Primary Examiner — Cathy A MacCormac

(57) **CLAIM**

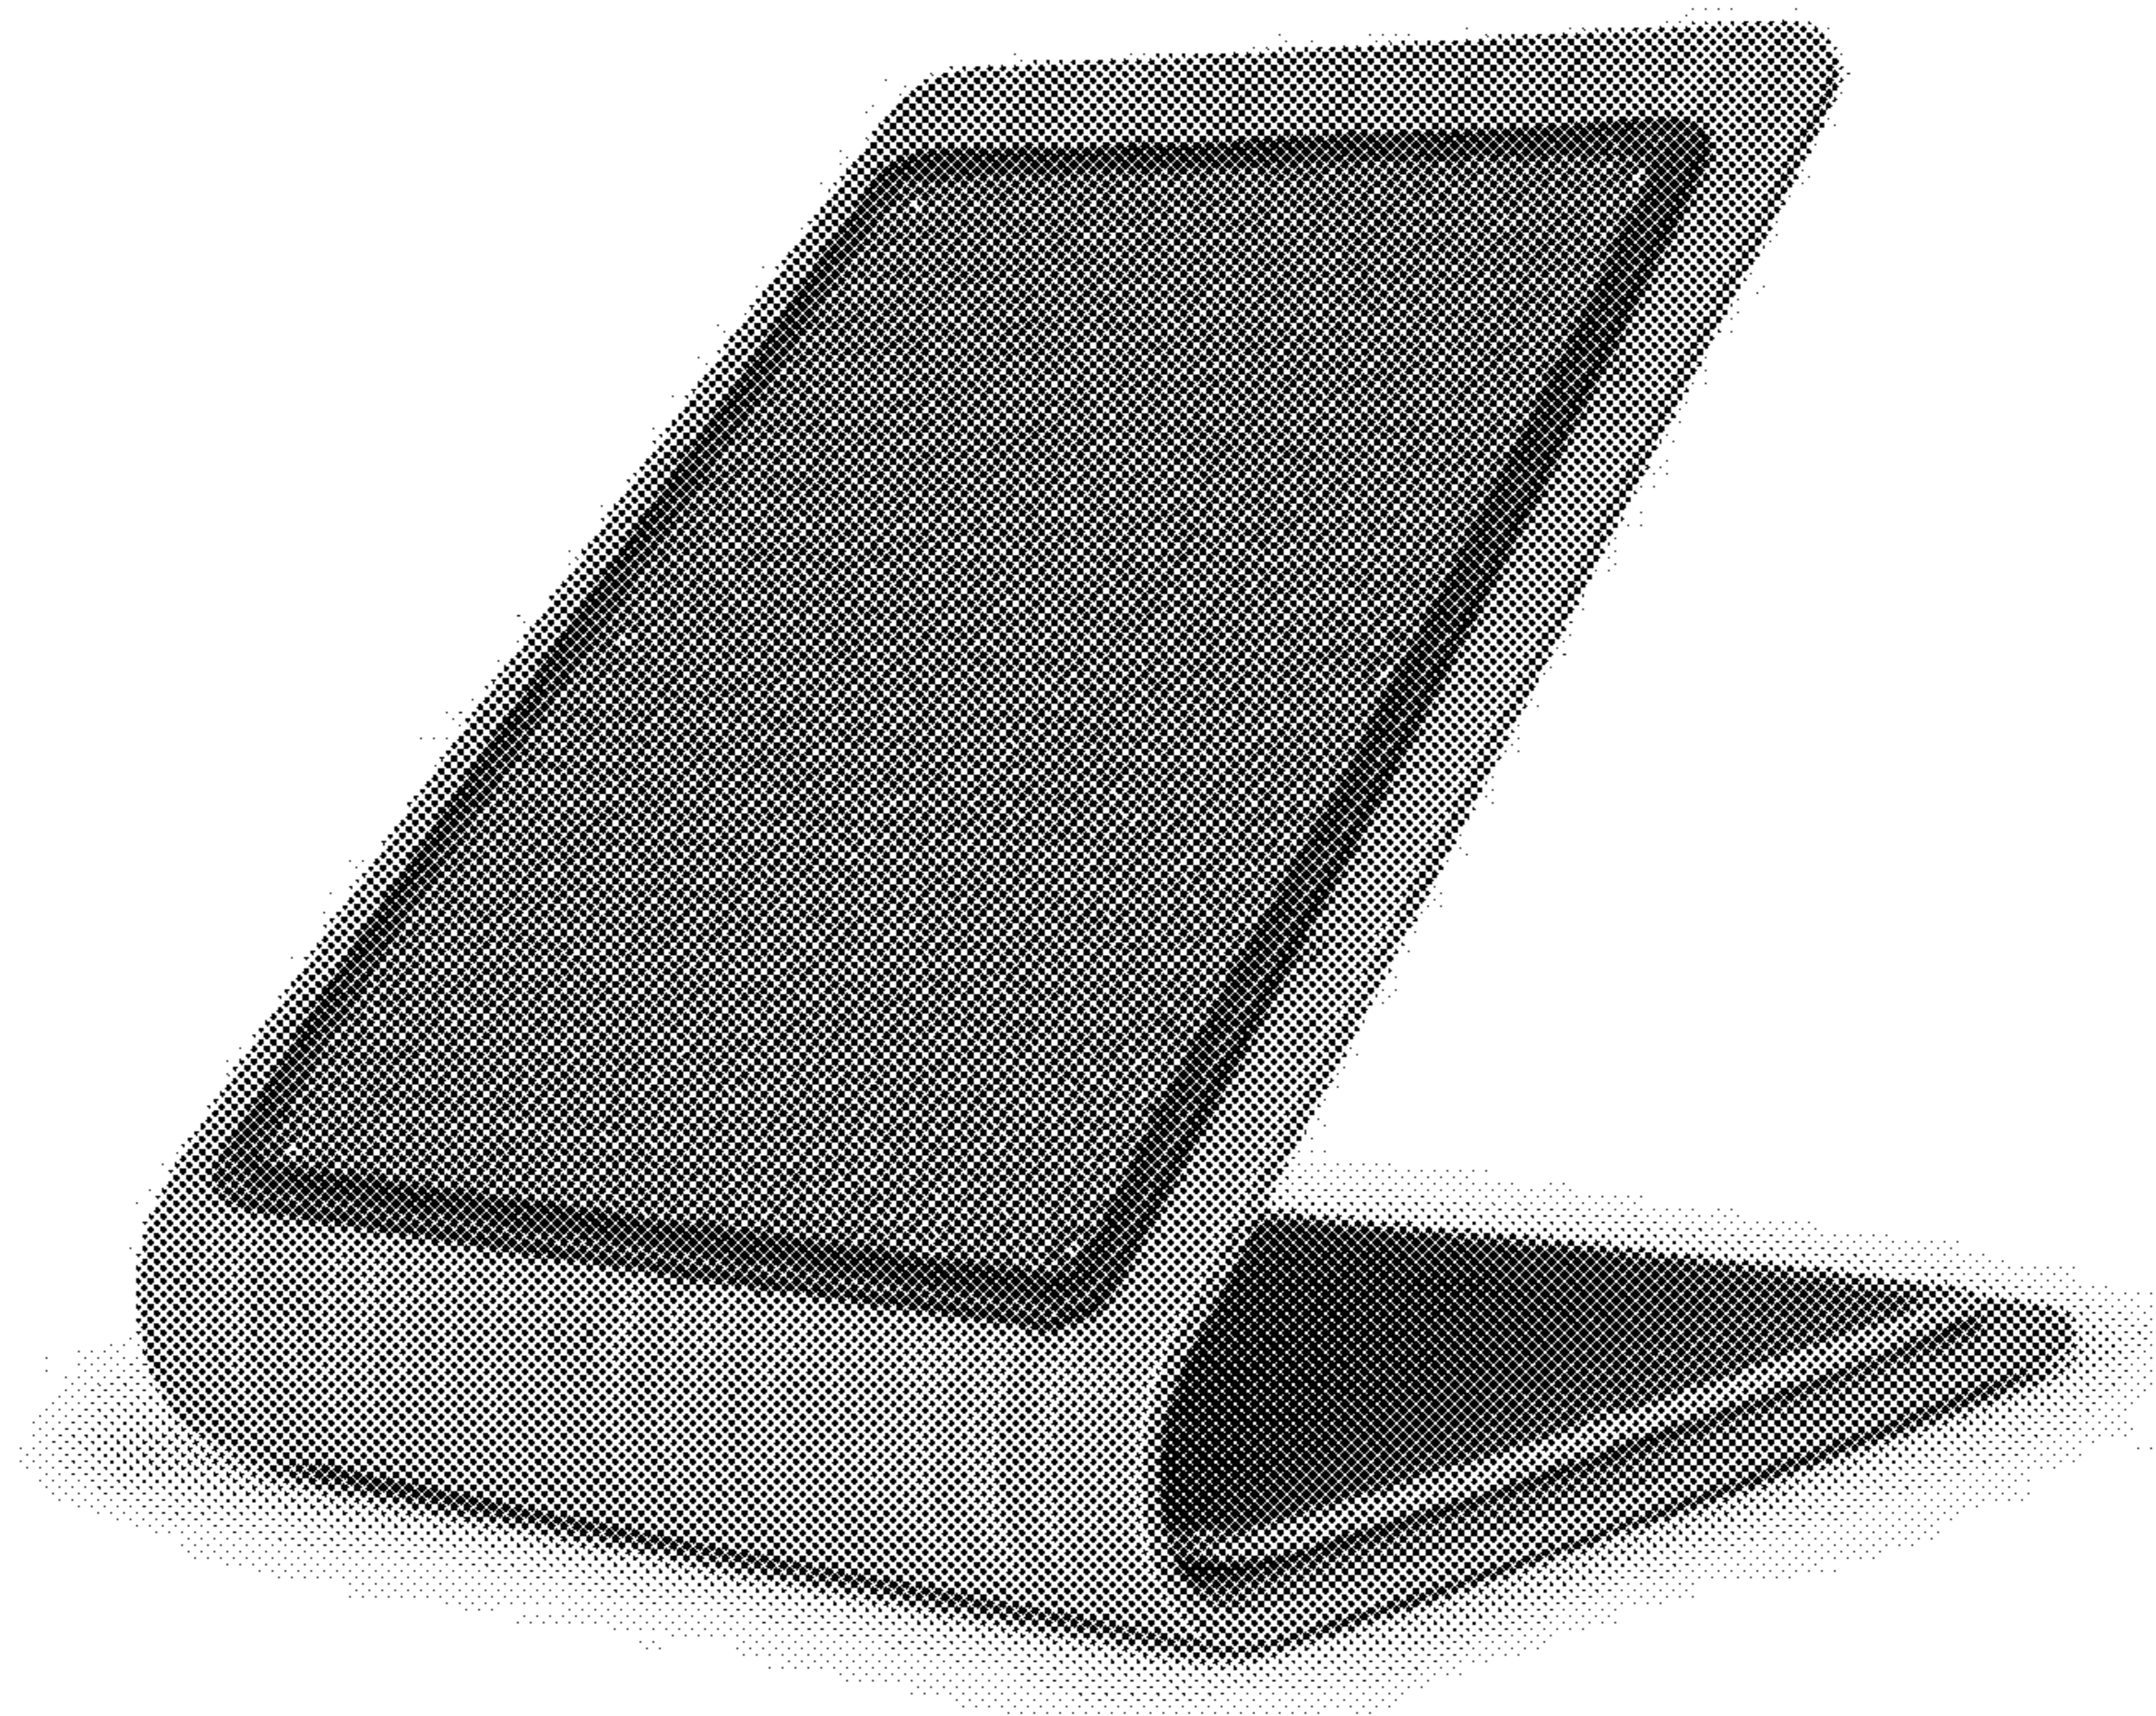

The ornamental design for my cat scratcher, as shown.

DESCRIPTION

FIG. 1 is a perspective view of a cat scratcher showing my new invention.
 FIG. 2 is a right side view thereof, the left side being a mirror image;
 FIG. 3 is a front view thereof;
 FIG. 4 is a back view thereof;
 FIG. 5 is a top view thereof; and,
 FIG. 6 is a bottom view thereof.

The design of my cat scratcher is intended to give to accomplish three things. I intend to provide cats a surface to scratch their claws which is a part of their normal behavior. The second reason is to prevent cats from destroying home furniture and the third reason is to provide a well designed cat scratcher that can easily be integrated into the cat owners existing home decor.
