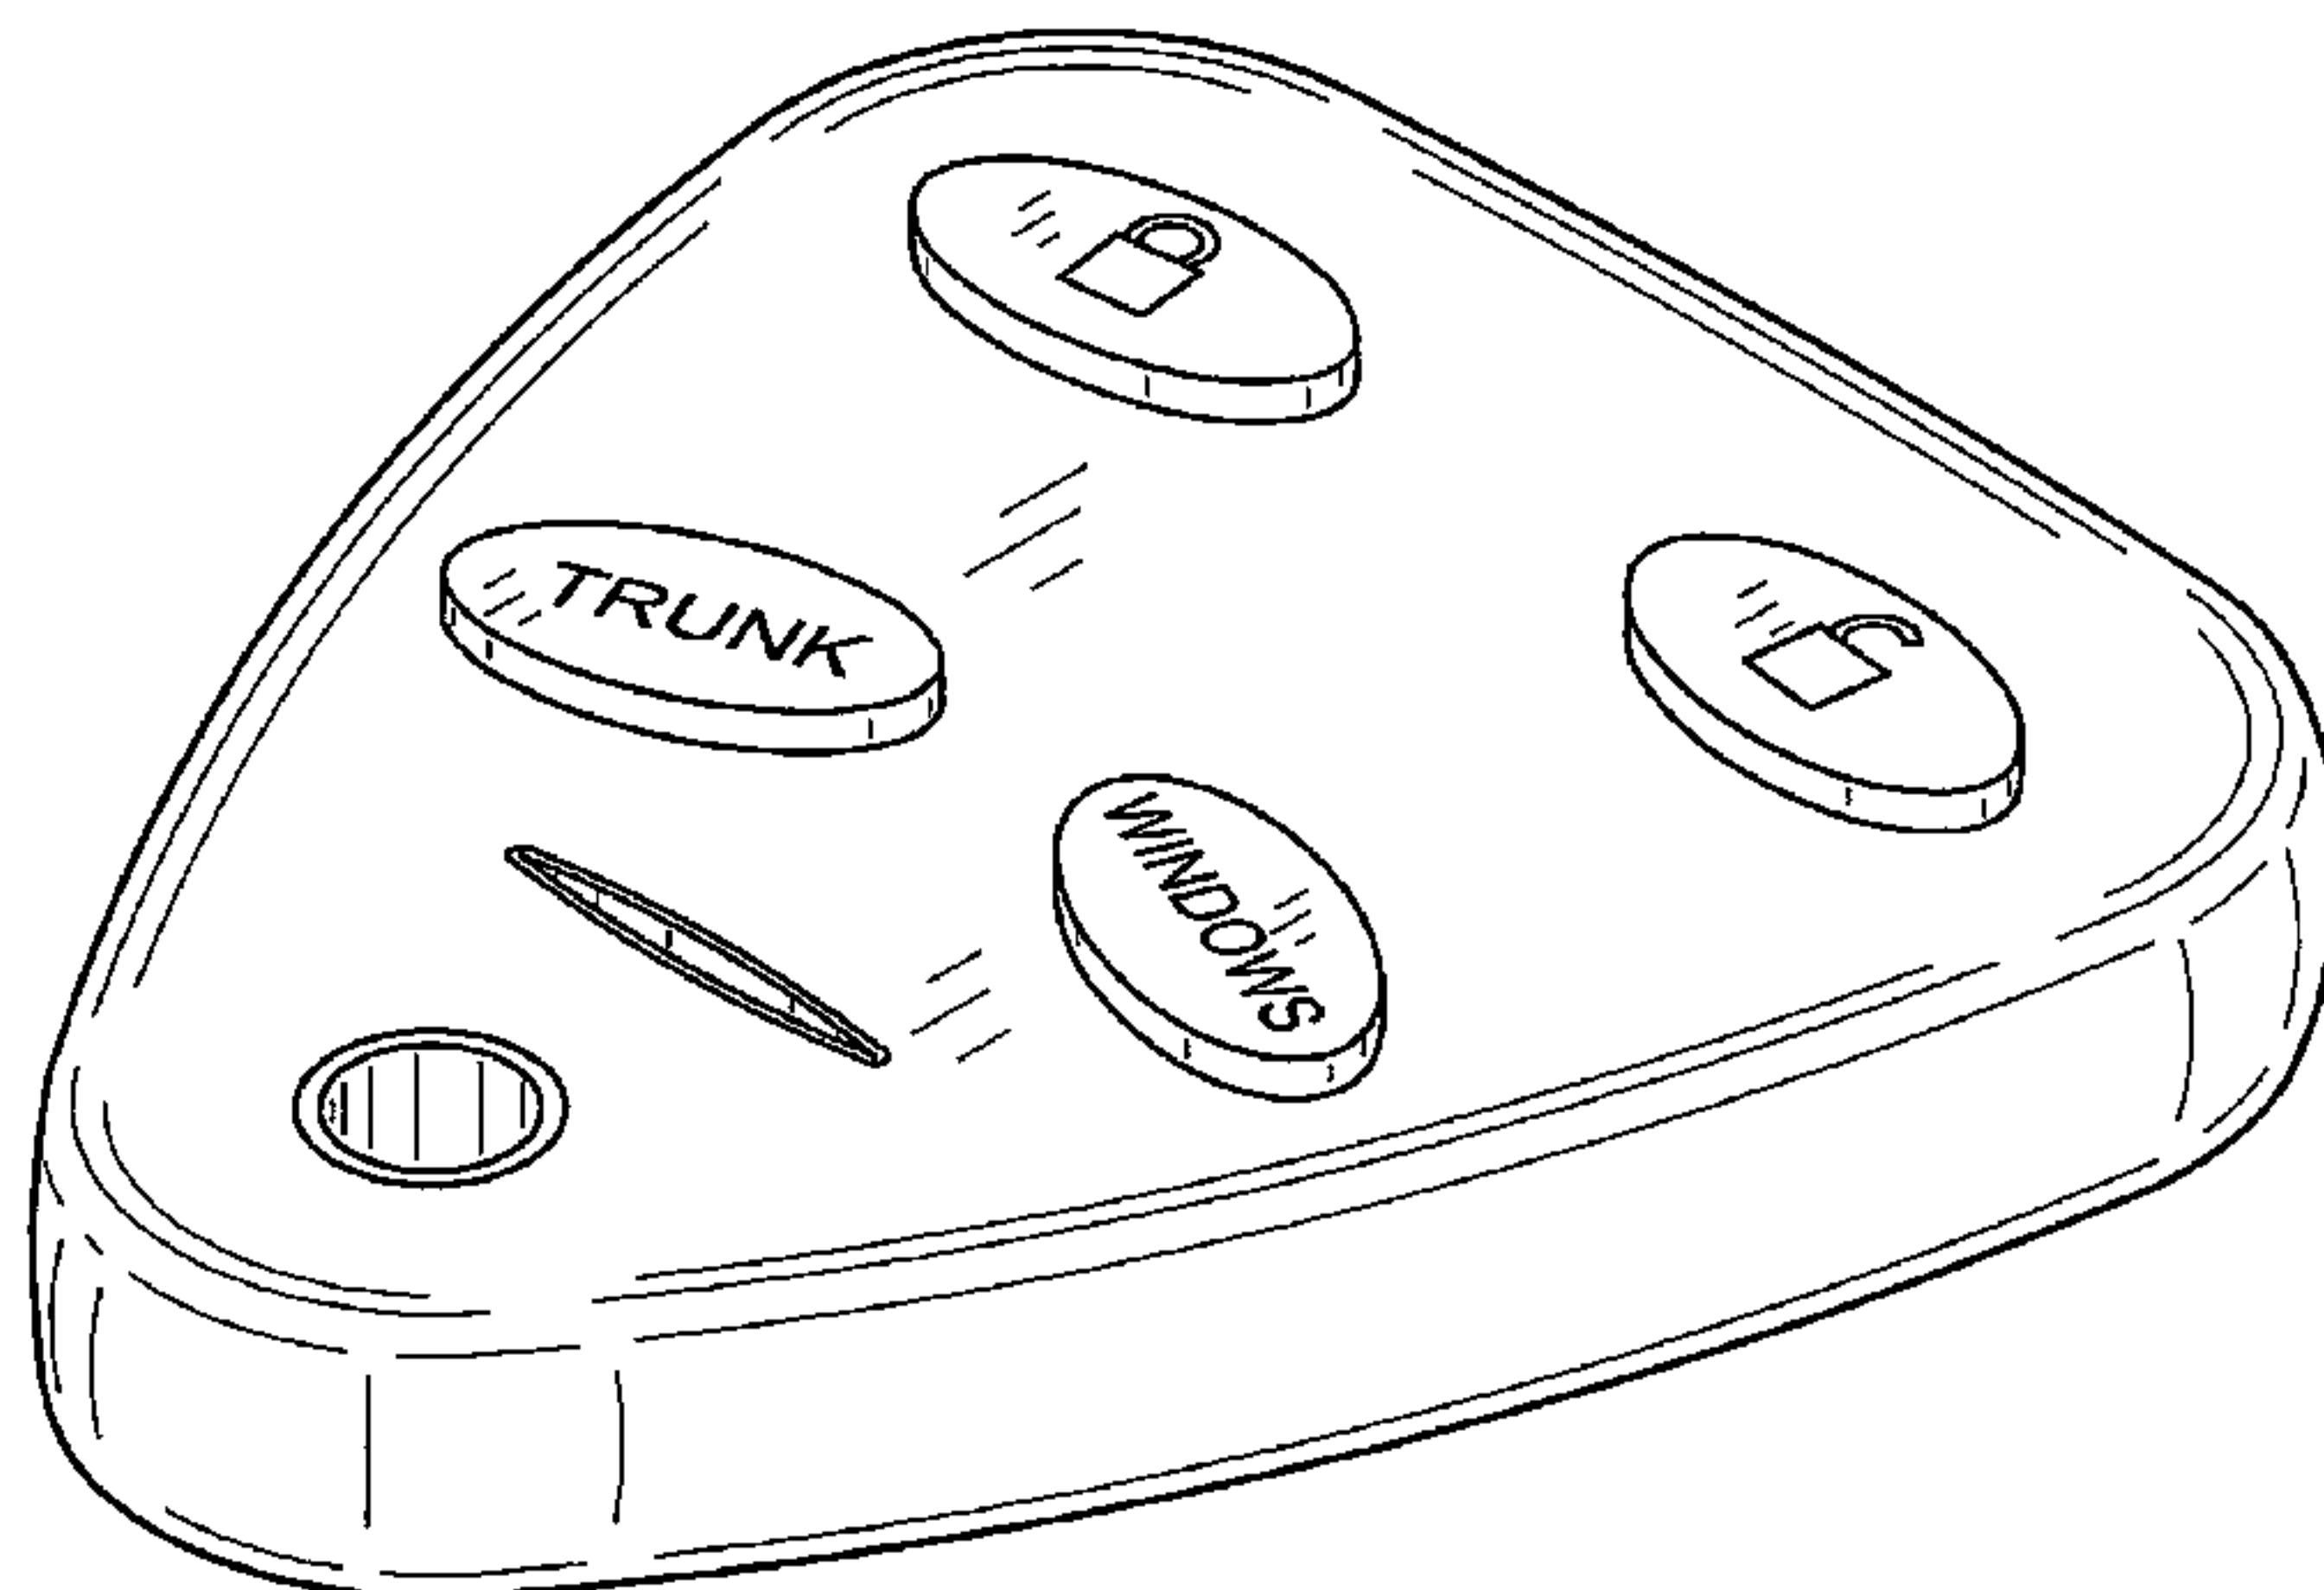

The ornamental design for a vehicle window remote control device, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a vehicle window remote control device showing my new design; FIG. 2 is a rear view of the vehicle window remote control device; FIG. 3 is a side view of the vehicle window remote control device; FIG. 4 is a top view of the vehicle window remote control device; FIG. 5 is a bottom view of the vehicle window remote control device; and, FIG. 6 is a bottom front side perspective view of the vehicle window remote control device.

The broken line showing of the vehicle window remote control device is for illustrative purposes only and forms no part of the claimed design.

1 Claim, 5 Drawing Sheets
