(57) **CLAIM**

I claim the ornamental design for a display panel with computer-generated icon, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE is a plan view of a display panel with computer-generated icon.

The broken lines in the drawing represent environmental structure and form no part of the claimed design.
