(57) **CLAIM**

The ornamental design for mobile communication terminal with graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a mobile communication terminal with graphical user interface; and, FIG. 2 is front view of a mobile communication terminal with graphical user interface. The broken line of the mobile communication terminal and portions of the graphical user interface are included for the purpose of illustrating environmental structure and forms no part of the claimed design.
