(57) **CLAIM**

The ornamental design for a light bar housing, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view looking downwardly from the right side of the front of the housing for a light bar mountable within a vehicle which embodies our invention in which the optics of the light bar are shown removed;

FIG. 2 is a plan view of the front thereof;

FIG. 3 is an elevational view from the top thereof;

FIG. 4 is a right end view thereof, the left end view thereof being identical thereto;

FIG. 5 is a plan view of the back thereof; and

FIG. 6 is an elevational view from the bottom thereof; and,

FIG. 7 is a perspective view looking downwardly from the left side of the back thereof.

The dashed lines in FIGS. 1 and 2 are internal features for mounting optics and form no part of the claimed design.
