We claim the ornamental design for fitness equipment display screen with icon, as shown and described.

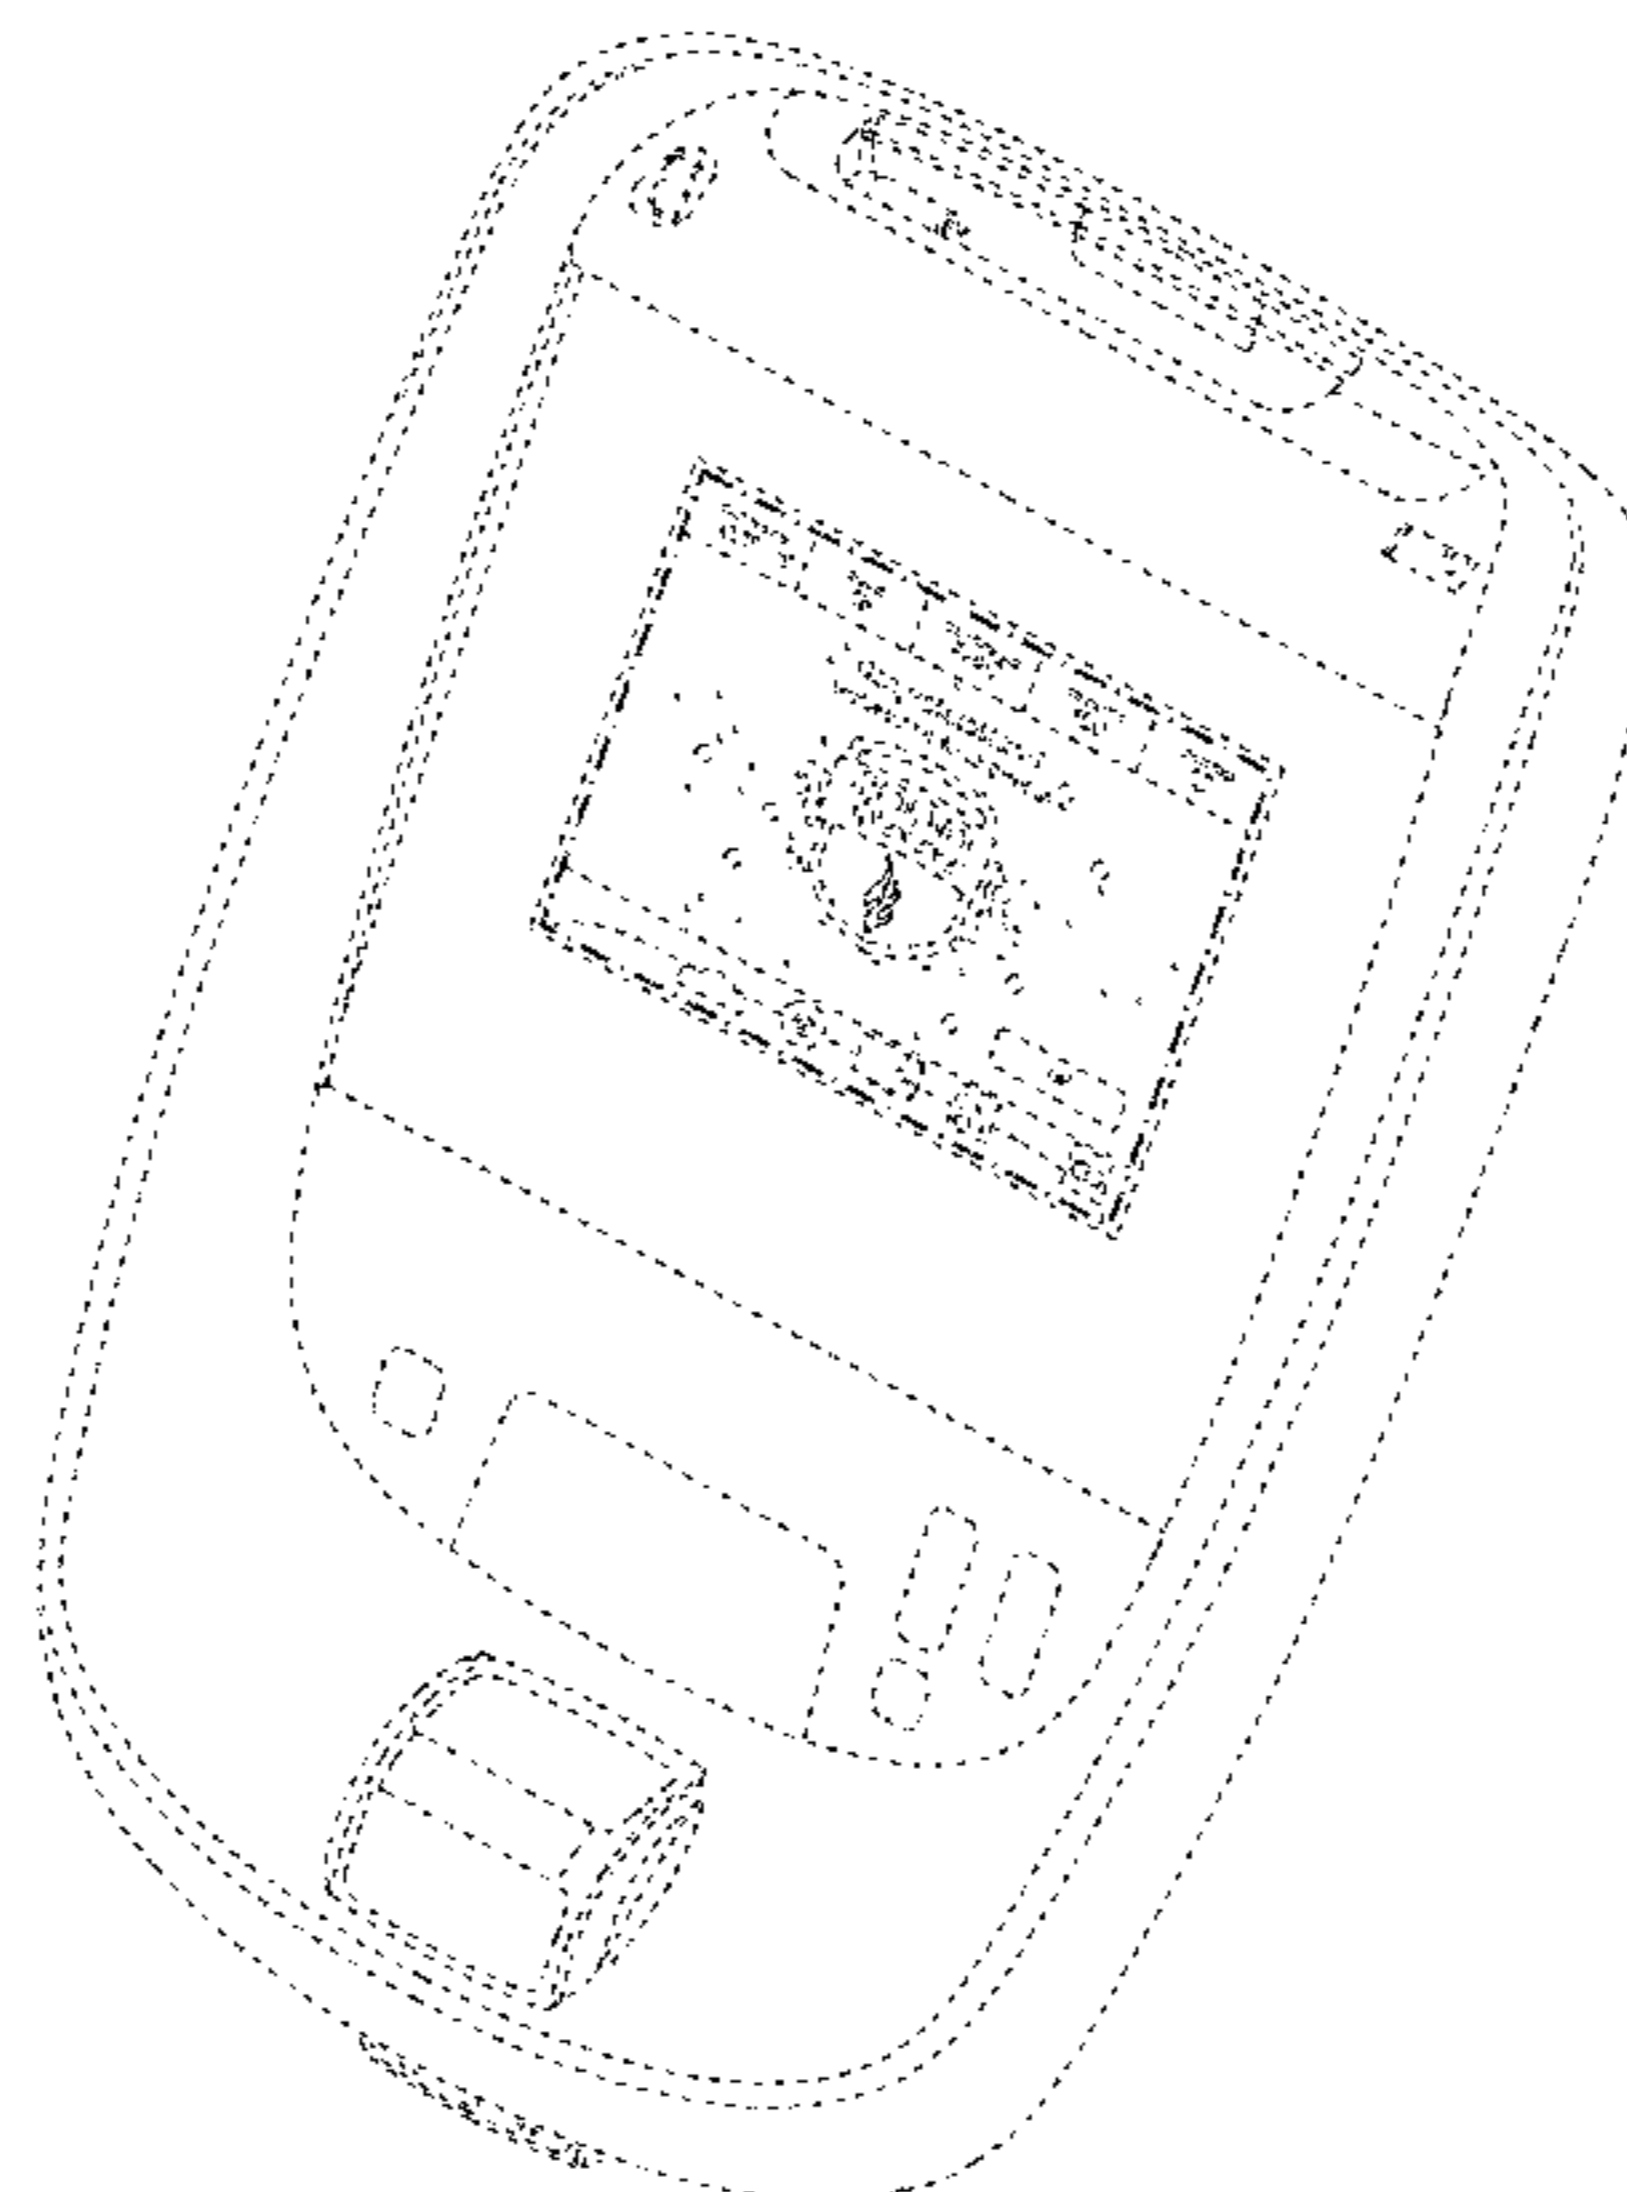

DESCRIPTION

FIG. 1 is a side perspective view of a fitness equipment display screen with icon; and, FIG. 2 is a front view of the fitness equipment display screen with icon of FIG. 1.

The evenly spaced broken lines shown in the figures are included for the purpose of illustrating environmental elements and form no part of the claimed design. The dot-dash broken lines illustrate a display screen and form no part of the claimed design.

See application file for complete search history.
