(57) **CLAIM**

The ornamental design for a base for an air filter, as shown and described.

DESCRIPTION

FIG. 1 is a downward looking perspective view of the base for an air filter, with the view from the diametrically opposing side being the mirror image thereof;

FIG. 2 is an upward looking perspective view of the base for an air filter of FIG. 1, with the view from the diametrically opposing side being the mirror image thereof; and,

FIG. 3 is a sectional view taken along section 3-3 of FIG. 2, showing a cross section of the base.

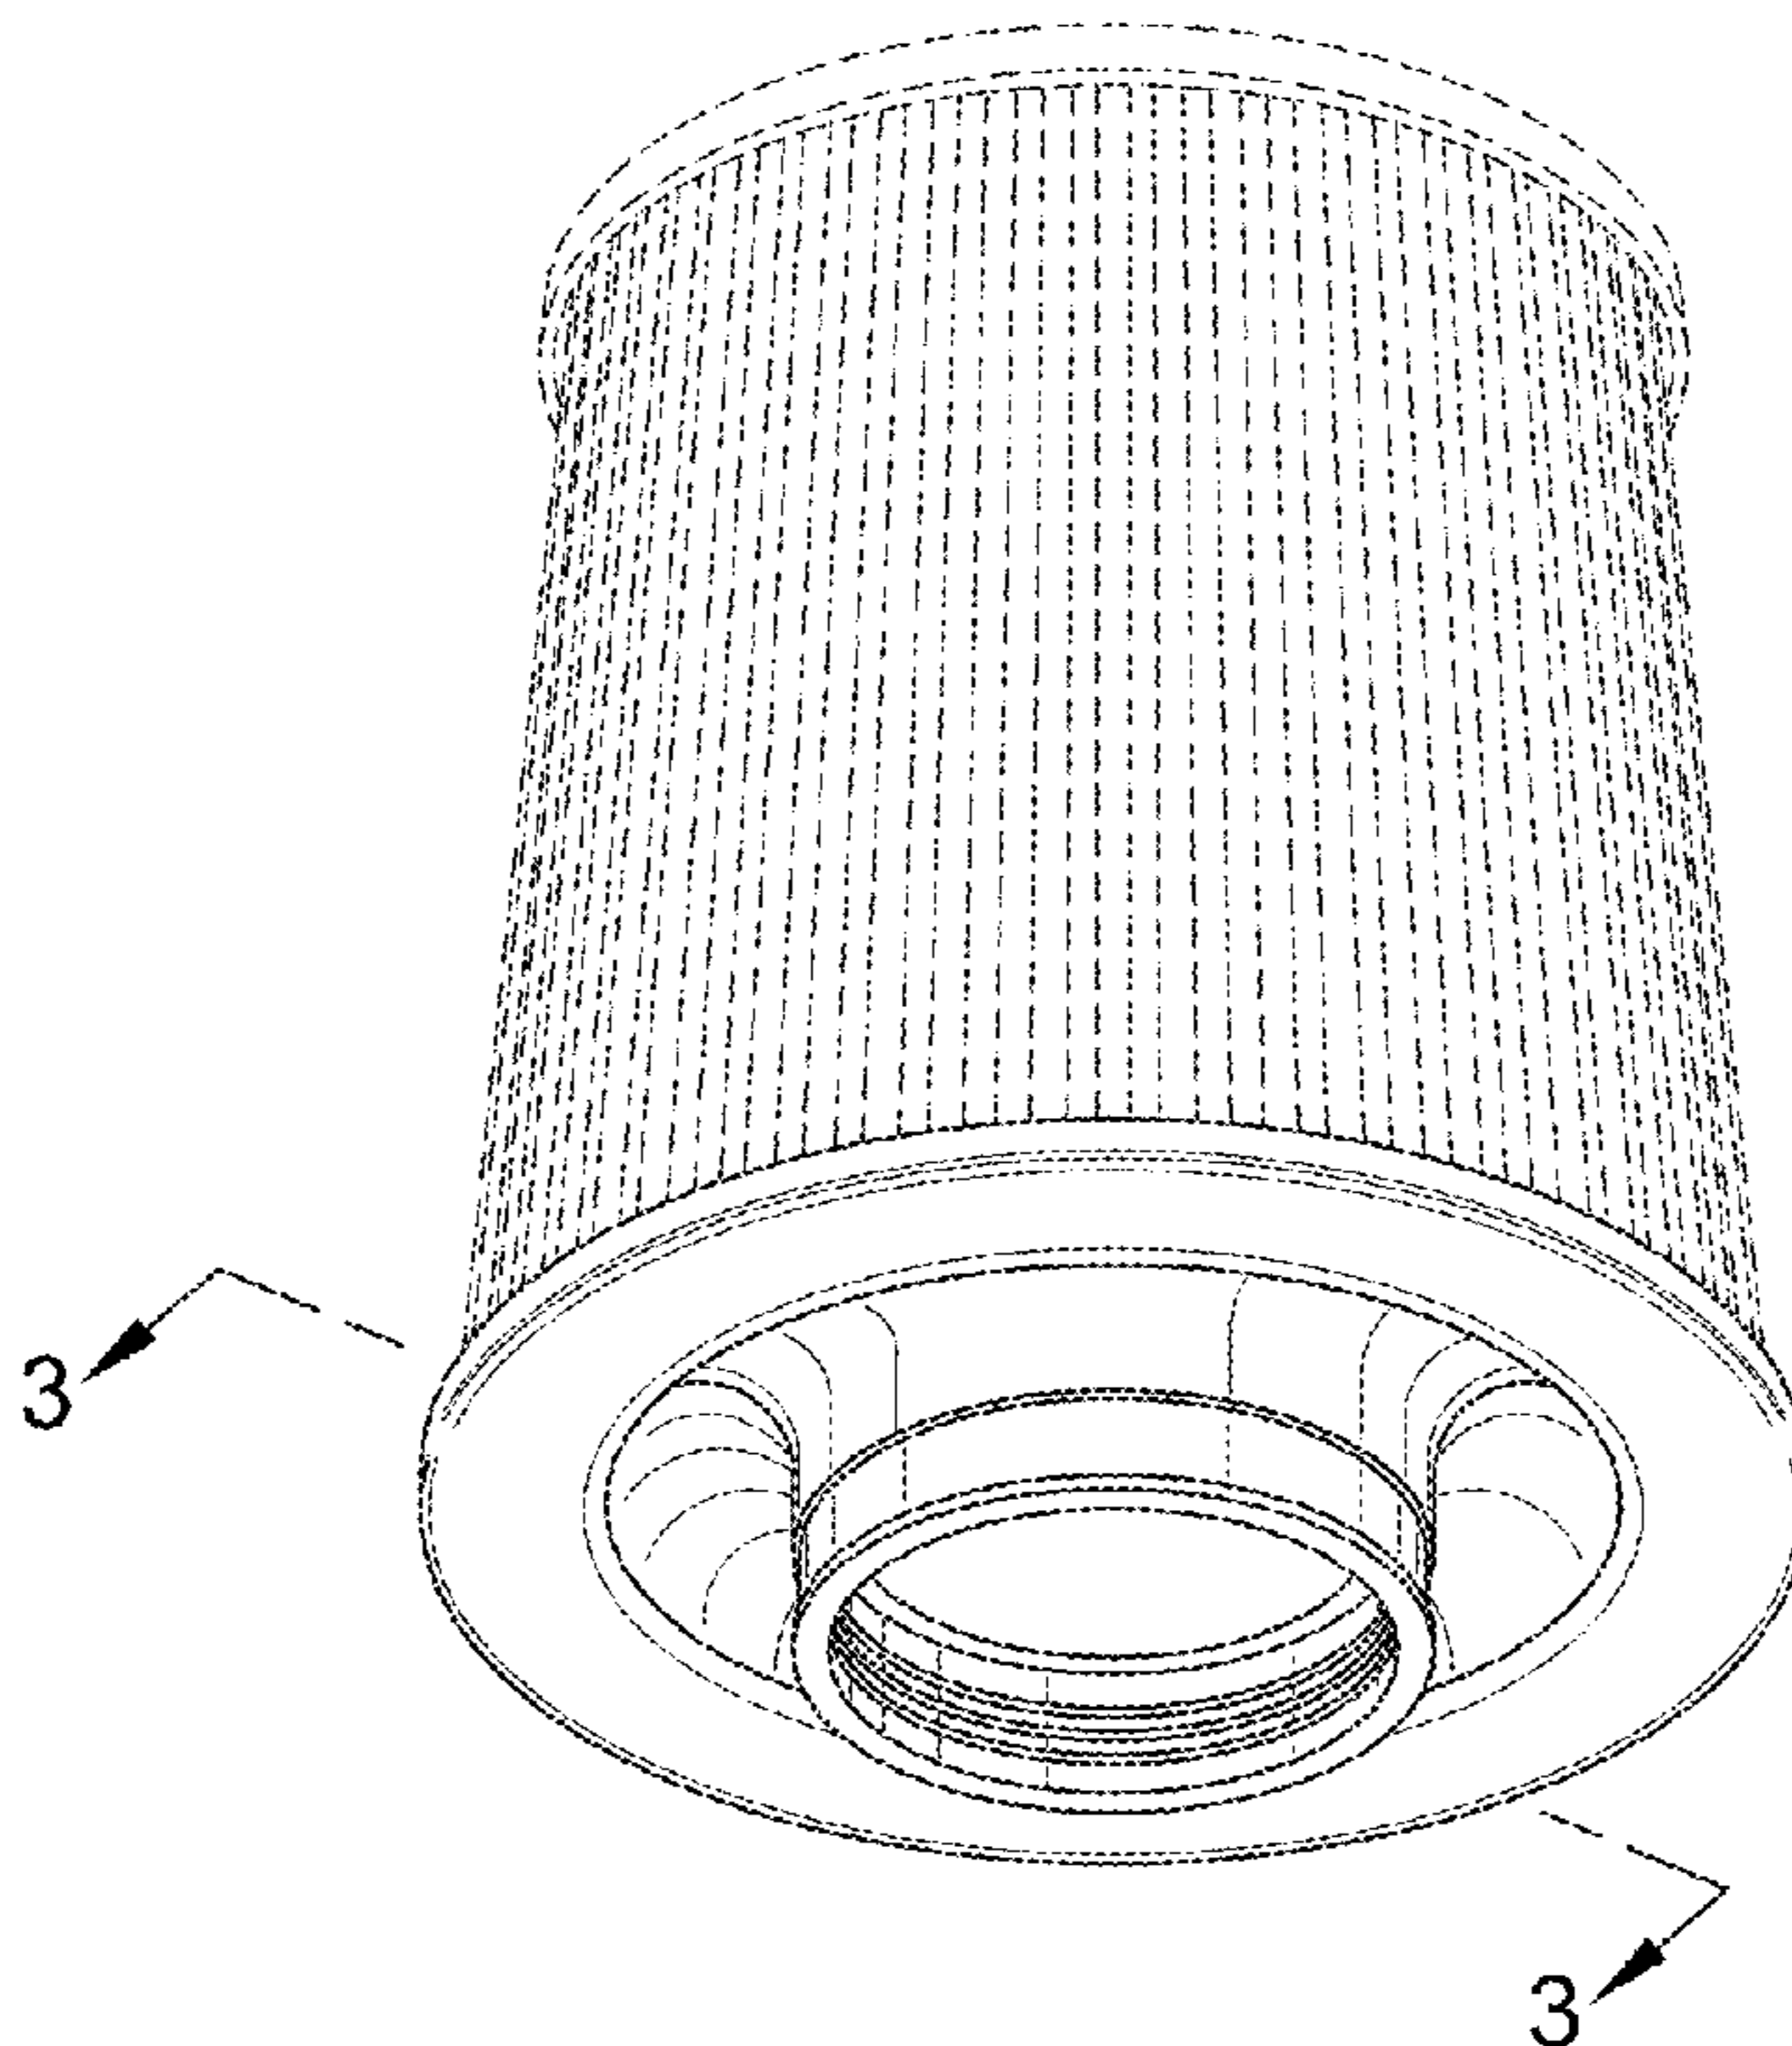

The broken lines show the environment of the base and represent unclaimed subject matter and form no part of the claimed design.
