(57) **CLAIM**

The ornamental design for a heated dip serving tray, as shown and described.

DESCRIPTION

FIG. 1 shows an exploded perspective view of the serving tray base, the tray insert, and the tray cover, along with dip shown in broken lines within the tray insert.

FIG. 2 shows a perspective view of the assembled heated dip serving tray with a power switch shown in broken lines.

FIG. 3 shows a side view of the heated dip serving tray with a power switch shown in broken lines.

FIG. 4 shows another side view of the heated dip serving tray.

FIG. 5 shows an end view of the heated dip serving tray with a power switch shown in broken lines.

FIG. 6 shows a second end view of the heated dip serving tray with a power switch shown in broken lines.

FIG. 7 shows an underside view of the heated dip serving tray with a power switch shown in broken lines; and,

FIG. 8 shows an overhead view of the heated dip serving tray with a power switch shown in broken lines.
