(57) **CLAIM**

The ornamental design for a display screen with icon, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with icon showing our new design; and, FIG. 2 is a front view of a display screen with icon showing an alternative embodiment of our new design. The broken line showing of the letter P and the remainder of the user interface and display screen is for environmental purposes only and forms no part of the claimed design.
